### Dogs Queensland 2017 Calendar

The first delivery of the award winning Dogs Queensland/Zoo Studio 2017 calendar has been delivered. Feedback about the quality of the calendar and the professional look has been extremely positive. Some of the orders found their way to America, Canada and China. Some have also been given as gifts to international and domestic judges – **What a great idea!**

With Christmas just around the corner, the Calendars will make a great Christmas gift for friends and relatives. They are easy to deliver (we can do that for you and even put a Christmas message in with the Calendar) and make a gift with a difference.

We must not forget that the Calendar not only promotes pure bred dogs and the diverse roles they play in the community, but the Calendar also raises funds to continue the Delta Dog program in the Ronald McDonald Houses. Ronald McDonald Houses provide accommodation and support for seriously ill children and their families who, through illness are away from the comfort and security of their homes, some family members, friends and their pets. The calendar is still available on our website, at \$18.95, and you can order today.

## NEWS UPDATE .....

The Dogs Queensland branded vehicle and trailer are available for use at events, shows, etc. but it must be booked through the office and the purpose that the vehicle is going to be used for needs to be provided.

It is extremely important for safety, security and insurance purposes that the designated driver provides their information when picking up the vehicle. Dogs Queensland must be aware of where the vehicle is, and the details of all drivers of the vehicle.

Additionally, there is a log Book in the vehicle which **MUST** be completed whenever the vehicle is used.
