EKKA - just around the corner...

An event like the EKKA takes a lot of organising, not only for the RNA but for all of our exhibitors and members who attend. Behind the scenes, there are many more people getting ready for this big event.

The Marketing team have been sourcing brand new stock for the popular Dogs Queensland show bag. Take a sneak preview of just one of the new items – Pure Boar Bristle pet Brush.

And there is more to come!

Again, we will need volunteers to help on the stand at the 2017 EKKA. It's fun, register your name to help on the stand. [Click Here](#) or send expressions of interest to: marketing@dogsqueensland.org.au

Fundraising event

A Police Remembrance Day and Fundraising event will be held at Murphy's Creek. Constable Brett Forte was the hero who sadly lost his life when a known criminal ambushed him. The event will raise funds which will assist Brett Forte's family. The Lockyer Valley Kennel Club are assisting with the event.

Townsville Pet Expo

Dogs Queensland participated in the recent Townsville Pet Expo on Sunday, 18th June 2017. This marked an important advancement in Dogs Queensland's progress towards becoming a more recognised brand, by being present and visible at a major regional pet event.

Dogs Queensland Director, Craig Pettett, drove up to Townsville for this event, kitted out with professional signage, banners and brochures to promote our organisation, purebred dogs and activities we do to a very large crowd of Townsville locals. The stand looked great and was a huge success, patronised by large numbers of the public. Thanks to the members of the local Townsville and Thuringowah City Clubs who took the time to attend with their dogs or provided resources for the stand – greatly appreciated.

Straight after the EKKA is the All Dogs Sports Spectacular. This is its 5th year and it just keeps getting bigger and better. This year, *"Dogs Queensland Rocks"*
