President's Message

“I hope you and your families had a special time over Easter. It was great seeing the array of shows and dog sport events across the State. The relaxation of Covid restrictions has been welcome and it has been great to see more interstate travel happening.

We are seeing a return to schedules showing more interstate judges and that is great. However, it is important that we continue to be vigilant as individuals in taking care with our health and that we continue to take sensible precautions.

These pandemic years have had many effects, but one is the necessary introduction of more flexibility in dealing with last minute developments impacting on our events.

More recently we have of necessity seen interstate and local judges changed within a day or two of the event happening usually due to a Covid diagnosis. Show and dog sport Secretaries are to be commended on their management of these challenges with at times numerous judges involved. It's a great voluntary service that these Secretaries and other Executive members of clubs provide.

We are now moving into our “prime time” for the next number of Autumn and Winter months for our dog shows and dog sports events throughout the State.

Agricultural Shows and related thoughts

I would like to make special mention of dog shows at our Agricultural Shows. Members may know that I am a great supporter of these shows. Of course these shows lead up to the “main event” being the Ekka, where we have the opportunity to showcase our breeds over a 9 day period and engage with the public. Entries have just opened for the Ekka and I hope members will hugely support this event after its pandemic postponement the last 2 years.

I love the opportunity the dog shows at Agricultural

Shows provide for members to engage with the public about our wonderful breeds and provide information about our dog world and the many opportunities and dog sports events provided for individuals, couples and families and their dogs. We are all ambassadors for our dog world and it is so important to continue to get our messages out there to the media and to the community.

On that front, Dogs Queensland has been working closely with Dogs Australia in developing useful videos communicating good information in a number of key areas. I encourage members to look at these videos and use them as a resource when dealing with interested members of the public.

On the breed front, we have a super line up of 7 videos – one for each breed group – giving an overview of the breeds. Here are the links for these videos:

They are also a wonderful resource to help prospective puppy buyers in the selection of a puppy and a great overview of breeds for members too.

In addition, there are informative interviews about a range of subject matter areas with Dr Karen Hedberg, Mr Hugh Gent and myself. Links to these interviews are:

Dr Karen Hedberg: <https://youtu.be/1pGtChrTtxQ>

Mr Hugh Gent: <https://youtu.be/OnNwlMvjetU>

Mrs Ulla Greenwood: <https://youtu.be/xGVb9mWn0Y>

I would like to thank the media team at Dogs Australia as well as our Media Consultant, Mr

David Margan, Ian Rasmussen and those in the Dogs Queensland office and the members who participated with their dogs for the huge effort in making these great resources happen.

Going back to the Agricultural Shows, I remember being told a few years back that South Australia had no dog shows anymore at their Agricultural Shows – apart from their Royal Show. I thought that was so sad. Let's not let that happen here. Our dog shows at Agricultural Shows are run by our member volunteers. If you have a nearby Ag Show why not contact the person running the show to see if you can assist in some way? It would be most appreciated.

Board Matters

At our last Board meeting we had a full complement of 12 directors and we welcomed Elisa McCutcheon, Gordon Mayne and Ainslie Carius on board. The balance of 2022 will be busy but I am confident that this refreshed Board will be sponsoring some current and good new initiatives. ”

President Dogs Queensland

Board Notes – May 2022

FCI ASIA, AFRICA AND OCEANIA SECTION (A20) DOG SHOW

All Breeds Clubs are invited to apply to hold FCI Asia, Africa and Oceania Section (A20) Dog Show using the following form. Please send to Rob Harrison (rob@dogsqueensland.org.au) at the Dogs Queensland Office in the first instance who will forward it to ANKC to seek approval.

Dog Show Application Form

Many FCI countries around the world award 'Regional Titles', for example in the FCI Americas Section there are regional titles such as Pan American Champion and Latin America Champion.

The regional Australian FCI title is the Asia, Africa and Oceania Champion, in the short form FCI A20 Champion (FCI A20 Ch.), which came into effect 17 June 2019.

Due to the structure of the ANKC and the way individual State Bodies manage and run their own affairs, dispensation is given to Australian exhibitors to qualify for FCI A20 Section titles in that A20 CAC's won in different countries be replaced with Individual States counting as different countries.

Requirements to attain Asia, Africa and Oceania Champion Titles in Australia:

To obtain the title of Asia, Africa and Oceania Champion: A dog/ bitch who is already an Australian Champion or Champion of an FCI member country, must win FOUR A20CS CAC's dog/bitch at any FCI A20 Championship Show (A20CS) organised by any of the ANKC State bodies or approved Clubs within the State.

To obtain the title of Asia, Africa and Oceania Grand Champion:

A dog/bitch who is already an Australian Champion or Champion of an FCI member country, must win EIGHT A20CS CAC's dog/ bitch at any FCI A20 Championship Show (A20CS) organised by any of the ANKC State bodies or approved Clubs within the State. At least TWO of the Eight A20CS CAC must be won in different States of Australia.

To obtain the title of Asia, Africa and Oceania Supreme Champion:

A dog/bitch who is already an Australian Champion or Champion of an FCI member country, must win TWELVE A20CS CAC's dog/bitch at any FCI A20 Championship Show (A20CS) organised by any of the ANKC State bodies or approved Clubs within the State PLUS win a

BIS1 (Best in Show 1) at an A20CS. At least THREE of the twelve A20CS CAC's must be won in different States of Australia.

Awarding of A20CS CAC's

The A20CS CAC's are awarded to the Best Dog and Best Bitch OR Dog CAC and Bitch CAC at a Championship Show. The Show does not have to be a CACIB/ International Show and the awarding of the A20CS CAC's follow the ANKC Rules with the regards to the awarding of the Best Dog and Best Bitch OR Dog CAC and Bitch CAC.

EXPRESSION OF INTEREST TO CONDUCT CACIB SHOWS

In accordance with the FCI Regulation that applications to have a CACIB International Dog Show sanctioned by the FCI must be sent to the General Secretariat of the FCI latest 12 months before the show or earliest four calendar years before the show, it is essential we address applications for the next round of shows, especially for those Member Bodies who have already conducted them.

Expressions of interest are sought from all Member Bodies to conduct CACIB Shows during the period of 2026-2030. Please ensure submissions include full details of the proposed show in terms of name of organiser, date, location, website (if applicable) and the official name of the event. A CACIB Show will not be approved if the proposed date clashes with a major show in another State or Territory.

All expressions of interest will be circulated prior to the June 2022 Board meeting for discussion and approval.

If any Queensland Club wishes to lodge an EOI, please forward to Rob Harrison (rob@dogsqueensland.org.au) at Dogs Queensland in the first instance no later than COB Wednesday, 15 June 2022.

NATIONAL SHOW/RESTRICTED TRIAL – GERMAN SHEPHERD DOG LEAGUE NSW INC: CHANGE OF VENUE

Dogs Australia has advised Dogs Queensland of a change of venue for the National Show/Restricted Obedience Trial to be held by the German Shepherd Dog League NSW Inc on 3 to 5 June 2022. It will now take place at the Hawkesbury Showgrounds, Racecourse Road, Clarendon, New South Wales instead of Dogs NSW Showgrounds at Orchard Hills as the grounds are currently unsuitable due to ongoing weather conditions.

FCI PODCAST: THE PERSONALITY AND CHARACTER OF DOGS

Dogs are the most divert species. Not only in conformation but in behaviour as well.

They can complete various tasks due to their various skills.

The more we know about dogs, the more often we use human-like terms related to their behaviour.

- Can we talk about 'personality' in dogs?
- What are 'skills', and how do they contribute to functions completed by dogs?
- How predictable is the behaviour of breeds or breed groups?

Ádám Miklósi, the Head of the Ethology Department of the Eötvös Lóránd University

(ELTE) in Budapest, gives a thorough insight into the personality and character of dogs.

Dogs, so this series of the FCI Podcast Channel titled "Inside the FCI" aims to shed light and dispel

assumptions about this international organisation that stands For Pedigree Dogs Worldwide!

Comprising ninety-eight member countries globally, the FCI is the largest global organisation for Pedigree Dogs covering almost every area of interest with dogs from conformation dog shows to dog sports and hunting trials. But to keep such a large organisation working effectively will take a mountain of people to be involved in each area of specialist interest. In the FCI, these committees or groups are known as FCI Commissions. They comprise of volunteers from that particular area or expertise or field who dedicate their time and efforts to ensuring that their respective areas of interest are served with the sole aim being for the benefit of pedigree dogs.

In this episode, Gopi Krishnan speaks with José Buggenhout, President of the FCI Utility Dogs Commission. In this interview, we get to hear their aims and visions for this FCI commission for those with working dogs and interested in this area of pedigree dogs.

RULES FOR THE CONDUCT OF QUEENSLAND DOG AND PUPPY OF THE YEAR COMPETITIONS IN 2022/2023

GENERAL RULES

1. The Queensland Dog and Puppy of the Year Competitions will be sponsored, promoted and run by Dogs Queensland, commencing on Friday 1 July 2022 and ending on Friday, 30 June 2023.
2. The Puppy and Dog of the Year Final will be judged on the weekend of 14, 15 and 16 July 2023.
3. In the event that a cash prize is awarded for either Competition, the prize will be awarded in the name of the Queensland resident owner/s of the winning exhibit. Where an exhibit is held in joint ownership with a current financial member of the ANKC, that member must be financial as of 1 July 2022 up to and including 16 July 2023.
4. Finalists in both competitions will receive a memento from the Dog of the Year Committee.
5. Catalogues for the Competitions will be available for a fee.
6. For cataloging purposes, the following is required of all Finalists: i) a high resolution photo (head study only); and ii) a photocopy of the exhibits' registration.
7. The Committee is authorised to take steps to verify the eligibility of Competition finalists. Should an exhibitor or exhibit not meet all the specific criteria for eligibility, the exhibit in question will not be permitted to compete in the Competition Finals.
8. The Dog of the Year Committee reserves the right to alter any Competition rules should it be deemed necessary.
9. The Dogs Queensland Board of Directors is the final arbiter of disputed issues in respect to this

Competition and exhibitors acknowledge that, by entering this Competition, they agree to be bound by the Rules and they further agree to indemnify Dogs Queensland against all claims arising from any actions associated with this Competition.

ELIGIBILITY TO COMPETE

Dog of the Year

The exhibit must be registered to a Queensland member either solely or in partnership during this period (General Rules 3). (*To reside means to physically live at the address on the Certificate of Registration. The term 'exhibitor' means owner/s, as recorded on the Certificate of Registration.*)

Puppy of the Year

In order to qualify for Puppy of the Year, the exhibit is to remain in residence in Queensland from the time that the exhibit's first result is entered into the Competition and must remain resident in the State until the Competition date.

The puppy must be registered to a Queensland member either solely or in partnership during this period. (General Rules 3).

INELIGIBILITY TO COMPETE

All Dog of the Year Committee Members and any other individual closely involved with the Competition or closely associated with persons involved with the Competition shall be excluded from entering at the discretion of the Dog of the Year Committee.

The decision if any person and/or exhibit should be excluded is to be decided upon the facts of each case with the final arbiter being the Dog of the Year Committee.

The following eligibility requirements must be adhered to:

General

- (b). Any exhibit leased/transferred out of Queensland during the Competition period, or any exhibitor who moves Interstate or Overseas during the Competition period, automatically loses all entitlements to compete in Competition.
 - (i) All fees paid by an Exhibitor to enter in the Competition (including fees paid by an Exhibitor who falls under General Rules (b)), will not be refunded.
- (c). Any exhibitor who transfers to Queensland, permanently, from another Country / State will be eligible to compete:
 - (i) providing they hold current membership of Dogs Queensland:
 - a) at their permanent Queensland address; and
 - b) for the eligibility period (Refer to General Rules 1)
 - (ii) providing the exhibit is transferred to that Queensland address and resides there, referred to in (1) for the majority of the eligibility period.

QUALIFICATION FOR ENTRY AS A FINALIST

1. The Dog of the Year and Puppy of the Year Competitions will be based on a points score system, administered by Show Manager.
2. To enter the points score, Exhibitors will elect to pay a 50c entry fee, per exhibit, per show. In order for a result to be valid, the fee must be paid upon entry. If the fee is not paid upon entry, the result will be invalid and will not be counted towards the points score.

ANZAC Day Dusk Remembrance Service 2022

– Words and Images: David Margan

Despite rain and the threat of inclement weather our Anzac Day service was, as usual, well attended.

The worshippers gathered under gazebos around our war dog memorial guarded by young navy cadets clad in white.

General Manager of Dogs Queensland, Rob Harrison read Psalm 23 in measured tones.

“Even though I walk through the valley of the shadow of death, I will fear no evil: for You are with me; Your rod and your staff, they comfort me.”

There was the usual collection of therapy and companion dogs, content, disciplined and smiling through it all.

As the wreathes were laid, two kids approached, one wearing the medals of their grandfather they laid the flowers then stood in remembrance, it was a great moment.

President, Ulla Greenwood, told the story of ‘Aussie’, a war dog who served bravely and enthusiastically for years in the armed service, including Afghanistan the land of rock and stone and IEDs.

Underneath the darkening skies the solemn notes of the Last Post rang out made even more haunting by the odd discordant note. The appreciative

audience were just glad it wasn’t me trying to play that difficult instrument.

As Federal MP for Oxley Milton Dick said he attends eight Anzac Day events on the day, but this event was his favourite.

I spoke to three old diggers, their chest emblazoned with medals of service, who’d also attended a few events on the day and their only gripe was the difficulty of getting up and down for the prayers and songs, but it meant a lot to them to be here and in that great digger tradition one looked me in the eye and said, “I think I need a beer.”

Well they deserved it and we honour all those who served in our name with so much distinction.

SOFT COATED WHEATEN TERRIER

In general, Wheatens have a fun loving temperament with their tail usually gaily held and wagging. They are not as feisty as other terriers however will stand their ground if challenged. This makes them a good family pet.

HISTORY

The Soft Coated Wheaten Terrier is the traditional Irish farm dog. For many years they were taken for granted as part of the landscape, being part of the day to day work of the Irish farmer. They were not taken up by wealthy dog enthusiasts but were seen as the poor people's dog. Under the penal law of the 18th century in Ireland tenant farmers were prohibited from owning a dog worth more than £5 [5 pounds]. This makes it likely that the anonymous terriers, later to be known as the Soft Coated Wheaten Terrier, were the dogs kept by the poor Irish tenants. The English landholders had the more expensive Wolfhounds. The Soft Coated Wheaten Terriers were bred to earn their keep and were an all-purpose dog. They were bred to hunt, herd, catch vermin, stand guard, to be a companion, and to poach.

Initially the four breeds of Irish Terriers were lumped together under the name of Irish Terrier, although there had been four distinct breeds of terriers in Ireland for 200 years. It was not until 1937 that the breed was recognised by the Irish Kennel Club and named the Soft Coated Wheaten Terrier. Claims have been made that it is the oldest of the Irish terrier breeds with soft wheaten coats sometimes showing up in litters of pups in the other breeds of terriers from Ireland.

There is a story that they were numerous in the 18th century in Kerry. It was at that time that a large black dog, possibly a spaniel, swam ashore and mated with a Soft Coated Wheaten Terrier. The result of this cross being the Kerry Blue Terrier.

Because the Soft Coated Wheaten Terrier was a very common dog in Ireland its

humble beginnings were probably from a very mixed ancestry with Wheatens being allowed to mate freely with whatever other dogs were around. In contrast, the breeding of the Kerry Blue Terrier and Irish Terrier were deliberately controlled at an early date so that they were recognised as separate breeds earlier than the Soft Coated Wheaten Terrier. By the 30s however Soft Coated Wheaten Terrier enthusiasts in Ireland, namely Dr G.J. Pierce and Mr P. Blake, were more selective in their breeding, developing a breed with distinctive traits. More recently Maureen Holmes has worked diligently to further develop the breed.

Since the Soft Coated Wheaten Terrier was a working terrier, used in such difficult jobs as hunting otters and badgers, it excelled when it first appeared in field trials taking prizes more

often that the other terrier breeds. Having its origins as a household member it tends to have a gentle temperament whilst being loyal and intelligent. Its alert carriage, free movement and properly managed and presented coat has made the breed popular in the show ring. Selective breeding in America and Europe have developed a popular and glamorous terrier.

COAT

The Soft Coated Wheaten Terrier gets its name from its profuse wheaten coloured coat. Historically this name was used to distinguish it from its two Irish relatives, the blue-grey Kerry Blue Terrier, and the wiry, red coated Irish Terrier. It needs to be remembered however that since the Soft Coated Wheaten Terrier was bred as a working terrier that conformation of the dog is of paramount importance. Any dog should be capable of performing the function for which it was bred. Whilst this terrier gets its name from the coat, the coat should be regarded as the icing on the cake. A Soft Coated Wheaten Terrier with an attractive coat should be severely penalised, if it is not physically sound.

There are however a number of features of the Soft Coated Wheaten Terrier Coat that need to be kept in mind.

The coat of the Soft Coated Wheaten Terrier is a continuous growing coat. Given that, it does not shed and if well kept does not smell. Due to these factors, it has been found that people who are allergic to other breeds of dogs are not allergic to the Soft Coated Wheaten Terrier. In the United States the Wheaten is referred to as the asthma sufferer's dog.

Texture and volume of the coat varies. The coat of the traditional Irish Soft Coated Wheaten Terrier is soft, silky, and wavy with a lustrous shine. This made it an easy coat to care for. With the development of the breed in England, Europe, and the United States the coat has shown changes with a thicker coat being more evident. Whilst many of the dogs in these countries might have a voluminous flowing coat, the texture is not as silky and as lustrous as the Irish style of coat. In Australia with the blend of Irish, American, and European lines, the texture of the coat can vary considerably between Wheatens from the one litter. It is not uncommon to see Wheatens with predominately American bloodlines with the lustrous silky Irish style coat. The various styles of flowing coats in Wheatens are neither good nor bad, just different. A thick woolly coat is however of concern.

Colour also varies from one Soft Coated Wheaten to another. Shades vary from pale to rich honey, and to reddish wheaten. There may be black tipping around the mouth and ears. A white coat is not acceptable.

It is important to be aware that the coat of a Soft Coated Wheaten Terrier is slow to mature in both texture and colour. Surprisingly, Wheatens are very dark, being almost black, at birth. As the hair grows, the colour changes along the shaft of hair to the recognisable Wheaten. It is usual to see baby Wheaten pups with black tipping. As the coat matures, the shades of wheaten can vary. It is common for a Soft Coated Wheaten Terrier to be very pale, almost white, in colour at about 12 months of age. As they mature the wheaten colour develops. Texture also changes with age. Pups can be fluffy and woolly. In some Wheatens the thick fluffy coat persists until about 3 years of age by which time the coat changes to a flowing, wavy coat. The changes in coat colour and texture in the juvenile Wheaten can first be seen at the back of the neck and then spreads over the rest of the body. An immature Soft Coated Wheaten Terrier, by that I mean a Wheaten under about 3 years, should not be penalised in the ring, if the coat is not wheaten coloured and if it is not flowing.

By far the most controversial topic when it comes to the Soft Coated Wheaten Terrier is trimming. In “The Native Dogs of Ireland” published by the Irish Kennel Club, trimming is recommended as follows: -

The ear fringes are removed, and the hair is cut close to the skull and cheeks. The fall or top-knot which is the long hair from the forehead over the eyes, is maintained at full length, down to and in many cases over, the nose. The whiskers, beard, and leg feathering are left as profuse as possible. The hair is cut close at the neck and chest and graded into the shoulders. The long body coat is neatly tipped to follow the outline of the dog.

With this approach to trimming the Soft Coated Wheaten looks like a terrier. It was a style of trimming that was functional in a working terrier. For some time, a similar approach to trimming was not followed by those showing in Great Britain where the Wheaten was not initially shown in the Terrier Group. The result was that the trimming of a Soft Coated Wheaten Terrier in Great Britain meant that they did not look like terriers, but more like a Bearded Collie. It was pleasing to see on a trip to Great Britain that, now that the Soft Coated Wheaten Terrier there

is included in the Terrier Group, they are being trimmed as terriers and more in keeping with the guidelines recommended by the Irish Kennel Club. The approach to trimming recommended by the Irish Kennel Club is also more practical in maintaining the coat of a pet Wheaten and lends itself to making the Soft Coated Wheaten Terrier glamorous for showing, in what after all is a beauty contest.

COAT CARE

As the coat is continually growing there is a need for a Wheatens coat to be trimmed on a regular basis. If they are not being shown a short trim is attractive and practical particularly in warmer areas. Combing the Wheaten on at least a weekly basis avoids the coat becoming matted.

SUITABILITY AS A PET

In general, Wheatens have a fun loving temperament with their tail usually gaily held and wagging. They are not as feisty as other terriers however will stand their ground if challenged. This makes them a good family pet. Male Wheatens are 18 to 19-1/2 inches [45.72cm – 49.78cm] at the shoulder with females a little less. They are happy exercising in a suburban back yard and also enjoy a walk. They are known to live in apartments. Their soft coat makes them a very cuddly pet that enjoys cuddling and being patted. Like any other dog the Wheaten and their owner benefit from basic obedience training. The versatility of Wheatens means that they can enjoy a number of dog sports in addition to conformation showing. These include Herding, Agility, Obedience, Flyball, Dog Diving, Nose Works, Tracking, Endurance, Lure Coursing, and Dog Dancing. They are naturally good at catching vermin with one Wheaten born in Australia being reported to have killed 14 [fourteen] rats in one night. Wheatens frequently live into their teens.

SOCIAL MEDIA UPDATE

– David Margan

It's been a tough few weeks for our social media guru, Marylu Lloyd, as she was struck down by quite a serious case of Covid, no hospital fortunately, but Marylu reckons she had all 11 symptoms of the illness.

But now back on her feet, here's the latest on our social media performance.

No doubt due to weather and endless holidays our numbers were static or in some cases showed a slight drop off.

Social media remained steady this month following the previous month which was filled with flood safety posts.

However, we still had some good results with our Facebook audience growing by another 200 followers – just short of the magic 10,000 followers we'd love for Facebook.

Instagram gained another 100 followers in the past

month now sitting at well over 1200.

Great results on Facebook for our ANZAC Day pic of Rex the memorial dog promoting our remembrance service and a general meme about dogs both reaching over 3000 people.

Instagram followers loved the #DogWorld cover of the Bernese Mountain Dog.

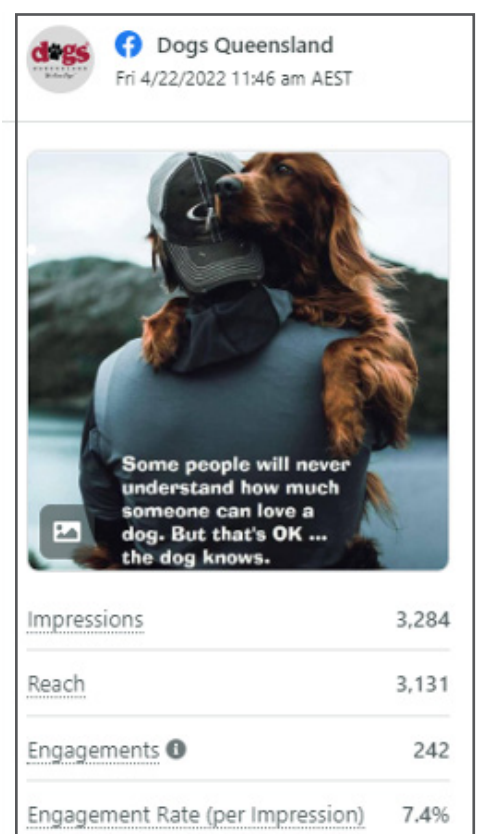

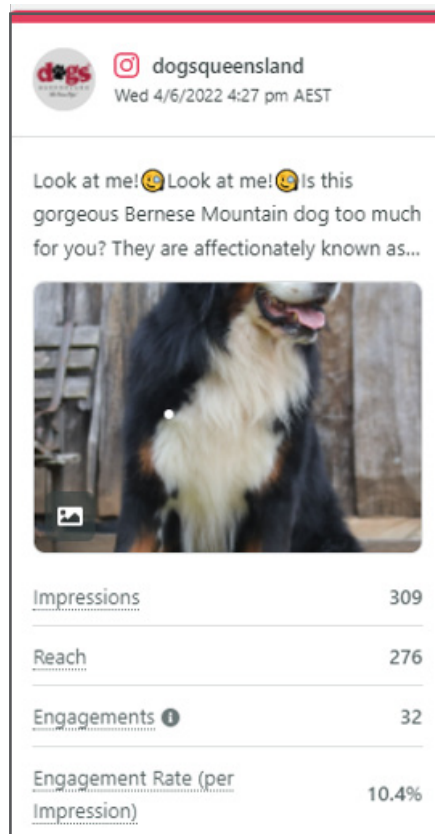

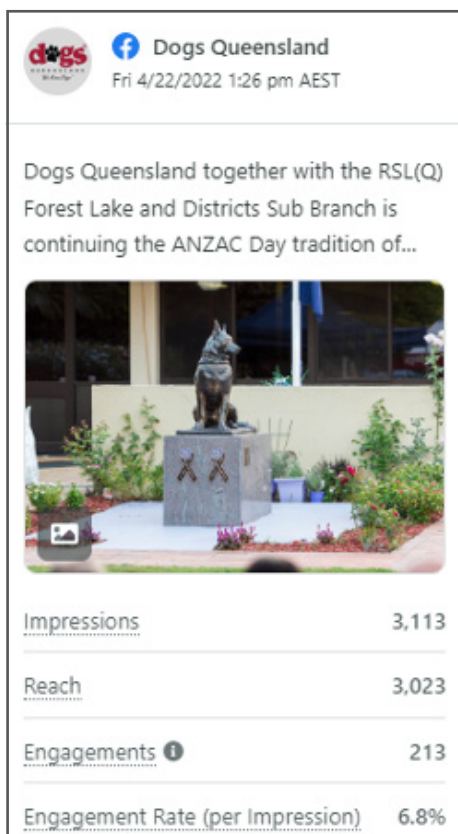

Posts that hit a chord with our audience were:

But our total Facebook audience was 9,354 which was a small increase of 0.7%.

While our Instagram Net Follower Growth was up by 7.9%.

We also had nearly 1300 video views in the past month.

Our top post for the month was 'Some people will never understand how much we love our dogs, but they know', with well over 3000 impressions.

DIRECTOR PROFILES

Gordon Mayne

– David Margan

One thing about Gordon Mayne, he just loves dogs.

He grew up with working dogs on a merino sheep farm in New South Wales. The border collies were the kings of the run but a little surprise packet by the name of Possum, an Australian Silky Terrier, more than matched them.

Jump 25 years forward and now living in Cairns, Gordon and his partner, Peter, would regularly go to dog shows in Cairns and fell in love with Cocker Spaniels and in 2012 they bought their first, a blue roan bitch named Murphy who was soon joined by Mason.

They joined the Cairns City Kennel Club to do dog training classes and since then their lives have never been the same.

While it was Dog Sports, or more particularly, Agility that drove Gordon and 'Murphy' to join Dogs Queensland it was the introduction of the Neuter Class that really got them going. 'Murphy' and 'Mason' entered their first Neuter Class Show at the Mareeba and District Kennel Club in September 2013.

Over the next six years, Murphy, Mason and Gordon would travel to shows all over north Queensland supporting clubs that had Neuter Class. By default, they became the face of neuter class in north Queensland as Gordon says: "I will always be a staunch advocate for the class. It is a great way for new exhibitors to get involved in conformation shows. But I also love the camaraderie that exists in the dog sports community. I often say, Agility is one of the few sports where you still get a cheer whether you win or lose – it's simply about participating and challenging yourself."

In 2018 with 'Murphy' and 'Mason' nearing retirement, the family has been joined by Tristan, the Portuguese Water Dog.

Gordon is a regular face, with Tristan by his side, at shows across the expansive area of Zone 3. In between this Gordon started Agility training with Tristan and plans to compete in Jumping this year.

Gordon grew up in a family which honoured the value of charity and giving back to the community, and it was the dog community that encouraged him to take on some official responsibilities.

Gordon first became involved in the Cairns City Kennel Club to project manage a \$35,000 kitchen renovation then became the club's Publicity Officer and completely rebuilt the club's website.

Now, as the President of the Cairns City Kennel Club, he still wears the publicity hat, and is leading several initiatives to improve the club's governance, funding sources (the club currently has three grant applications in progress), building community connections and most importantly creating a safe and welcoming environment.

Connecting with the club's 300+ members is very important to Gordon, whether it be by helping at trials or shows, working bees, fund raising events or regular emails and newsletters.

While doing all this Gordon has had a diverse career working in hotel management, print media and policy development with the Queensland Government and so he has had a wealth of experience in Project Management, Risk Management and Management Systems Auditing.

All this has reinforced his values of charity, customer service, consultation, planning and the importance of good governance processes.

"We may all do different things with our dogs, but our passionate love of dogs is common to all and in our increasingly diverse world we need to provide a warm welcome to all dog lovers."

Ainslie Carius

– David Margan

Ainslie Carius has been with Dogs Queensland for a long time., so long and so important has been her contribution she was made a Life Member in 2022. Her experience and service are epic.

She grew up with Basset Hounds and the family's beloved 'Ralph' began her love of dogs.

In the early 80's Ainslie joined her mother in the show ring and also competed in Junior Handlers competitions and was one of the foundation members of the Junior Kennel Club of Qld and became its inaugural secretary.

Ainslie is also a past President and Vice President of Dogs Queensland.

Ainslie has always served our canine community and she currently has many hats as President of the Yuggera Canine Club, President of The Basset Hound Club of Qld, Secretary of Gundogs and Heavy Breeds and Secretary of the Dachshund Club of Queensland.

If that's not enough to do she is also a trainee judge and is working towards gaining All Breeds status.

This is not the first time she has been a director, she previously served for 8 years and in that time took on a variety of responsibilities from Dog of the Year to the Festive Fiesta and has also served on ANKC working parties and committees.

Ainslie currently works with members of the board on the Dog of the Year Committee, Rules and Constitution Committee, Canine Health Committee, Junior Handler Committee, Dog Sports Committee and is co-coordinator of Group 4 in the judges training scheme.

In the time she has left Ms Carius is also Manager, Human Resources at QEII hospital.

But wait, there's more, Ainslie also has a Bachelor of Arts, Bachelor of Laws, a Graduate Diploma in Legal Practice and is a trained mediator. Now that's something that will come in handy.

In her nomination for Life Membership this was said of her,

"Ainslie has had an unwavering devotion and dedication to the organisation as a whole. Those who know her, would have witnessed the countless hours that she has spent undergoing thankless "behind the scenes" tasks for Dogs Queensland that got her little recognition and that the normal DQ member would not even be aware of."

I only wish I had her energy and capacity.

DOG TALES: Maggi – The Cairn Terrier

– Debi Kampaklis

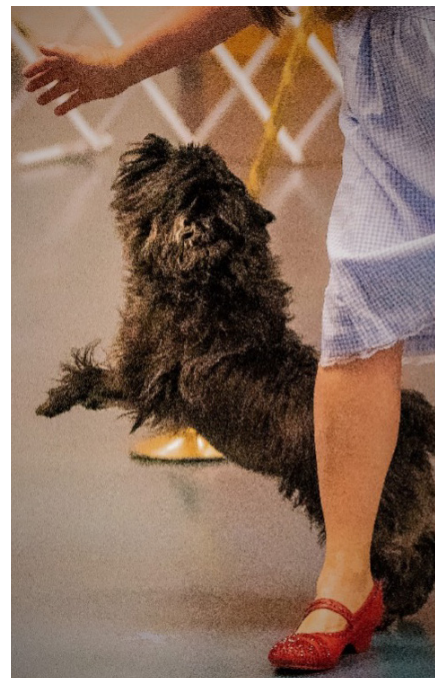

“Toto, I’ve a feeling we’re not in Kansas anymore.”
(Dorothy – 1939 Wizard of Oz film)

Dressed as Dorothy and dancing in red rhinestone shoes in swirling winds with my Cairn Terrier called Maggie to music from Wizard of Oz in October last year was surreal. Maggie’s dancing debut in the Dances With Dogs Trial ring at the age of 10 was wild.

As my first sporting dog had long retired from Agility, Obedience and Rally, Maggie (Joymont Maggie CCD RN JD AD SD GD TK.S HTM.S FS.S) had been left home couch-surfing with my husband for many years. A series of dog attacks had resulted in damage to both Maggie’s cruciates. Roll forward to the year of Covid 2020 where I worked from home, – bereft of Dog Trials for my two sporting Papillons – I kept sane with Trick Training. One day I spotted Maggie with her nose pressed up against the screen door, moving her head up and down with occasional sighs. On a whim I started to train her tricks – eventually earning a Starters title with her early in 2021. But that’s where Maggie’s story stops for a while, as I decided to change dog sports and take up Dances With Dogs with my Papillons.

With our inaugural season of Dancing With Dogs Trials almost over with my Team Dream Papillons, my husband dared me to dance with Maggie at the last competition of 2021 with music from the Wizard of Oz (given she was a Cairn Terrier – Toto’s long distant cousin). Loving a

challenge I had only 4 weeks to sort a costume, props and choreography let alone adding Maggie into the mix. The jury was out for me as she was still quite reactive to large dogs and possibly undisciplined for the dance ring. Only time would tell.

So on a hot windy October day last year as we made our way to the DWD ring as Dorothy literally swept up in a tornado with Toto at her side, I wondered if the audience would get to see what I see in my beautiful, mad Maggie. Self-doubts melted as she leapt into her basket mid ring, posed, poised and ready for action. It was a super special moment for just us, from her being my fifth and last Cairn, her exuberant work ethic and grunts of excitement to making our way in dog sport together. I struggled with tears throughout our 4 routines as she revelled in our every second together in the dance ring. Toto nonchalantly danced her little heart out to *Somewhere over the Rainbow* and *Follow the Yellow Brick Road*, earning 4 quals for her 4 routines which left me speechless.

Roll forward to February 2022: this storm trooping, tenacious Cairn Terrier graced the DWD ring in more gale force winds to not only qualify but snag dance titles in both Heelwork and Freestyle. Recently returned from competing in Victoria and the ACT in March, Maggie hit the dance floor with a new routine earning a few laughs with ‘Ding Dong the Witch is Dead’ and continues to qualify in both Dancing and Tricks with further titles ahead.

At heart my Maggie is a typical Cairn Terrier always front and centre of the action – whether that be searching for fish on the water’s edge, hunting geckos in the garden to dancing and tricking. Tripping the light fantastic in her older years, Maggie has shown me age is just a number and life is for living for this wee Cairn of mine.

FEEDING? It is many months now since Mr. Tipper changed Bluenell Kennel entirely over to Lucky Dog Dinner. These are the advantages which Mr. Tipper sees in using Lucky Dog Dinner:

- Improvement in the dog's condition—better muscle tone, better bone, more energy and better coat.
- Convenience—No trouble with supplies, and greatly reduced work in the kennel.
- Safety—No danger of hydatids and splintered bone—such common problems with country dogs fed on offal, sheep bones, etc.

TOP DOG PLASMA

TopDog Plasma specializes in unique metal artwork designs and is proudly 100% Australian owned and based in Queensland.

With over 50 Breeds and counting, Dog enthusiasts will love our popular Welcome Dog Breed signs – they are a wonderful addition to your home or property. Made with quality 2mm steel and finished in black powdercoat, the average size is 400mm wide and approx 500mm to 550mm high depending on design. they are RRP \$60-00

Processing The Metal Artwork:

Without giving too many secrets away, once the initial artwork is done, the art file has to go through several processes to make it into a readable file for the Plasma cutting program. It's like following the dots.

We place a sheet of 2mm steel on the Plasma table, decide what to cut that from this sheet of metal and program the Plasma Table for the cutting sequence.

Each Dog head takes approximately 15 to 20 minutes to cut out. Once this has been completed the Dog head is hand cleaned with a buffing disc to take off any slag (molten metal around the cuts). This can take another 10 mins.

When the piece is ready it's washed with a cleaning solution to take off any oils and dirt on the metal and allowed to dry.

It is now ready to be powder coated (a technique, unlike liquid paint). It is applied using a powder to an electrified piece of steel and cured in an oven at 200 degrees for approximately 20mins and left to cool. The powder coated finish is extremely strong and durable.

Each Dog head takes nearly an hour from start to finish and is made with love, then off to be sold. Black Powdercoat RRP \$60-00

Tracking Dog Level 1 Only Trial

The Gympie Dog Obedience Club Inc held a Tracking Dog Level 1 only Trial. We had decided to do this as a way of helping new people learn about the sport of Dog Tracking. Tracking, unlike other dog sports, involves the participation of those entered not only as a handler but also as tracklayers and stewards.

There were 9 dogs entered as well as several new people who didn't enter but came to see how a Tracking Trial works. Alongside the new people we had a strong team of experienced people to help make the event run smoothly.

The aim of the trial was to allow new teams to participate in the sport without the stress of a large open trial and to help them learn the skills necessary to be a proficient tracklayer and steward as well as a giving them the opportunity to run their dogs.

As this was a Training Trial, we used experienced mentors for our trainee stewards and tracklayers so they could clearly learn their roles.

Level 1 track is 400 metres with 2 corners and a 20

minute delay. The tracklayer is a known person.

The day before the start of the trial tracks are set by the judge, mapped by the steward and marked with poles by the tracklayer.

The trial starts with a muster where the judge checks each handlers harness and lead to make sure they are suitable for tracking and the articles that the tracklayer will use on the track.

Getting new people used to this procedure was an important part of the weekend and by the second day everyone understood what was expected.

7 of our 9 entries qualified and the team showcased above qualified with a grading of excellent.

Gympie felt this event was a great success and hope to continue with it into the future.

Breeder Alert – Puppy Scam Websites

Dogs Queensland has become increasingly aware of Puppy Scam Websites using legitimate Dogs Queensland Registration and Queensland Breeder Identification (BIN) Numbers to sell puppies. Dogs Queensland Registration Numbers are obtained from legitimate websites such as Dogs Queensland or DogzOnline, where they are displayed as required by the Queensland Government.

Please see the [Queensland Dog Breeder Fact Sheets](#) for regulations and guidelines for Queensland Dog Breeders.

An example of a typical scam is:

- A Dogs Queensland Membership number is lifted from current advertising on the internet.
- The scammer researches and obtains personal details of the breeder including name, suburb, prefix.
- A domain name similar to the Kennel prefix is registered on an offshore registry.
- Once the breeder has ceased advertising the litter of puppies a new website is published.
- No physical address or phone numbers are advertised on the website.
- The seller avoids permitting you to physically see the cyber puppy and only sends non genuine pictures.
- The seller insists on only accepting payment by a crypto currency or a funds transfer.

As a breeder what can you do to avoid being an unknowing victim of a Puppy Scam:

- Regularly Google search the internet for websites using a similar Domain Name as your Prefix.
- Put a warning notification in your online advertising to alert buyers to check any website they are looking at is legitimate.
- Encourage puppy buyers to verify breeder information with Dogs Queensland and make direct in-person contact with you.
- Ensure puppy buyers check communications are made with verified contact details.
- Encourage puppy buyers to meet the puppy and breeder before handing over payments.

As a buyer what can you do to avoid being a victim of a Puppy Scam:

- Verify breeder information with Dogs Queensland.
- Ensure communications are made to verified contact details.
- Meet the puppy and breeder before handing over payments.
- If paying online, use a credit card or PayPal where you have a degree of buyer protection.
- Check website is an established site with a website security certificate.
- Avoid websites without physical address or phone numbers.
- Ask for proof, including ANKC registration papers and veterinary health records for any puppy.

Importantly you should report any suspect sites or advertising to the [ACCC ScamWatch](#) website. Please let us know about any suspect websites too by contacting Dogs Queensland on 3252 2661 or by email at info@dogsqueensland.org.au.

The Yuggera Canine Club and Dogs Queensland are excited to announce the Championship Show on Friday 10 June 2022 is approved as an official FCI A20 Show and is eligible to award A20 CAC's (Challenge Certificates).

Many FCI countries around the world award 'Regional Titles', for example in the FCI Americas Section there are regional titles such as Pan American Champion and Latin America Champion.

The regional Australian FCI title is the Asia, Africa & Oceania Champion, in the short form FCI A20 Champion (FCI A20 Ch.), which came into effect 17 June 2019.

Due to the structure of the ANKC and the way individual State Bodies manage and run their own affairs, dispensation is given to Australian exhibitors to qualify for FCI A20 Section titles in that A20 CAC's won in different countries be replaced with Individual States counting as different countries.

Requirements to attain Asia, Africa & Oceania Champion Titles in Australia:

To obtain the title of Asia, Africa & Oceania Champion: A dog/ bitch who is already an Australian Champion or Champion of an FCI member country, must win FOUR A20CS CAC's dog/bitch at any FCI A20 Championship Show (A20CS) organised by any of the ANKC State bodies or approved Clubs within the State.

To obtain the title of Asia, Africa & Oceania Grand Champion:

A dog/bitch who is already an Australian Champion or Champion of an FCI member country, must win EIGHT A20CS CAC's dog/ bitch at any FCI A20 Championship Show (A20CS) organised by any of the ANKC State bodies or approved Clubs within the State. At least TWO of the Eight A20CS CAC must be won in different States of Australia.

To obtain the title of Asia, Africa & Oceania Supreme Champion:

A dog/bitch who is already an Australian Champion or Champion of an FCI member country, must win TWELVE A20CS CAC's dog/bitch at any FCI A20 Championship Show (A20CS) organised by any of the ANKC State bodies or approved Clubs within the State PLUS win a BIS1 (Best in Show 1) at an A20CS. At least THREE of the twelve A20CS CAC's must be won in different States of Australia.

Awarding of A20CS CAC's

The A20CS CAC's are awarded to the Best Dog & Best Bitch OR Dog CAC & Bitch CAC at a Championship Show. The Show does not have to be a CACIB/International Show and the awarding of the A20CS CAC's follow the ANKC Rules with the regards to the awarding of the Best Dog & Best Bitch OR Dog CAC & Bitch CAC.

Eukanuba™

THAT'S A EUKANUBA™ DOG.

Unleash the extraordinary in your dog

For the last 50 years, we've used the power of nutritional science to fuel dogs' athletic abilities and unleash their full potential.

Whether your dog is a show dog, used for breeding, a working professional or a family companion, body condition, nutrition and the environment will influence health and performance throughout their lifetime.

We're driven by the idea that nutrition, dogs' lives and performance can always be improved. That's often meant our formulas have broken new ground. We were the first to use beet pulp and key prebiotics to help optimise digestion, the first to use specific levels of omega-6 and omega-3 fatty acids to help support skin and coat health and we created an antioxidant blend to support immune function and post-exercise recovery. The list of breakthroughs goes on — and our commitment to making the best performance nutrition will as well.
