## President's Message

“We have seen our dog world ramping up with an array of conformation shows and dog sports events happening in Queensland and inter-state. As I type this message this is the week for the Rottweiler National on our grounds. I have no doubt that this will be a successful event and I wish all the participants and organisers well. Great to see both conformation and dog sports events catered for.

We are entering those spectacular winter months here in Queensland and let's hope that some long sunny days with crisp nights continue. The Durack grounds look an absolute picture and that is the result of much hard work by our DQ grounds staff and volunteers. A big thank you to them and also to our Grounds Committee members.

Final finishing touches are happening with our lure coursing field. Do have a look at the field on the right as you drive in. I cannot believe how the levelling and use of quality fill has expanded the look and utility of this land. A big thank you to Craig Drury and to the clubs and Grounds Committee for the hard work in making that happen.

### Mandatory DNA Testing

At the Board Meeting on 27th June, the Board discussed at length the need for Dogs Queensland to continue to be the gold standard in the breeding of pure bred dogs.

As a further step, the Board is keen to introduce a measure whereby any litter whelped on 1st January 2023 or after would require DNA Profile for Parentage – i.e. DNA Profiles of the Sire, the Dam and all puppies. So this would be mandatory for both Main and Limited Register dogs.

If any Member wishes to provide a submission on this proposed process change they are invited to do so and have their submission tabled at the July Board Meeting when the matter will be further considered. Submissions would need to be lodged no later than COB 20th July 2022.

### The Ekka

August brings the Ekka with a bonus second dog

show this year. Great to see this happening in 2022 after cancellations with Covid.

Make sure you get those entries in! Entries close at 5pm on Friday 8 July 2022 with entries being \$30 for RNA members and \$35 for non-RNA members.

There is ambit to lodge a late entry after 5pm on Friday 8 July 2022 for a week up to Friday 15 July 2022 but the cost of an entry during that period is \$75. So don't delay with those entries!

Dogs Queensland is going to have a well-located presence with good traffic flow at the Ekka close to the rings and spectator stand. Barbara in the office has done a wonderful job sourcing great things for the Dogs Queensland Ekka bags. We will be looking for volunteers shortly both for an Ekka bag working bee at Durack and also for the DQ stand at the Ekka. So, look out for updates in Paw Prints.

### **Presidents, Secretaries and Treasurers Meeting on Monday 11 July 2022 at 7pm**

This annual meeting will be held at the Clubhouse, and we are looking at zoom being available for our regional people and those who would like to avoid the drive to Durack. Remember, this is for the executive of all our affiliated clubs so that includes our dog sports clubs as well as our All-Breeds Clubs and Specialty Breed Clubs.

Those club representatives who would like to participate in this meeting should contact the office. This meeting is a great forum to raise issues for clubs and also to share information about productive initiatives.

### **Dogs Australia (ANKC Ltd) meeting**

Dogs Queensland has two of its own directors on the board of our national body. Currently that is Mrs Barb Murfet and I. We have been having three meetings a year and with Covid that has been by Zoom. Most recently we had a Zoom meeting on Saturday 18 June 2022. The minutes from that meeting will issue soon and I will give members an update on important outcomes from that meeting. It was agreed that the next meeting on 15 and 16 October 2022 will be face to face and that it will be held in Sydney with the State and Territory administrators meeting on the Friday 14 October 2022.

### **Undercover arena at Durack**

Over the years I have attended dog shows held by the Bundaberg Kennel Club in their fabulous

equestrian facility. I also visited the smaller but very effective open sided undercover arena at Morayfield a few years back. Most recently I drove to Kilkivan for one day of the well-run Gympie Kennel Club show weekend also held in an equestrian facility. That was a week marked by torrential rain and the use of that undercover facility saved the show weekend.

A number of people asked me when we were going to build such a useful facility at Durack. I think that this has been something on the back burner for quite a while.

Even without the wet, an undercover facility would be so welcome in our subtropical climate. As I see it, it could be built in stages with the sides left open but the roof giving protection from the sun and elements. Others may have a different view, but I think it could be sited on the other side of the internal road where rings 11 to 16 are located.

In any event, I would like to see a dynamic committee formed to look at the following:-

- Establishing a fundraising initiative
- Investigating possible government and related grants
- Possible industry partnerships
- The development of options with draft plans and costings.

If you have skills in any of these areas and would like to make a contribution in progressing these initiatives, please contact Rob in the office.

I hope these winter months bring you many happy times with your dogs. ”

*Ulla Greenwood,  
President Dogs Queensland  
27 June 2022*

# Board Notes – July 2022

## DOGS QUEENSLAND SUBMISSION TO STATE DEVELOPMENT AND REGIONAL INDUSTRIES COMMITTEE

Dogs Queensland has reviewed the Animal Care and Protection Amendment Bill 2022 (the Bill) and the proposed amendments to the Animal Care and Protection Act 2001 (the Act), with a particular focus on matters related to dogs, and provided the following submissions in response.

To view the submission, click [here](#).

## FRENCH BULLDOG BREED STANDARD – AMENDMENT

Dogs Australia have received advice that the Kennel Club (UK) has amended the breed standard for the French Bulldog and the following changes have been confirmed by the National Breed Standards Coordination Group Chairperson, Marie Merchant.

### Head And Skull:

Head square in appearance and in proportion to dog's size. Skull nearly flat between ears, domed forehead. The skin covering the skull and forehead should be supple enough to allow fine wrinkling when the dog is alert. Well defined muzzle, **that can clearly be viewed in profile**, broad, deep and set back, muscles of cheeks well developed. Stop well defined. Lower jaw deep, square, broad, slightly undershot and turned up. Nose black and wide, relatively short, with visibly open nostrils and line between well defined. Lips black, thick, meeting each other in centre, completely hiding teeth. Upper lip covers lower on each side with plenty of cushion, never so exaggerated as to hang too much below level of lower jaw.

### Eyes:

Preferably dark and matching. Moderate size, round, neither sunken or prominent, showing no white when looking straight forward; set **moderately** relatively wide apart and on the same level as the stop.

### Neck:

Powerful, well-arched and **thick**, of moderate length.

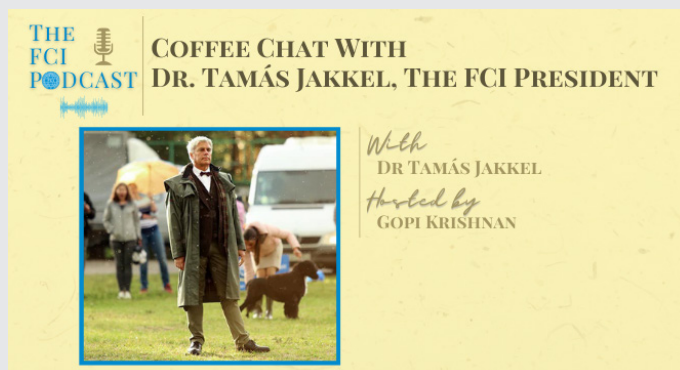

[The word “thick” is removed]

### Tail:

Undocked, ~~short~~, set low. Thick at root, tapering quickly towards tip, preferably straight and long enough to cover anus. Never curling over back no carried gaily.

[The word “short” is removed]

## FCI PODCAST: COFFEE WITH DR TAMÁS JAKKEL, THE FCI PRESIDENT

Many people know the position Dr Tamás Jakkel holds as FCI President and thus define him by that position only.

Other people who have had the privilege to chat with him, know Tamás the individual, the dog lover, breeder, and judge.

In this virtual coffee chat, Gopi Krishnan has a casual chit chat with Tamás on a variety of topics from his personal likes and dislikes, to his views on certain topics about the dog world and of course the FCI, which he has headed as President for the last three years.

[https://www.youtube.com/watch?v=Gun\\_ijipKZ8&ab\\_channel=FCIforYOUTube](https://www.youtube.com/watch?v=Gun_ijipKZ8&ab_channel=FCIforYOUTube)

## FCI PODCAST: FCI PRESIDENTIAL INTERVIEW 2022

The annual FCI Presidential Interview with Dr Tamás Jakkel covers the accomplished projects

of the last year, the current challenges in the dog world and their possible solutions, and the plans, predictions, and concerns for the upcoming year.

[https://www.youtube.com/watch?v=kWjDI-Niu88&ab\\_channel=FCIforYOUtube](https://www.youtube.com/watch?v=kWjDI-Niu88&ab_channel=FCIforYOUtube)

### FCI NEWS: 16 JUNE 2022

Dogs Australia are thrilled to announce the publication of the first two documents created by the FCI Committee for Dog Welfare and Health with the titles.

- What Does Responsible Breeding Mean?
- Why Choose a National Canine Organisation Registered Breeder?

It is needless to present an in-depth explanation of the importance of dog welfare related matters and their connection to our activities.

These documents—and the upcoming ones—target the everyday dog keeper, presenting complex materials related to responsible dog keeping to prevent dog welfare matters and better understand the importance of registered breeding.

The documents are published on the FCI website (<http://www.fci.be/en/Welfare-well-being-and-protection-for-pedigree-dogs-worldwide-1291.html>) and promoted on our social media channels.

[What Does Responsible Breeding Mean?](#)

[Why Choose A National Canine Organisation Registered Breeder?](#)

### 2024 NATIONAL SHOW / RESTRICTED TRIALS: LABRADOR RETRIEVER CLUB OF SA INC

Dogs Australia are pleased to advise the approval of the application received from the Labrador Retriever Club of SA Inc to conduct the 2024 National Show with Restricted Obedience Trial and Restricted RATG Trial on the 19 to 21 July 2024 at the David Roche Park, Cromwell Road, Kilburn, South Australia.

### NOTES FROM THE LITTER DEPARTMENT

Breeders are required to submit their Litter Applications when the Orivet DNA Parentage Verification reports have been finalised and received from Orivet.

Litters that are received by Dogs Queensland without the DNA Parentage finalised will be subject to the \$10 Litter Sendback Fee.

### RULES FOR THE CONDUCT OF AGILITY TRIALS - TEMPORARY MODIFICATIONS

Dogs Queensland advise that the temporary modifications as outlined below remain in place.

*Current Rule:*

7.2.1 On the Steward's call of the dog's catalogue number, the Handler will enter the ring via the entry point, with the dog on lead and follow the Steward's and/or Judge's instructions. The lead and harness or head collar must be removed, the collar may be removed and all items handed to a Steward.

*The temporary modified Rule:*

'7.2.1 On the Steward's call of the dog's catalogue number, the Handler will enter the ring via the entry point, with the dog on lead and follow the Steward's and/or Judge's instructions. **The lead will be removed, the collar may be removed. The Handler will either place the lead/collar in a pocket whilst running the course or wear it on them (e.g. clipped around their waist like a belt). If any of these items fall to the ground or the dog grabs the lead while running the course this will result in a DQ. The lead/collar must be inaudible and if not this will result in a DQ.'**

Leaving out 'harness or head collar' was based on discussions about modern 'active' wear doesn't usually have pockets. As such these large and sometimes heavy items could not be 'stored' on the handler with ease. This is also to prevent them from falling on the ground and becoming a trip hazard as well as to prevent the possibility of the spread of Covid-19 should it be present either on the equipment or the ground.

### CONFORMATION JUDGES COMMITTEE: FEE AMENDMENT 2022 - 2023

Conformation Judges Training fees for the 2022 - 2023 intake:

- Entrance exam for first time applicants \$55
- Application to attend Group theory lectures and exams, for four sub groups \$200. This is to be paid upfront prior to the commencement of lectures (this fee is non refundable)
- Re-sit a sub group theory exam \$50 on a per exam basis
- Hands On exam \$60

# Board Notes – July 2022

## DIRECTOR ELECTIONS 22/23 – DRAFT TIMETABLE

For any Member thinking of standing for election to the Board, the approximate timetable is below.

Election Notice Release – Monday 10 October 2022

Nominations Open – Friday 11 November 2022

Nominations Close – Friday 9 December 2022

Resumes Booklet Released on Monday 12 December 2022

Ballot Opens – Friday 20 January 2023

Ballot Closes – Monday 20 February 2023

Additionally, prior to any appointment, all potential Directors must have a Director ID number and a valid Blue Card, details of how to apply for both are below.

### ***New ASIC Requirements – Director Identification Numbers***

*Director identification number (Director ID) is a new requirement for all company Directors, designed to help combat illegal activity by making it easier to trace Directors' relationships with companies. Directors can apply for their Director ID from November 2021 on the new Australian Business Registry Services (ABRS).*

#### ***How Director ID works:***

*A Director ID is a 15-digit identifier given to a Director (or someone who intends to become a Director) who has verified their identity with ABRS.*

*Directors will only ever have one Director ID. It will be kept forever even if you:*

- *Change companies*
- *Stop being a Director*
- *Change your name*
- *Move interstate or overseas.*

#### ***Who needs to apply and when:***

*Anyone currently, or planning on becoming, a Director of a Company.*

*When you must apply for your Director ID depends on the date you become a Director:*

<i>Date you become a Director:</i>	<i>Date you must apply</i>
<i>On or before 31 October 2021:</i>	<i>By 30 November 2022</i>
<i>Between 1 November 2021 and 4 April 2022:</i>	<i>Within 28 days of appointment</i>
<i>From 5 April 2022:</i>	<i>Before appointment</i>

#### ***Verifying your identity & applying for a Director ID:***

*All Directors need to apply for their own Director ID. The fastest and easiest way to do this is to apply online via your myGovID.*

*When you receive your ID you will need to pass it on to your company record-holder.*

*No company can be formed or altered without all Directors having a Director ID.*

*From November 2021 you can log in to ABRS at [www.abrs.gov.au](http://www.abrs.gov.au) to apply.*

Dear Member,

The Dogs Queensland Board has recently looked the provision of Blue Cards for our Volunteers, especially our Junior Handler Judges.

All Junior Handler Judges will now be required to have Blue Cards, as will all Directors and Junior Handler Committee Members.

Any Junior Handler event held will require the Judge to have a valid Blue Card for all events conducted after 1 October 2021.

If you already have a Blue Card, please provide your Blue Card Number and Date of Birth to Dogs Queensland, if not, this is the process to follow.

What you need before applying for a Blue Card

Blue Card Services work with the Department of Transport and Main Roads (TMR) to verify your identity and obtain the photo for your blue/exemption card.

You will need a customer reference number (CRN) from TMR before you apply for your blue card.

You can find this number on any product TMR has issued to you, such as:

- a driver licence
- marine licence indicator
- photo identity card
- industry authority

If your photo was taken more than 6 years and 9 months ago, you will need to have a new photo taken at a TMR service centre.

If you are coming from interstate or overseas, the fastest and easiest way to get a CRN is to visit a TMR service centre when you arrive in Queensland. If you have the necessary ID documentation, TMR can take your photo and issue your CRN while you wait. You can then apply online for your blue card.

You will also need the email address associated with your TMR account.

To check these details Log into your TMR Account - <https://www.service.transport.qld.gov.au/tmrportal>

### **Step 1**

Blue Card - Apply online Register for an online account

You will need to register for a Blue Card Services online account before you can apply for your blue or exemption card. You only need to register once.

### **Step 2**

You will receive an email from Blue Card with your Account Number – please email this number along with your Date of Birth to [toni@dogsqueensland.org.au](mailto:toni@dogsqueensland.org.au).

### **Step 3**

Wait for another email from Blue Card to notify that you have been linked to Dogs Queensland.

### **Step 4**

Once Dogs Queensland has linked your account, you must log in to the online applicant portal to apply for or renew your card.

### **Apply for Blue Card using the Portal**

You will receive another email from Blue Card with a Reference Number advising you that your application has been lodged.

# SHAR-PEI

*The Shar-Pei is a loyal and very loving companion who are adaptable to almost any situation, although they prefer to be in the company of their owners inside the home.*

*Shar-Pei (literal translation from Cantonese) is 'sand skin' which refers to the short rough coat texture that is typical of the breed.*

### **HISTORY OF THE SHAR-PEI**

This ancient breed has its foundations as far back as 206 BC in a small town named Dah Let in the South China Province of Kwong Dong. As evidenced in the ancient tombs from around 2000 years ago, archaeologists discovered statues bearing the likeness of the Shar-Pei. Clearly, the Shar-Pei has known foundations as a Temple dog however history shows this breed to be better known as a Chinese fighting dog. These dogs were multi-purpose working farm dogs that were used for hunting, tracking, herding, protecting livestock and as basic guard dogs.

Following the Chinese revolution in the 1940's communism was born. The new communist China imposed harsh taxes on the keeping of multiple dogs as this was a luxury. This ultimately led to the Shar-Pei becoming an endangered breed. In 1978 the Guinness Book of Records listed the Shar-Pei as "The world's rarest dog".

In the early 1970's this rare and ancient breed was bought out of virtual extinction by the breed's saviour Mr Matgo Law. Following a letter written to an American magazine by Mr Law, he pleaded to those who might be willing to pick up the challenge of rescuing the Shar-Pei from potential extinction. There was tremendous response from over 200 American dog enthusiasts that took up the challenge to save the breed.

### **THE STANDARD AND GENERAL APPEARANCE**

An alert compact dog of medium size and substance. The Shar-Pei should be square, close coupled and has a well-proportioned head in line with the body. Other characteristics include distinctive lavender to blue-black tongue, relatively loose skin on head and over shoulders, small ears, "hippopotamus" muzzle shape, high set tail and compact well knuckled toes.

### **TRADITIONAL VS MODERN**

It is widely thought that the original type of Shar-Pei is commonly known as the "Bone Mouth". The traditional look had much fewer wrinkles, roof-tile muzzle, pointed tail and short hair (sandpaper type coat). The modern day Shar-Pei as we know it "The Western Meat Mouth" is a melting pot of integrating

other breeds such as the Bull Mastiff, Chow Chow, British Bulldog, Boxer and the Bull Terrier.

In contrast the "Western Meat Mouth" has a heavier muzzle (hippopotamus look) with meaty padding on top and generally has longer hair (Brush Coat).

### **COAT TYPES**

Horse coat – extremely short with a course sandy feel. Brush coat – must not exceed more than 2.5 cm at the withers and should still feel course and be off-standing. It is unacceptable and considered a major flaw to have a soft or wavy coat that exceeds 2.5 cm at the withers.

Shar-Pei are one of those breeds whose appearance is quite unique. They are abundant in wrinkles, and they have a broad hippopotamus muzzle which creates a serene but powerful appearance. Apart from these traits, they also come in a varied array of colours.

The below table gives a snapshot of colours that are accepted world-wide, however in Australia only some of these apply.

KENNEL CLUB	ACCEPTABLE COAT COLOURS
Australia (ANKC)	<p>Fawn, Red Fawn, Red, Mahogany, Black, Brown, Chocolate, Blue, Lilac, Cream, Cream Pigmented, Isabella, Five Point Red</p> <p>All above colours must be solid in coat colour, often having a darker shading along the dorsal and ears.</p> <p>Currently, sable is not acceptable as it is not seen as a solid coat colour.</p>
American Kennel Club (AKC)	<p>Recognized colours are Apricot Dilute, Black, Black Sable, Blue, Blue Dilute, Brown, Chocolate, Cream, Cream Dilute, Cream Sable, Fawn, Fawn Sable, Five-Point “Red Dilute, Isabella Dilute, Lilac Dilute, Red, Red Fawn, and Red Sable.” (“Shar-Pei Colours: All 21 Coat Colours Explained With Pictures”) Meanwhile, Blue Sable, Brown Sable, and White are considered non-standard.</p>
Canadian Kennel Club (CKC)	<p>Solid and Sable are acceptable.</p>
Federation Cynologique Internationale (FCI)	<p>All solid colours except white. Darker shading on the ears and back is permissible. Tail and rear tights are usually lighter.</p>

## GENERAL APPEARANCE

Alert, active, compact, short-coupled, squarely built. Dogs larger and more powerful than bitches.

## CHARACTERISTICS

Relatively loose skin, frowning expression, harsh bristly coat.

## TEMPERAMENT

Calm, independent, affectionate, and devoted to their family/owners.

## HEAD AND SKULL

Relatively large but not disproportionate to the body, skull flat, broad, moderate stop. Length from nose to stop approximately equal to length from stop to occiput. Moderate wrinkle on forehead and cheeks. Muzzle moderately broad and full with no suggestion of tapering. The lips and top of muzzle may be slightly padded. When viewed from front, bottom jaw appears wider than top. Nose large, wide, preferably black but any colour conforming to general coat colour permissible.

## EYES

Dark, medium size, almond-shaped with frowning expression. Amber and lighter colours permissible in paler shades. Function of eyeball or lid in no way disturbed by surrounding skin, folds or hair. (*"Breed Standard | SPCGB"*) "Any sign of irritation of eyeball, conjunctiva or eyelids highly undesirable." Free from entropion.

## EARS

Very small, rather thick, equilaterally triangular in shape, slightly rounded at tip, and set high on the skull with tips pointing towards eyes, set well forward over eyes, wide apart and close to skull. The tips and edges may turn up. Pricked ears are highly undesirable.

## MOUTH

Tongue, roof of mouth, gums and flews: solid bluish black is preferred. Solid pink tongue undesirable. Dogs with self-coloured pigment and amber or light brown eyes would be expected to have a lavender tongue. Teeth strong, with a perfect, regular and complete scissor bite, i.e., upper teeth closely overlapping lower teeth and set square to the jaws. "Padding of lower lip should not be so excessive so

as to interfere with the bite."

## NECK

Medium length, strong, full; set well on shoulders, with some loose skin under neck permitted, but this should not be excessive."

## FOREQUARTERS

Shoulders muscular, well laid and sloping. Elbows close to the body. Forelegs straight, moderate length, good bone; pasterns slightly sloping, strong and flexible. Forelegs completely wrinkle free when mature.

## BODY

Height at withers approximately equal to the length from point of shoulders to point of buttock. Depth of brisket approximately half of height at withers. Chest broad and deep, underline rising slightly under loin; back short, strong. Topline dips slightly behind withers then rises over short, broad loin. Adult dogs should display moderate wrinkling over shoulders and base of tail. Excessive skin on body when mature highly undesirable.

## HINDQUARTERS

Muscular, strong; moderately angulated; hocks well let down without excessive wrinkling or thickening."

## FEET

Moderate size, compact, toes well knuckled.

## TAIL

Rounded, narrowing to fine point, base set very high. May be carried high and curved, carried in tight curl, or curved over. Lack of, or incomplete, tail

highly undesirable.

#### **GAIT/MOVEMENT**

Free, vigorous and balanced, rear single tracking is normal at a fast trot, stilted gait undesirable.”

#### **COAT**

Extremely harsh coat straight and off-standing on the body but flatter on the limbs.” No undercoat. Length varies from short and bristly, under half an inch (1.25cm) or longer and thicker, between half an inch (1.25cm) and one inch (2.5cm), but still off standing and harsh to the touch. N.B: no particular coat length within the accepted length should be preferred above the other. Never trimmed.

#### **COLOUR**

All Solid colours except white are acceptable. Frequently shaded on tail and back of thighs with lighter colour.

#### **SIZE**

Height: 46-51 cms (18-20 ins) at withers.

#### **FAULTS**

Any departure from the foregoing points should be

considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.

#### **NOTES**

Male animals should have two apparently normal testicles fully descended into the scrotum.

#### **HEALTH AND WELL-BEING**

The health and well-being of a Shar-Pei is largely determined by providing a well-balanced and nutritional diet that supports Healthy skin/coat brain development, eyes, bone density/strength, stamina, metabolism, dental care. Fundamental to this breed is a diet which is predominately made up from either chicken or fish. Many brands of dog kibble do contain both these basic ingredients however, the quality and grades do vary. The essential ingredients are as follows:

- No more than 22% protein (chicken or fish)
- Omega 3,6,9 fish oils
- Whole brown rice
- Vitamins and minerals

**Dr Scott Norman BVSc PhD DACT**

Registered specialist - veterinary reproduction

**Dr Jennifer Larsen BVBIol BVSc**

**Ph (07) 3204 4332**

1474 Anzac Ave Kallangur 4503

Certain ingredients to avoid are as these are cheap fillers and offer no real nutritional value. Some of these include but are not limited to.

- Soy based products
- Wheat bran and Corn gluten
- Beet pulp

Some side effects of a poor nutritional diet are excessive shedding, dandruff, loose stools, gassiness, itchy skin. Never feed a Shar-Pei red meat as this can lead to skin problems.

Other factors to consider with this breed regarding their health and well-being are eyes, ears and moderate exercise.

### EARS

Closed ears and small canals often lead to bacterial and yeast infections therefore regular and thorough cleansing is required.

### EYES

As this breed can be susceptible to Entropion (eyelash rolling inwards) regular monitoring of the eyes is imperative to identify any irritation before leading to a more serious medical condition.

### EXERCISE

The Shar-Pei requires only moderate daily exercise to maintain healthy muscle condition and mental alertness. This might consist of several short walks/runs, throwing a ball and general backyard fun. This makes them a versatile breed suitable for individuals or families looking for a low-medium maintenance dog.

### SUITABILITY

The Shar-Pei is a loyal and very loving companion who are adaptable to almost any situation, although they prefer to be in the company of their owners inside the home. As they do not require a great deal of exercise, they are comfortable to live in everything from a small unit to a large farmhouse as long as they are surrounded by love and assurance.

The Shar-Pei is best suited to living with their own kind as they can be misunderstood due to the way they interact and play which is almost completely different to most other breeds.

They are a very family orientated breed with a natural propensity to be protective. All in all, they make a great family pet.

# Endurance Trial 22 May 2022

Congratulations to the Belgian Shepherd Club on a successful Endurance Trial held at Durack on the 22 May this year.

With enduring non-stop rain, water lapping the sides of the roads, much of the grounds unusable and dog shows cancelled, The Belgian Shepherd Club forged on to be the only event held at Durack on this very wet weekend.

The grounds were deemed safe and suitable for the Endurance Trial after a last minute inspection and although the rain continued, the dogs enjoyed the cooler temperature. All eight competitors and dogs completed the course successfully even though they were handicapped with mud splatter from time to time.

# The Pup Cup Dog Grooming Competition

The 'Mini' Pup Cup Dog Grooming Competition was held on the 4 and 5 June 2022 at Dogs Queensland.

The event was put together in haste when a plea for a Queensland dog grooming competition was requested by northern groomers.

Jazz Fitzgerald, the event coordinator from Coffs Harbour, NSW along with many wonderful sponsors gifted a 'mini' event which, in spite of the name, delivered 86 competitors across the weekend. The Pup Cup enticed groomers to travel from as far as Melbourne, Canberra and Cairns.

The Pup Cup was created to bring pet industry related companies, professional pet groomers and dog show exhibitors together to network, showcase a range of

expertise and award placings in a positive and relaxed environment.

From mixed breeds, purebreds and fake dogs, the skills on show dazzled our wonderful judge, Naomi Conroy.

Congratulations to all who attended and

competed at the 'not so mini' event.

- Monique Finch was awarded BEST IN SHOW with a stunning Kerry Blue Terrier breed trim.
- Kathy Mankey was awarded RUNNER UP BEST IN SHOW with a gorgeous West Highland Terrier breed trim.
- Jessica Chard was awarded BEST ALL ROUND GROOMER and Molly Lambourn was awarded BEGINNER BEST IN SHOW.

Thank you to all who made this event a success from the grounds and canteen staff at Dogs QLD, our stall holders, Jolene Turnbull (our welcoming steward) and Sponsors: DGS Imports, James Bennett Grooming Academy, Plush Puppy, Ashley Craig Grooming Australia, Pink Paws Pet Ties, Groomer Nation, Petway Petcare, Mousehole Grooming Scissors, Call Sharpening, Medicpet Australia, Gubba's Dog Dens, Secret Weapon Australia and VonHound & Friends.

## UPCOMING BREED FEATURES

Dogs Queensland is offering all breeders the opportunity to advertise in the Dog World magazine Breed Features at the discounted rate of \$100 for 1/4 page.

The following dog breeds are planned for the coming months:

August 2022: Biewer Terrier  
September 2022: Irish Wolfhound

For more information or to book an advertisement, email  
[barbara@dogsqueensland.org.au](mailto:barbara@dogsqueensland.org.au)

## Junior Handler Reminder

A reminder to all Junior Handlers and Parents that to compete in the Junior Handler State Final in October 2022, the Junior Handler must be a Junior Member. Membership is free to become a Junior Member – simply download the Membership form (link below) and return to Dogs Queensland.

[JUNIOR MEMBERSHIP FORM](#)

# MEDIA UPDATE

– Marylu Lloyd

There's been quite a bit of engagement with our social media posts this month! We've seen our audience grow by 30 percent overall - which brings our Facebook followers to just over 9300 and 1324 Instagram followers which puts us over 10,600 followers on both platforms combined.

Our reach has increased by 42 per cent and page likes are up by 106 per cent this month. The star of the month was the Facebook post about Junior Handler Hudson McKillop-Davies and his family's story by David Margan that appeared in this month's Dog World magazine reaching over 3500 people with 382 engagements. Running closely behind was this month's Dog World Kelpie feature which also ran on both Facebook and Instagram as a post and story.

## DOG LOVERS RARE OPPORTUNITY FOR HOME BUSINESS

56 DOGS AND 36 CATS BOARDING AND BREEDING

3 BEDS | 1 BATH | 2 CAR | 2.08HA | ACREAGE / SEMI-RURAL

### INTEREST OVER \$1.6 MILLION

975 Chambers Flat Road, Chambers Flat

Here is what this well established and successful business and acreage living opportunity has to offer, If you are looking for a great lifestyle and business opportunity to get in on the very lucrative and rapidly growing pet industry this one might be what you have been dreaming of.

There is a fully council approved 23 metre x 14 metre Besser Block Building with insulation, power and water plus a 1.9 metre and 3.2 metre covered verandah on the ends. Inside are 56 individual steel and mesh pens and a separate toilet.

This is council approved and registered as a Dog Boarding Facility so comes with all required to continue to operate as such eg. fully set up kitchen, fridges and coldroom, dishes hydrobath etc plus 5 large exercise dog runs with very secure fencing.

There is also an office and storage area, work it yourself or employ someone and sit back and enjoy the rewards, knowing this property is licensed to make you an income.

Cats are also well accommodated with indoor outdoor pens and private gardens and away from the dog area.

## FIRST AID:

# bleeding severe

Joanne Bibby – Fursafe®

Did you know that a dog can die literally in minutes from blood loss? The standard volume of blood in a dog is 8% of their body weight. Take my Silky Terrier for example, she is 5kgs, therefore, Izzy has only 400ml (0.4 of a litre of blood); not a whole lot if you ask me!

As dog owners it is imperative that we know how to control severe bleeding. Without management your dog could bleed to death before getting advanced veterinary care.

### DEFINITION

Bleeding which is severe and life threatening if not managed quickly and efficiently is otherwise known as Haemorrhaging.

### CAUSES

Internal and external trauma to arteries, veins and internal organs; such as:

- Blunt force trauma
- Embedded / penetrating object
- Cut
- Laceration

Shutterstock

- Puncture
- Amputation

Causes can also be from:

- Blood disorders
- Cancer
- Ingestion of rat bait and other rodenticides.

### SIGNS AND SYMPTOMS / ACTION

Reference: Fursafe® Emergency Dog First Aid Guide

WOUND TYPE	DESCRIPTION	MANAGEMENT
Embedded / penetrating object	Object has penetrated skin, possibly to deeper tissues or body cavity	<ul style="list-style-type: none"><li>• Do not remove object</li><li>• Secure object in place with DIY donut bandage, securing that in place with a rolled bandage</li><li>• Make sure you do not apply pressure on object; you just need to stabilise it</li></ul>
Cut	Skin has been sliced opened by some-thing sharp	<ul style="list-style-type: none"><li>• For severe bleeding apply direct pressure over the wound with a clean cloth, sterile bandage or gauze</li><li>• Elevate</li></ul>
Laceration	Tear in the skin, a jagged cut	<ul style="list-style-type: none"><li>• Do not attempt to clean wound when bleeding is severe</li></ul>

WOUND TYPE	DESCRIPTION	MANAGEMENT
Puncture	Small hole in skin and underlying tissue caused by a sharp object	<ul style="list-style-type: none"> <li>If blood soaks through first band-age, add additional bandage; don't remove first one as it may cause further bleeding</li> <li>May need stitches or other medical treatment, so you will need to go to the vet.</li> </ul>
Tear	Skin has been ripped off	

The following conditions require these immediate actions:

1. Muzzle (do not muzzle if unconscious, breathing difficulties, trauma to chest or face)
2. Administer first aid treatments as per table below
3. Transport to vet

WOUND TYPE	CONDITION	TREATMENT
Open wound	Arterial bleed	Pulsing / spurting blood <ul style="list-style-type: none"> <li>Cover with dressing or wound bandage and apply pressure</li> <li>Secure a compression bandage around bandaged wound (never use a tourniquet unless advised by Vet)</li> <li>If blood soaks through first band-age, add another bandage over the top (do not remove initial bandage)</li> <li>Lift affected part or limb above heart level</li> <li>Treat for shock</li> <li>Transport urgently to Vet</li> </ul>
Open wound	Venous bleed	Prolonged oozing blood <ul style="list-style-type: none"> <li>Cover with wound bandage and apply pressure</li> <li>If blood soaks through first band-age, add another bandage over the top (do not remove initial bandage)</li> <li>Fit a compression bandage if re-required</li> <li>Lift affected part or limb above heart level</li> <li>Treat for shock</li> <li>Transport urgently to Vet</li> </ul>
Closed wound	Internal bleed	Lungs: coughing up red frothy blood Stomach: coffee ground like vomit Bowel: black tarry faeces Chest cavity: difficulty breathing, pale gums Abdomen: tense muscle wall, pain, shock <ul style="list-style-type: none"> <li>Treat for shock;</li> <li>Transport to Vet</li> </ul> <i>Take a sample of vomit/faeces to Vet for assessment</i>

*If you are unsure what to do, wrap wound with clean towel and apply pressure; then call your Vet for guidance.*

In this issue we feature a trip down memory lane showcasing pages from July 1991

### OBEDIENCE . . . meet your . . .

**MR J. O. RYAN — Novice Bitch**  
Mr J. O. (Skeeta) Ryan has experienced the Brisbane Royal Show as both a judge and competitor in all classes of Obedience. His first Royal judging appointment was in 1980 and he is enthusiastic to be returning to judge Novice Bitch in 1991. Skeeta is an active participant in canine administration and a staunch supporter of his home club in Toowoomba. He is currently active in the South-east Queensland judges' training programme.

#### MR F. NEESON — Open Bitch

Mr F. (Frank) Neeson has been involved in the world of dog obedience since 1967, when he commenced training and trialling with the Northern Obedience Club of Victoria.

Frank became a club instructor in the early 1970's and later directed his energies to club administration, serving as treasurer of the Northern Obedience Club in 1980 and becoming a KCC licensed obedience instructor in 1983. He purchased and trialled an Australian Kelpie, which led to him becoming treasurer of the A.C., K & B.C. Club of Victoria and later the Gordon Setter Club of Victoria. Frank qualified as a full panel obedience trial judge in 1988 and was nominated to the obedience trial advisory committee later that year. He is also licensed to judge tracking tests. Currently Frank is competing in Novice class with a Shetland Sheepdog—time permitting.

#### MR B. VAUGHAN — Agility

Mr B. (Brian) Vaughan started dog obedience as many others—a novice dog and a very novice handler. He trained at Capalaba grounds under control of the Brisbane Dog Obedience Club. He was a foundation member of the Redlands Club and held many positions including president, vice-president and O/C trainer with the club over the past 14 years. Brian was honoured with the first life membership of Redlands in 1984. His involvement in the Royal National Show is long term, having competed in 1977, placing second novice, 1978 third open and winning back-to-back first place open in 1979-80 with his yellow Labrador bitch "Sherry". He has stewarded and judged in recent years. Brian is currently a member of the Obedience Sub-committee and enjoys the friendship offered by the dog obedience world.

### Brisbane Royal Judges

#### MRS S. HARRIS — Novice Dog

Mrs S. (Shirley) Harris joined the Obedience Dog Club of Brisbane at the age of 10 in 1973. In 1978 at the age of 15 Shirley and her Pembroke Corgi "Abi" gained their CD and CDX titles. Shirley has also trained an Irish Water Spaniel "Tara" to gain her CD and CDX titles. Tara also gained one qualification in Agility at the age of nine. Shirley was accepted on the judges' training panel in 1988, attaining her Novice licence in 1989, her Open licence in 1991 and is currently on the judges' training panel for Utility class. Shirley has stewarded at the Brisbane Royal for the last three years and is looking forward to judging the Novice Dog class.

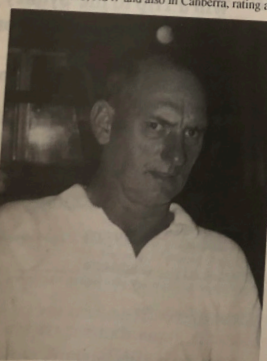

#### MR R. BRUCE — Open Dog

Mr R. (Bob) Bruce purchased his first purebred dog in 1966 (Labrador Retriever Jaywick Lifesaver UD). Soon after he joined the CCC and the Obedience Dog Club of Brisbane.

Bob commenced judging in 1970 and received his senior licence in 1974. He has judged throughout Queensland, NSW and also in Canberra, rating as highlights several appointments at Royals and National trials.

Bob is a life member of the Obedience Dog Club of Brisbane and the Mackay and District Dog Obedience Club, having served as president of both clubs.

Bob Bruce has been involved in judges' training activities for many years and is currently controller for the North Queensland judges' training scheme.

#### DR R. TAYLOR — Utility

Dr R. (Ray) Taylor has been involved with dog obedience for twenty years and was an inaugural member of the Canine Obedience Club of Townsville. He has trained Golden Retrievers in obedience, tracking and agility. His dogs have obtained UD, TDX and AD titles and also their championships, with one dog having its OC and AD titles. He was elected president of the C.O.C.T. in 1975 and has held that position since then except for a break in 1980/81. Ray became a novice and tracking judge in 1982 and a senior judge in 1984 and an agility judge in 1989. Since becoming a senior judge he has been actively involved in the judges' training scheme in North Queensland. He has judged extensively in the north and has had several judging appointments in Brisbane.

# Supporting Our Fellow Members

Last weekend when the grounds at Durack were fully utilised with many of our dog sports I happened to see Mary Waldon walking around with an oversized cheque.

Mary presented two cheques on behalf of the Caboolture Sports Committee and Caboolture Sports Dog Obedience Club donating \$1000 each to the Ipswich Dog Obedience Club and the Brisbane Dog Training Club.

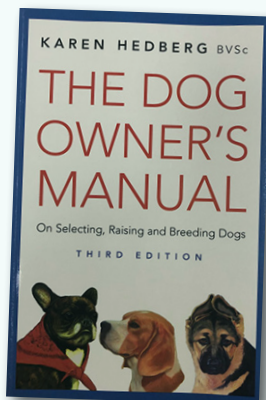

This very generous gesture was presented without any fanfare showing how our clubs work towards looking after one another. Both clubs lost almost everything due to the flooding earlier this year.

– Barb Murfet

## DOG OWNER'S MANUAL ON SALE NOW!

Written by distinguished veterinarian Karen Hedberg, the Dog Owner's Manual takes you through the process of choosing and raising a puppy. It also includes breeding, geriatric care, lists canine ailments and summarises various treatments.

Clearly written and easy to comprehend, this book provides an up-to-date one-stop reference for both breeders and all those who really care for their dogs.

To purchase your copy, visit Dogs Queensland, phone the office on 3252 2661 or email [pina@dogsqueensland.org.au](mailto:pina@dogsqueensland.org.au). The Dog Owner's Manual is priced at only \$50.00 plus postage.

## DOGS QUEENSLAND LOVES DOG TALES

Members are invited to submit dog related stories of interest for inclusion in upcoming issues of our Dog World magazine.

All canine topics are accepted whether they be unusual, quirky or factual and can include 'paw-friendly' walks and cafes, heart-warming tales or antics while in lockdown to name a few.

Dogs Queensland would like to showcase your dog's story to the wider canine community. To see your story published simply send it through to [barbara@dogsqueensland.org.au](mailto:barbara@dogsqueensland.org.au)

# SHOW GAZETTE

## SEPTEMBER 2022

### SCHEDULE DEADLINE REMINDER

In keeping with the Dog Queensland Rules and Regulations (42.4 – page 43), clubs are advised schedules are to be submitted to the DQ office at least 3 calendar months prior to the month of publication of the Show Schedule. Please note that schedule advertising must appear in the Dog World magazine 2 months prior to the event (a total of 5 months).

Late schedules will appear in the following edition of DQ's Dog World magazine.

For example, the schedule for a show to be held on 8 October 2022 would need to be submitted to the office by 8 May 2022. This allows for the 3 months prior to the schedule being published in the August 2022 Dog World magazine, which is the required 2 months prior to the date of the show.

To submit Schedules or for more information contact Ian at [ian@dogsqueensland.org.au](mailto:ian@dogsqueensland.org.au)

## DOGS QUEENSLAND SHOP

We now stock Royal Canin products specific for breeding bitches, puppies and adult dogs.

Also available is a range of high quality shampoos, conditioners and grooming products from Plush Puppy.

Shop hours are:  
Monday to Friday 8.00am – 5.00pm

## DNA TESTING SERVICE

Using Dogs Queensland for all your DNA requirements is a simple, straightforward process for all members (regardless of computer skills).

Members can easily place an order for DNA Profiling and Parentage and it is entirely managed by Dogs Queensland from posting DNA swab kits to final DNA results.

- DNA Profiling and parentage
- Prompt turnaround

Other testing available:

- Breed specific DNA testing
- Specific Single Breed testing

ONLY  
**\$49.50**

Contact Julana at [julana@dogsqueensland.org.au](mailto:julana@dogsqueensland.org.au) or by phone on 3252 2661 for all your DNA enquiries

# API CLASSIC 2022

The API Classic is a Point Score held over the weekend of 15, 16, 17 18 September 2022

at the API shows at Durack Queensland.

Points will be awarded on 17<sup>th</sup> September as follows:

Group 1 <sup>st</sup>	10 points
Group 2 <sup>nd</sup>	5 points
Group 3 <sup>rd</sup>	3 points
Group 4 <sup>th</sup>	1 point

Points will be awarded on 15, 16, 18 September as follows:

Best in Group	10 points
RU Best in Group	5 points

A tally will be kept over the weekend and results available on a whiteboard outside the clubhouse.

In the event of a tie, a countback will be done. The dog with the most BIG (Group 1) will progress to the final. In the event that no dog has won a BIS (Group 1) or an equal number have been won, the dog with the most additional RUBIG (Group 2) shall progress. If necessary, this countback shall progress in this manner to include Group 3 and Group 4 placings, and BOB/RUBOB if necessary.

All group winners receive an amazing rosette and a voucher from Dog News Australia. The 7 group winners compete together for the title of API Classic Winner on Sunday evening prior to General Specials judging. The API Classic Winner receives a Full Page ad valued at \$495.00 from Dog News Australia and the other Group winners receive a \$300.00 voucher from Dog News Australia.

# Breeder Alert – Puppy Scam Websites

Dogs Queensland has become increasingly aware of Puppy Scam Websites using legitimate Dogs Queensland Registration and Queensland Breeder Identification (BIN) Numbers to sell puppies. Dogs Queensland Registration Numbers are obtained from legitimate websites such as Dogs Queensland or DogzOnline, where they are displayed as required by the Queensland Government.

Please see the [Queensland Dog Breeder Fact Sheets](#) for regulations and guidelines for Queensland Dog Breeders.

## An example of a typical scam is:

- A Dogs Queensland Membership number is lifted from current advertising on the internet.
- The scammer researches and obtains personal details of the breeder including name, suburb, prefix.
- A domain name similar to the Kennel prefix is registered on an offshore registry.
- Once the breeder has ceased advertising the litter of puppies a new website is published.
- No physical address or phone numbers are advertised on the website.
- The seller avoids permitting you to physically see the cyber puppy and only sends non genuine pictures.
- The seller insists on only accepting payment by a crypto currency or a funds transfer.

## As a breeder what can you do to avoid being an unknowing victim of a Puppy Scam:

- Regularly Google search the internet for websites using a similar Domain Name as your Prefix.
- Put a warning notification in your online advertising to alert buyers to check any website they are looking at is legitimate.
- Encourage puppy buyers to verify breeder information with Dogs Queensland and make direct in-person contact with you.
- Ensure puppy buyers check communications are made with verified contact details.
- Encourage puppy buyers to meet the puppy and breeder before handing over payments.

## As a buyer what can you do to avoid being a victim of a Puppy Scam:

- Verify breeder information with Dogs Queensland.
- Ensure communications are made to verified contact details.
- Meet the puppy and breeder before handing over payments.
- If paying online, use a credit card or PayPal where you have a degree of buyer protection.
- Check website is an established site with a website security certificate.
- Avoid websites without physical address or phone numbers.
- Ask for proof, including ANKC registration papers and veterinary health records for any puppy.

Importantly you should report any suspect sites or advertising to the [ACCC ScamWatch](#) website. Please let us know about any suspect websites too by contacting Dogs Queensland on 3252 2661 or by email at [info@dogsqueensland.org.au](mailto:info@dogsqueensland.org.au).

# Eukanuba™

**Multi BIS & BNIS & Best Class in Show Awards Touchofchow Team** – owned by Janette Ursida-Mouroufas

## ‘OUR CHOWS HAVE EVERYTHING THEY NEED AND THEY LOVE THE TASTE’

*Touchofchow in South Australia has been exhibiting Chow Chows for over 20 years and breeding for 10 years.*

We breed to introduce worldwide stunning lines to better the breed here in Australia and we are achieving amazing success in and out of the show ring with both our smooth and rough coats.

Our puppies are given the best start to life being exclusively fed Medium Puppy and our adults are conditioned on Premium Performance Sport. We used to add supplements and vitamins to our dog food until we found Eukanuba™ which already contains biotin to help maintain glorious healthy coats for the show ring, folic acid for our reproductive mothers and glucosamine to provide cartilage nutrition and joint repair. With the addition of Eukanuba’s 3D DentaDefense, our Chows have everything they need and they love the taste.

## 20% OFF EUKANUBA™ PERFORMANCE DIETS\*

Enjoy this and other exclusive promotions when you join the Eukanuba™ Professional Club. To sign up visit our website: [eukanuba.com/au](https://eukanuba.com/au)

\*Only available at the Eukanuba ProShop ([webshop.eukanuba.com](https://webshop.eukanuba.com)), 1st June to 31st July 2022. Offer includes Premium Performance Sport and Exercise Dry Diets. 15kg order minimum.

# Australia's most comprehensive pet insurer.

Only the Best Insurance for your Best in Show.

## Cover options:

- ✓ Up to \$20,000 in vet eligible bills with up to 100% of vet bills covered
- ✓ Range of dog insurance plans for all budgets
- ✓ Easy claims process
- ✓ Alternative treatment or complementary treatment
- ✓ Third party liability

To find out more information or to obtain a quote, visit [petcovergroup.com/au/dog-insurance](https://petcovergroup.com/au/dog-insurance) or call **1300 731 324**

\*Terms and Conditions apply. Cover subject to eligibility criteria, excludes pre-existing conditions and waiting periods apply. Dogs must aged be between 8 weeks to 8 years. Please consider the Product Disclosure Statement (PDS) and Target Market Determination (TMD) available on our website, before deciding to purchase the product. Issued by HDI Global Specialty SE – Australia (AFSL No. 458776).
