# President's Message

“I hope this latest edition of Dog World finds you and your families well.

## The Ekka

The year has been marching on and we are on the cusp of the Ekka and a wonderful line up of Specialty Breed Shows happening. And that is pretty exciting after the Ekka not happening due to Covid the last few years. And yes, there is another wave happening but hopefully we are all taking full advantage of the vaccination regime and having our second boosters.

I am thrilled with the great location of the Dogs Queensland stall near the rings and seating area. We will be high tech this year with large screens happening with excellent Dogs Australia videos about our dog breeds and dog sports on a loop supported by volunteers on the stand. A big thank you to Michael Yates in the office for making this all happen.

Being a Dogs Queensland volunteer on the stand is a great opportunity to talk to the public and friends about what we are all about and the wonderful doors that open with our many disciplines when you acquire a purebred dog from one of our ANKC breeders or start competing with a crossbred dog in most of our dog sports. There are still spots available in the roster so do contact the office if you are interested in making this important contribution.

As a volunteer you receive a pass to access the grounds for your shift as well as a meal pass and the pleasure of the vibe in the dog area. I am looking forward to doing announcing next week. You will see details below about our super Dogs Queensland showbags. It took a bit of negotiation with Mr Harrison, but if you take on and complete a second shift you will receive a complimentary Dogs Queensland showbag too!

## The Super Dogs Queensland Showbags

I know detail about our showbags has already appeared in a Paw Prints but thought I would set out their super content here. A big thank you to Barb Cumming in the office for her great work in making this bag happen. Our breeders would

know how nice it is giving these bags to new puppy owners. 600 bags have already been made up by the office staff and should sell like hotcakes on the Dogs Queensland stall at the Ekka.

The contents of the Dogs Queensland Show Bag are as follows:

- Plush Puppy 100ml O.M.G Multi-Purpose Grooming Spray
- Nexgard Chewables
- Royal Canin Educ Nutritional Supplement 50g
- EAC Animal Care Pre-Probiotic 20g
- Dogs Queensland Water Bottle
- Dog Toy
- Dog Hair Remover or Royal Canin Spray Bottle
- Dogs Queensland Calendar
- Dogs Queensland Carry Bag
- Dogs Queensland Community Membership Form
- Brisbane City Council Leaflets

***And a ticket for automatic entry in the draw to win 3 Great Prizes.***

### Draw 1:

- Royal On The Park Accommodation for 2 nights and 1 Breakfast (2 people)
- First Aid Kit and Book
- Collapsible Water Bowl
- Dog Towel
- Dog Bed
- Dog Hair Remover and Dogs Queensland Carry Bag

***Prize Value: Up to \$1000.00***

### Draw 2:

- \$250.00 Bunnings Voucher
- Bunnings Building Block and Kids Trolley
- Bunnings Cap, Socks and Tool Pouch
- First Aid Kit and Book
- Collapsible Water Bowl
- Dog Towel
- Dog Bed
- Dog Hair Remover and

Dogs Queensland Carry Bag

**Prize Value: \$465.00**

**Draw 3:**

- \$150.00 Coles Voucher
- First Aid Kit and Book
- Collapsible Water Bowl
- Dog Towel
- Dog Bed
- Dog Hair Remover and  
Dogs Queensland Carry Bag

**Prize Value: \$265.00**

It will be drawn at the ADSS on 21 August 2022 with the winning numbers posted to the Dogs Queensland public Facebook page at noon the following day, 22 August 2022.

### **Townsville Tour**

Many members would be aware that there has been a long-term tradition for Board directors, and previously Council members, to attend show and event weekends in Zones 2 and 3 from time to time. It is seen as an opportunity to meet and greet members and discuss any issues of concern and gain a better understanding of the particular challenges that our members face in the regions.

One of these trips happened this last weekend in Townsville and Woodstock and I was really looking forward to going. Unfortunately, I could not go due to ill health, but I gather it was a great success with Directors David Weil, Mandy Schelbach, Vicki Schneider and Senior Vice-President Barb Murfet flying up and attending a dog sports event on the Friday night and helping out at a conformation dog show at Woodstock on the Saturday. I gather Mandy held a very well received junior handler session in the lunch break too. The visit was also a good opportunity for Vicki to conduct some breed training for aspiring judges. Thanks to Director Gordon Mayne for making it all happen and being there too.

### **Local Councils**

In recent discussions that Dogs Qld has had with the Ipswich and Brisbane City Councils the importance of our members registering their dogs and complying with council regulations was noted. And as members would know, we recently had an excellent outcome arising from a meeting with Ipswich Council officers, with the Dogs Queensland

members discount on dog registrations being reinstated.

So, it is timely to remind members of the importance of checking your local council's requirements from time to time to ensure your ongoing compliance. Please liaise with the office if you require any assistance in clarifying your council's requirements.

Apart from it being a requirement under our Code of Conduct in Appendix 4 of the Rules to act within the relevant legislation, which of course includes compliance with local council rules, regulations, and by-laws, it is all about our members setting a gold standard as dog owners and dog breeders in our communities.

I am hoping we will have the opportunity to address an annual conference of local councils about what we are all about in the next year or so.

Stay well, enjoy your dogs, and I wish your horses Happy Birthday! ”

# Board Notes – August 2022

## **SUSPENSION OF REGULATIONS PART 6 – THE REGISTER & REGULATIONS CLAUSE 8.16 – AFGHAN HOUND**

As a result of concerns received regarding the Afghan Hound survey, the Dogs Australia Board of Directors have resolved to immediately suspend Regulations Part 6 – The Register & Registration Clause 8.16 which reads:

8.16 *Afghan Hound (Added 02/22 – 6.1, Effective 1 July 2022)*

*The Minimum Breeding Age for Afghan bitches is 24 months at the time of mating (unless a veterinary certificate is produced stating that for health reasons the bitch should be mated before 24 months).*

*Breeders of litters whelped on or after 1 June 2022 will be required to comply with the requirements as a prerequisite to registration of any litter on the ANKC Ltd Main Register. Litters which do not meet the above requirements will only be able to be placed on the Limited Register and will be flagged not to be upgraded.*

An investigation into the procedural process and the regulations will be carried out and a report submitted to the October 2022 Board meeting.

## **APPROVAL OF 2023 NATIONAL SHOW/ RESTRICTED TRIALS: LABRADOR RETRIEVER CLUB OF VICTORIA INC**

Dogs Australia are pleased to advise the approval of the application received from the Labrador Retriever Club of Victoria Inc via Dogs Victoria to conduct a National Show with Restricted Obedience and Rally trials to be held on 12 to 14 May 2023 at KCC Park, Skye, Victoria.

This approved application includes a Restricted Retrieving Ability Test for Gundogs.

## **APPROVAL OF 2023 NATIONAL OBEDIENCE AND NATIONAL RALLY TRIALS**

Dogs Australia are pleased to advise the approval of the application to conduct the 2023 National Obedience and National Rally Trials received from the Dogs Queensland Dog Sports Committee via Dogs Queensland to be held on 1 and 2 July 2023 at the Dogs Queensland Sports Grounds, 247 King

Avenue, Durack, Queensland.

## **APPROVAL OF 2023 NATIONAL SHOW/RESTRICTED TRIALS: POODLE CLUB OF VICTORIA INC**

Dogs Australia are pleased to advise the approval of the application received from the Poodle Club of Victoria Inc via Dogs Victoria to conduct a National Show with a Restricted Obedience trial to be held on 23 to 24 September 2023 at KCC Park, Skye, Victoria. The Royal Agricultural Society of Victoria has confirmed these dates will not clash with the breed judging at the 2023 Royal Melbourne Show.

## **ROTTWEILER SURVEY RESULTS**

A Rottweiler Natural Bobtail survey was conducted by Dogs Australia last year to ascertain feedback from all owners of registered Rottweilers as Dogs Australia follows the Country of Origin breed standard and given that the gene involved is an incomplete dominant there is the possibility of bobtail parent/s producing long tail offspring. Only the long tail offspring are eligible to be placed on the Main Register.

The response received indicated support.

As this was an amendment to current regulations, the result of the survey was referred to the Dogs Australia Board of Directors for consideration at their June 2022 Special Board meeting where it was endorsed.

Consequently, the following new clause will be added to Regulations Part 6 – The Register and Registration which will be effective from 1 January 2023:

8.9.2 *Effective 1 January 2023, any Rottweiler born a Natural Bobtail will be eligible to be registered on the Limited Register only and flagged NOT TO BE UPGRADED.*

## **APPROVAL OF 2023 NATIONAL SHOW: QUEENSLAND BULLDOG CLUB**

Dogs Australia are pleased to advise the approval of the application received from the Queensland Bulldog Club via Dogs Queensland to conduct a National Show to be held on 11 August 2023 at the Ipswich Show Events Centre, Ipswich, Queensland. The Royal National Agricultural & Industrial Association of Queensland (RNA) has confirmed this date will not clash with the breed judging at the 2023 Brisbane Royal Show (EKKA).

MEMO TO: ALL MEMBER BODIES  
FROM: Tracey Barry  
DATE: 1 July 2022  
SUBJECT: **Review of the Rules for the Conduct of Scent Work Trials**

---

In accordance with the decision made at the February 2022 Special Board meeting (refer Item 6.3) the following are scheduled for review over the next couple of years in order for the new rules and regulations to take effect from 1 January 2024.

- Rules for the Conduct of Scent Work Trials;
- Regulations Part 3N – Scent Work Trials Judges Training Scheme

**It is therefore requested that any proposals for changes to these Rules and Regulations be submitted to the Dogs Australia Administrator by no later than 30 April 2023.**

As these submissions will form part of the agenda of the next meeting of the National Committee, we ask that you ensure they comply with Clause 9.1 (g) of the Dogs Australia Internal Policy as noted below:

*g) Rationale*

*No items are to be accepted by the Dogs Australia Administrator for inclusion on any Dogs Australia Board, Committee, or Subcommittee agenda unless a detailed explanation concerning the reason/rationale for submitting the item is provided in agenda format electronically in MS Word or similar by the Member Body proposing the agenda item. (Amended 11/03)*

Submissions should include the following detail:

- A) the current rule/regulation number and rule/regulation detail;
- B) the proposed amendment;
- C) a full rationale for the proposed amendment.
- D) list any current rules/regulations which could be affected as a result of a consequential change/s from a proposed new rule/regulation or an amended rule/regulation.

Providing the submission in this way allows other Member Bodies to easily assess only those rules/regulations to be amended instead of the time-consuming task of checking the entire rulebook/regulations.

The following timetable as listed below will be used:

**2022**

1 July                Dogs Australia Administrator distributes notice to all Member Bodies calling for submissions.

**2023**

30 April            Close off date for receipt of submissions by the Dogs Australia Administrator.

May                 Dogs Australia Administrator to distribute to all Member Bodies the 2023 National Scent Work Committee Notice of Meeting containing the agenda with copies of submissions received.

**2023**

November        National Scent Work Committee meeting

**2024**

February         Minutes of the 2023 National Scent Work Committee meeting receives endorsement at the February 2024 Dogs Australia Special Board meeting.

Whilst waiting for the ratification of the minutes, a volunteer from the National Scent Work Committee will finalise the amended rules and regulations in accordance with the minutes and forward a copy to the Dogs Australia Administrator.

Once the minutes receive Dogs Australia ratification, a copy of the new amended rules/regulations will be made available (in addition to the existing rules/regulations) on the Dogs Australia website. They will be clearly identified as effective from 1 July 2024.

**2024**

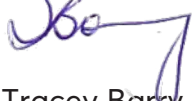

1 July              Effective date of new rules/regulations.

**[PLEASE NOTE: The abovementioned timetable is subject to change and is only achievable with the cooperation of all parties involved.]**

## Breeder Alert – Puppy Scam Websites

Dogs Queensland has become increasingly aware of Puppy Scam Websites using legitimate Dogs Queensland Registration and Queensland Breeder Identification (BIN) Numbers to sell puppies. Dogs Queensland Registration Numbers are obtained from legitimate websites such as Dogs Queensland or DogzOnline, where they are displayed as required by the Queensland Government.

Please see the [Queensland Dog Breeder Fact Sheets](#) for regulations and guidelines for Queensland Dog Breeders.

### An example of a typical scam is:

- A Dogs Queensland Membership number is lifted from current advertising on the internet.
- The scammer researches and obtains personal details of the breeder including name, suburb, prefix.
- A domain name similar to the Kennel prefix is registered on an offshore registry.
- Once the breeder has ceased advertising the litter of puppies a new website is published.
- No physical address or phone numbers are advertised on the website.
- The seller avoids permitting you to physically see the cyber puppy and only sends non genuine pictures.
- The seller insists on only accepting payment by a crypto currency or a funds transfer.

### As a breeder what can you do to avoid being an unknowing victim of a Puppy Scam:

- Regularly Google search the internet for websites using a similar Domain Name as your Prefix.
- Put a warning notification in your online advertising to alert buyers to check any website they are looking at is legitimate.
- Encourage puppy buyers to verify breeder information with Dogs Queensland and make direct in-person contact with you.
- Ensure puppy buyers check communications are made with verified contact details.
- Encourage puppy buyers to meet the puppy and breeder before handing over payments.

# Dog of the Year and Puppy of the Year Rules 2022/2023

## RULES FOR THE CONDUCT OF QUEENSLAND DOG AND PUPPY OF THE YEAR COMPETITIONS IN 2022/2023

### GENERAL RULES

1. The Queensland Dog and Puppy of the Year Competitions will be sponsored, promoted and run by Dogs Queensland, commencing on Friday 1st July 2022 and ending on Friday, 30th June 2023.
2. **The Puppy and Dog of the Year Final will be judged on the weekend of 14, 15 and 16 July 2023.**
3. **In the event that a cash prize is awarded for either Competition, the prize will be awarded in the name of the Queensland resident owner/s of the winning exhibit. Where an exhibit is held in joint ownership with a current financial member of the ANKC, that member must be financial as of 1 July 2022 up to and including 16 July 2023.**
4. Finalists in both competitions will receive a memento from the Dog of the Year Committee.
5. Catalogues for the Competitions will be available for a fee.
6. For cataloging purposes, the following is required of all Finalists: i) a high-resolution photo (head study only); and ii) a photocopy of the exhibits' registration.
7. The Committee is authorised to take steps to verify the eligibility of Competition finalists. Should an exhibitor or exhibit not meet all the specific criteria for eligibility, the exhibit in question will not be permitted to compete in the Competition Finals.
8. The Dog of the Year Committee reserves the right to alter any Competition rules should it be deemed necessary.
9. The Dogs Queensland Board of Directors is the final arbiter of disputed issues in respect to this Competition and exhibitors acknowledge that, by entering this Competition, they agree to be bound by the Rules and they further agree to indemnify Dogs Queensland against all claims arising from any actions associated with this Competition.

### ELIGIBILITY TO COMPETE

#### Dog of the Year

In order to qualify for Dog of the Year, the exhibit must reside in the State from the time that the exhibit's first result is entered into the Competition and must remain resident in the State until the Competition date.

**The exhibit must** be registered to a Queensland member either solely or in partnership during this

period (General Rules 3). *(To reside means to physically live at the address on the Certificate of Registration. The term 'exhibitor' means owner/s, as recorded on the Certificate of Registration.)*

#### Puppy of the Year

In order to qualify for Puppy of the Year, the exhibit is to remain in residence in Queensland from the time that the exhibit's first result is entered into the Competition and must remain resident in the State until the Competition date.

The puppy must be registered to a Queensland member either solely or in partnership during this period. (General Rules 3).

### INELIGIBILITY TO COMPETE

All Dog of the Year Committee Members and any other individual closely involved with the Competition or closely associated with persons involved with the Competition shall be excluded from entering at the discretion of the Dog of the Year Committee.

The decision if any person and/or exhibit should be excluded is to be decided upon the facts of each case with the final arbiter being the Dog of the Year Committee.

The following eligibility requirements must be adhered to:

#### General

- (a) **If an entrant is transferred during the Competition period, its results remain valid if the ownership of the dog remains valid and providing the exhibit continues to reside in Queensland.**
- (b) Any exhibit leased/transferred out of Queensland during the Competition period, or any exhibitor who moves Interstate or Overseas during the Competition period, automatically loses all entitlements to compete in Competition.
  - (i) All fees paid by an Exhibitor to enter in the Competition (including fees paid by an Exhibitor who falls under General Rules (b)), will not be refunded.
- (c) Any exhibitor who transfers to Queensland, permanently, from another Country / State will be eligible to compete:
  - (i) providing they hold current membership of Dogs Queensland:
    - a) at their permanent Queensland address; and
    - b) for the eligibility period (Refer

to General Rules 1)

- (ii) providing the exhibit is transferred to that Queensland address and resides there, referred to in (1) for the majority of the eligibility period.

#### QUALIFICATION FOR ENTRY AS A FINALIST

1. The Dog of the Year and Puppy of the Year Competitions will be based on a points score system, administered by Show Manager.
2. To enter the points score, Exhibitors will register their exhibit for a fee of \$20 per exhibit. In order for a result to be valid, the fee must be paid up until 2 months after the commencement of the Competition. If the fee is not paid within the timeframe, the result will be invalid and will not be counted towards the points score.
3. The points score will be run as a State wide Competition, with all Shows (regardless of size or location) being given equal point allocations.
4. At the end of the Competition Year, the 'Top 10' adults in each group (1 to 7) will qualify for the Dog of the Year Competition (there will be 70 entrants in total), entry fee \$50.
5. At the end of the Competition Year, the 'Top 10' Puppies in each group (1 to 7) will qualify for the Puppy of the Year Competition (there will be 70 puppies in total), entry fee \$50.
6. For the **Dog of the Year Competition**, the following points will be allocated at any All Breeds, Group Specialty or Breed Specialty Show:  
Best in Show: 100 points.  
Reserve in Show: 75 points.  
Best in Group or Group 1st: 40 points.  
Reserve in Group or Group 2nd: 30 points.  
Group 3rd/ Group 4th: 20 points.  
Best of Breed (15 entries or over): 15 points.  
Best of Breed (under 15 entries): 5 points.
7. For the **Puppy of the Year Competition**, the following points will be allocated at any All Breeds, Group Specialty or Breed Specialty Show:

Best Minor or Puppy in Show: 50 points.  
Best Minor or Puppy in Group: 20 points.  
Best Minor or Puppy of Breed: 5 points.

Note: The Dog of the Year Committee reserves all rights to include or exclude an exhibit which they feel does or does not meet any of the criteria listed within these Rules. The Dog and Puppy of the Year Events will be run in accordance with the rules and regulations of Dogs Queensland. However, given the contrasting nature of the event to that of a normal Conformation Show, the rules can be subject to change in exceptional circumstances, at the Committee's discretion.

# BIEWER TERRIER

*The Biewer Terrier has a light-hearted whimsical, childlike attitude and has on many occasions been described as a clown. They can be mischievous at times, but are obedient and make loyal family companions.*

– *Suzette Woodruffe*

The Biewer Terrier is an elegant, long-haired, tri-coloured toy terrier with a breed signature ponytail. Permitted colours are a combination of black, tan and white and blue, tan and white where the tan marking is only permitted on the head and a small amount on the vent. White is required on all four feet, up the legs and up the throat to under the chin. It is both possible and acceptable to have an all-white body or an all-black body coat as long as the legs and feet are white. They have a silky single coat with a part down the back and are longer in the body than square but square is acceptable. The tail is carried high over the back and the long hair on the head is tied up into a bow with a signature ponytail – not a rollover. Weight is from 4-8lb.

The Biewer Terrier has a light-hearted whimsical, childlike attitude and has on many occasions been described as a clown. They can be mischievous at times, but are obedient and make loyal family companions.

### **HISTORY**

The origin of the Biewer Terriers was initiated by Mr and Mrs Biewer in Germany in 1984 and their development continued until in 1988 the breed was accepted by the Internamtionaler Allemeiner Club der Hundefreunde (ACH).

The Biewer Terrier was the first breed ever to be recognised as a breed of its own using advancements in science utilising DNA and Principal

Component Analysis rather than the traditional process of pedigree documentation. The PCA process was used to demonstrate that the Biewer Terriers can be clearly distinguished from the Yorkshire Terrier.

The Biewer Terrier was introduced into main stream America in 2003 at which time there were only a handful of breeders in America and Germany.

The Biewer Terrier was fully recognised in the USA on the 1st January 2021. The first registered Biewer Terriers were introduced into Australia in August 2021 and were fully recognised in Australia with their application/importation on November 3 2021.

### **GROOMING**

The Biewer Terrier has a long silky coat that if left long requires daily brushing, There is minimal matting with the silkiest coated specimens, but the softer textured coats are more likely to develop matts. If you choose to keep your Biewer in a short trim there is minimal grooming required beyond a regular brush and an occasional bath to keep them fresh and looking their best. Nails need to be kept short and hair on the ears kept short to ensure the ears remain erect. Teeth should be brushed twice per week or as recommended by your vet.

### **EXERCISE**

The Biewer Terrier is a rather easy going dog. Their playful attitude provides them with a natural means of self exercising along with the time spent playing with their human families. Indoor activities could

include chasing a rolling ball along the floor or tug of war with a toy. They also love to go for walks.

### **TRAINING**

The Biewer Terriers' dedication and loyalty make them the ideal family pet having a child-like fun loving attitude. This makes them a great companion for people of all ages and able to make friends with other animals of all types. They are extremely intelligent and easy to train although toilet training may take longer.

### **EXHIBITING BIEWER TERRIERS IN AUSTRALIA**

The show scene in Australia, especially for a newly recognised breed, can be one that is not for the faint hearted. There are so many aspects to learn. The gene pool will be very limited to start with, as with any new breed. Biewer Terriers entering the country from the USA are genetically verified as pure bred

and with that Australia has adopted the American Standard on the breed.

### **PREPARING THE COAT FOR THE SHOW RING**

The Biewer is described as a single coat of silky texture, but in most of the specimens there is the

development of felting next to the skin. The texture is something between the Maltese and the Havanese coat type. It is possible to grow a floor length coat without wrapping the coat on a female specimen but much harder on a male who lifts his leg on his coat. A full coat can still be achieved by banding the side coat or wrapping sections of the male coat. Light oil is recommended between shows to eliminate static breakage.

The topknot of the Biewer is positioned further back on the skull than the Yorkie or Shih Tzu and only a ponytail is the accepted presentation for the breed. Roll over topknots are a disqualifying point in the breed. The ponytail is tied up in a band with a bow and no teasing or back combing is allowed. Product to hold stray hairs into place is permitted.

Attention is required to the white feet and legs and staining needs to be minimised for good presentation.

Banding an/ or wrapping of the face falls is recommended to grow the best face fall for competition, but is not a main focus in the breed.

The best presentation is achieved by bathing and complete drying the morning of competition with light banding to achieve toileting prior to going in the ring. The Biewer Terrier is shown with a single bow of any colour, but there is a preference among foundation exhibitors and breeders to the colour purple.

## HEALTH

Biewers are on the whole healthy energetic dogs and have a expected life span of 16 years.

Care should be taken with the health of the teeth and gums as that can have an impact on the overall health of the Breed.

Members are invited to submit dog related stories of interest for inclusion in upcoming issues of our Dog World magazine.

All canine topics are accepted whether they be unusual, quirky or factual and can include 'paw-friendly' walks and cafes, heart-warming tales or antics while in lockdown to name a few.

Dogs Queensland would like to showcase your dog's story to the wider canine community. To see your story published simply send it through to [barbara@dogsqueensland.org.au](mailto:barbara@dogsqueensland.org.au)

# Scenic Rim Puppy Farm

– David Margan

Some months ago, Dogs Queensland, put in a submission to the Scenic Rim Council opposing a development application for a ‘designer dog puppy farm’.

We have made inquiries as to the current status of the application and received the following from the Council’s planning department:

*“The applicant has provided additional supporting material in response to matters raised in the public submissions. This will be published to Council’s DAP Online portal shortly. The application remains currently under assessment, with no Council meeting date set at this stage.”*

The proposal received thousands of objections mostly focusing on issues of animal welfare and the potential negative effects on neighbouring properties.

While the Council says the application is still under assessment, unfortunately, it appears that council officers will approve the development application.

The core issue here is that they simply have no other choice as issues of animal welfare are not part of Queensland’s Planning Act 2016 legislation. Consequently, Council officers can’t consider animal welfare, nor the Queensland Animal Welfare Standards and Guidelines for Breeding Dogs and their Progeny in deciding

their assessment.

The Council states: “these Guidelines primarily apply to the operation of the use and is thus a compliance matter, and not primarily a development assessment matter.”

This is a serious and non-sensical omission from Queensland’s planning process whereby the welfare of the inmates of this puppy factory is not an issue to be considered.

One also wonders what compliance inspections the Council is referring to as the Council doesn’t conduct any animal welfare checks.

The Council officers claim that: “The applicant is therefore proposing a lawful use in a zone that is intended for the use. There is identified demand for the dog breeds that are proposed by the applicant, and thus the proposal represents an excellent opportunity for a viable rural activity to be established, which will strengthen the Scenic Rim economy.”

So, money matters not animal welfare and they are simply prepared to accept the ‘word of the applicants in regard to welfare matters.

“The applicant has shown through the well-considered kennel design and operational information provided in this application that they will be responsible operators who will take their duty of care to the breeding dogs very seriously.”

Even more amazingly the Council Town Planning officers, in response to a submission by our own Helen Weil, also went on to claim, without any expertise or evidence, the following;

*“The submitter claims that the proposed breeding kennel “has nothing to do with breeding healthy, sound, well-adjusted and well-socialised puppies.” This is refuted by the Enrichment program outlined in Attachment 3, which will provide the breeding dogs with daily exercise and enjoyment. Further, the owner-operators are deliberately crossbreeding to achieve dogs that better suite modern Australian lifestyles, which in turn will reduce the number of less-suitable dogs ending up in rescue centres and pounds. Further, crossbreeding eliminates the transfer of breed-specific genetic disorders to puppies, resulting in healthier dogs. So, this proposal will provide companion dogs that are healthy and well-socialised.”*

While animal welfare has no place in their DA assessment now, they’re breeding and welfare experts who have ignored the mountain of evidence that ‘puppy farms’ fail in any duty of care.

They are being progressively banned in Europe and yet the Scenic Rim Council, with no canine expertise or knowledge, is prepared to simply accept the word of the applicants that everything will be alright.

*“They will not be outsourcing the responsibility for the operation of the kennel to others and are completely committed to running a dog breeding*

*kennel of the highest standards.”*

In mounting support for the application Council officers also refer to what the applicants have referred to a , “*a proposed Enrichment program for breeding dogs.*” where an ‘enrichment’ area will accommodate five daily rotation activities.

This was not contained in the original development application but has been added in response to the torrent of opposition to the proposal.

Whether any of it will see the light of day is another question and it’s a pity that the Scenic Rim Council didn’t seek our advice about breeding and animal welfare matters.

Our only hope now is to lobby all the individual Scenic Rim Councillors to encourage them to vote down this Development Application.

And I urge our membership to lobby the Scenic Rim Councillors with the facts and our objections to this proposed ‘designer dog puppy farm.’

That’s exactly what happened to a similar application that was initially approved by council officers of the Sunshine Coast Council, but the elected Councillors rejected their advice and voted the application down 8-1.

The Qld Planning Act needs amendment, there needs to be a greater co-cooperation and resourcing between State and Local government when comes to issues of animal welfare.

At the moment dogs are falling through the cracks.

# Taylah Bryant – Junior Handler

– Carolyn Ryan

At the Golden Retriever Club of Qld Inc Championship Show held on Sunday 3 July 2022, a new team made their debut.

Taylah Bryant, daughter of successful exhibitor Melanie Rennie showed her Golden Retriever puppy Phoenix for their first show.

They were awarded second in a very competitive class of baby puppies.

Judge Ruth Thompson (SA), herself from a multigenerational canine family, happily put Taylah and Phoenix through their paces. Both Ruth and

Taylah are also accomplished equestrian riders!!!

Taylah's grandmother, Maree Saunders – another breeder/exhibitor of Golden Retrievers – was there to cheer them on.

Breeder and co-owner of Phoenix, De-Arne Hargreaves was all smiles watching this team in action.

It was inspirational to see so much support for this young exhibitor – the future of our dog world.

Congratulations Taylah and Phoenix. We all look forward to watching your continued success in our wonderful dog world.

# DIRECTOR PROFILE

## Barb Murfet

– David Margan

When I first came upon Barbara Murfet, she reminded me of a once famous Hollywood starlet incognito with her black hat and shades, which made her laugh when I told her.

But to everyone she is simply known as ‘Barb’.

I really got to know her better when she lent enormous assistance in the filming of 147 handlers and 172 dogs for the re-launch of the ANKC as Dogs Australia. We simply would have had a nightmare on our hands but for Barbara’s wrangling, support, and humour.

Barbara Murfet has been a member of Dogs Queensland since 1976 and there is hardly a thing, she hasn’t done to further the cause of Dogs Queensland in that time.

Barbara was made a Councilor in 2007 and has been elected as a Director in 2013, 2015 and again in 2019 and is currently our Senior Vice President.

Of course, anyone entering our world does so with dogs in tow and over the years Barbara has trialed and shown Irish, English and Gordon Setters and shown Cavalier King Charles Spaniels. Her first dog was ‘Misty’, an Irish Setter, a breed very popular in the 70’s.

But Barbara’s’ principal obsession has been Dog Sports and it would fair to say she has driven the cause and is the one person who is responsible for them being such a rapidly growing and popular skill set in our dog world.

In fact, in 2008 the ANKC tasked her with setting up a working party to investigate whether Dances with Dogs could and should be an ANKC discipline. In 2009 that happened, and she has been the Chairperson of the ANKC National Dances with Dogs (DWD) Committee ever since.

Barbara was involved in pretty much the same exercise that saw Trick Dogs also become an ANKC discipline in 2020.

Her list of key roles in the growing world of dog

sports is endless and she is also an internationally experienced judge specializing in Obedience, Rally, Agility, Dances with Dogs and Trick Dogs.

She has also trained judges and has been closely involved in developing “Competency Based Judges Training” and “Distance Education” for Judges in North and Central Queensland, has trained judges in Malaysia, assessed judges in the Northern Territory and developed Theory examinations for the ACT, Victoria and the Northern Territory.

For many years Barbara has been RNA Chief Steward and Coordinator for dog sports activities at the EKKA and for the All Dog Sports Spectacular and these two are perhaps our biggest annual events. This year she has been made an Honorary Councillor.

Her fundamental rationale is that an active engaged dog is a happy dog, and it is that view that has driven her to grow activities and new disciplines for our dogs.

Her other passion is to share the knowledge she has acquired over the years. It’s one of the main reasons she is so well known and regarded.

But it hasn’t all worked, trying to build a better platform for breeder accreditation was less than successful.

I asked her about other failures or moments of embarrassment, all she could think of was a dramatically split skirt during judging requiring the urgent application of needle and thread.

As for the future, Barb is going to keep going, working on greater utilization of not only the vast space of our Durack Showgrounds but greater time utilization as well.

And the continuing job of spreading the word, growing even more disciplines and the attendant growth in membership and encouraging and mentoring people to take her place.

# Backpacking With Your Dog

– Article and images: Sandy Koch, Windchill Dog Gear

Backpacking is an enjoyable activity for you and your dog, whether it be a long hiking trip or just a walk to the shops for some supplies.

Anyone can have a go at hiking with their dog as long as the dog is in good health, is reasonably fit and you have the right equipment.

The only specialised equipment you'll need is a canine backpack for your dog. You'll also require a sturdy lead (6 – 8 feet long is ideal) and comfortable collar, dog-towel (if conditions are wet), food, water and water bowl for your dog, and a basic first aid kit as well as your own requirements. Be aware that Malamutes and Huskies are breeds that must be walked on lead at all times – wildlife will almost certainly be encountered on your hike and will often pose an irresistible temptation to even the most obedient Malamutes and Huskies!

If you are just interested in hiking with your dog for fun, you can put items such as food, drink and clothing in his pack – as much or as little as you like, keeping in mind that the dog should not carry more than 30% of his body weight.

Backpacks can also be put to good use when you and your dog have a bit of shopping to carry home.

## Training your dog

Training should begin with walking your dog with an empty or lightly loaded pack to get him or her used to the feel of it, and to ensure that the pack is fitted correctly and is comfortable for the dog. It is advisable to load the saddle bags with light bulky padding so that they are full and sit correctly on the dog.

Once the dog is used to wearing the pack, gradually increase the weight and the distance of your walks. By building up the weight in this way, any problems with your dog or the backpack should become apparent before you find yourself miles from anywhere participating in a long distance hike.

Any reasonably fit, healthy, sound and mature dog should be able to carry a loaded backpack on a long hike. Having said that, it is always advisable to take your dog to a vet and/or veterinary chiropractor before you embark on any

strenuous event to ensure that your dog is in peak condition and doesn't have any underlying health or structural problems. For breeds prone to hip dysplasia, having their hips x-rayed and assessed for hip dysplasia may also be advisable.

Please note that hiking with a loaded backpack is not a suitable activity for some breeds due to their structure (such as the Achondroplastic breeds) or high risk of breathing problems (such as the Brachycephalic breeds).

Undetected health problems may be exacerbated by working activities such as weight-pulling, sledding and backpacking, and you and your dog certainly don't want any unpleasant surprises when you are at an event a long way from help. If your dog does develop a serious problem it could be several hours before you can get veterinary attention. For this reason, and for your own safety, it is always best if you hike with someone else.

As larger breeds such as the Malamute can be slow to physically mature, we do not backpack our dogs with loaded packs until they are at least 18 months of age. Keep in mind that every dog is different, but most fit, healthy puppies over 6 months may be able to do a short walk with a very lightly loaded pack, and from 12 months can do longer walks with a moderate load in the pack.

In all cases, we watch our dogs very carefully throughout the hike for signs of discomfort. Some indications that a dog is not coping well with carrying a backpack are:

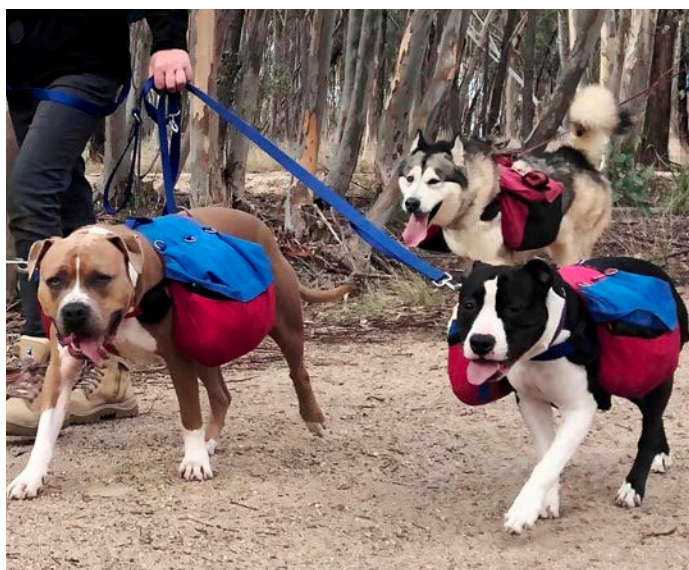

- dog lagging behind
- dog dragging his feet
- dog reluctant to move or get up after a break

Assess your dog and be objective, if he is not appearing to enjoy the hike then relieve him of his load. Let's face it, I'm sure the dog would enjoy the hike just as much, or even more, if he didn't have to carry a pack.

Offer your dog water at frequent intervals and plan plenty of rest stops during longer hikes. Use your rest stops to relieve your dog of the weight of the pack and check that the pack is sitting comfortably on the dog and not rubbing. If you have a 2-piece pack (separate saddle section and pannier bag section) and are only stopping for a short time, you have the advantage of being able to remove the weight of the pannier bags from your dog without having to undo the straps and remove the whole

pack. If the pack or your dog gets wet during the hike, it is advisable to dry the dog and pack off as much as possible before recommencing your walk.

If you are hoping to achieve a backpacking title for your dog please do not put your dog's welfare at risk – if he's not enjoying it don't force him to keep walking and carrying weight for the sake of earning a title. The dog doesn't care if he has a title or not.

## The Backpack

The most important piece of equipment for hiking with your dog will be the backpack. This is not an item that should be scrimped on, if you are intending to do some long hikes or pursue a title for your dog it's well worth the expense to get a sturdy, waterproof 2-piece backpack.

It is important that you have a pack of suitable size for your dog and that you know how to adjust the pack so that it is fitted correctly and is most comfortable for the dog.

The backpack should sit over the withers (shoulders), so that the weight is transferred down to the ground through the front legs and feet. The pack should never put pressure on the dogs lower back. The lower back is the weakest area of the dog's spine as there is no support from the rib cage or pelvis, and this area should never bear any weight.

If you are not sure that your dogs pack is fitted correctly, please check with an experienced backpacker. A badly fitted pack will be uncomfortable for the dog, may rub and, in the worst case, cause injury.

The pack should also not be too large. The pannier bags should not hang so low that they hit against

the legs of the dog as he walks, and the saddle should not extend beyond the upper section of the back.

The pack must be loaded and the straps adjusted so that it remains centred along the topline of the dog and cannot slip from side to side. The weight in each side of the pack must be equal, so if weight is taken from one side (ie water is consumed from a drink container in one side of the pack) the weights in the pack will need to be redistributed.

It is important that the weight is loaded and distributed in the pack in such a way that it does not shift while the dog is walking. If the weights can shift in the pack it will result in redistribution of the weight along the dog's topline towards the lower back which may lead to injury. It is better to have a smaller pack that is fully loaded than a larger pack that is half empty – the former will sit more comfortably on the dog.

It is best to place the lighter items lower down and towards the rear of the saddle bags, with heavier items up higher and towards the front. This keeps the majority of the weight over the shoulders of the dog rather than on the back.

If your dog is negotiating obstacles on a walk, such as climbing over a log, assist your dog by taking the weight of the pack. In difficult situations it is advisable to remove the dog's pack and put it back on after the obstacle has been safely negotiated to prevent injury to the dog.

## Working Pack Dog Titles

The Australian National Kennel Council (ANKC) now offers Working Pack Dog titles as part of the Sled Sports program to registered dogs

(eligibility criteria apply).

The working pack dog program requires dogs to carry either 15% or 30% of their body weight on four 16 kilometre hikes to qualify for the Working Novice Pack Dog (WNDP) or Working Pack Dog (WPD) title respectively.

A dog weighing 40 kilograms would therefore have to carry 12 kilograms of weight for the WPD title program, which is the equivalent of 12 litres of water. It is recommended that you and your dog don't attempt this unless you are both fit, healthy and have done some training.

Many of the trails involve hilly terrain and may have some steeper trails, so make sure your training includes some hill work and is not just in flatter areas. Walking on the flat does not prepare you or your dog for hilly trails, as different muscle groups come into play when walking up and down inclines.

You will require a sturdy backpack which is sufficiently large to hold the required weights, so it's best to get some advice before going to the expense of buying a pack. The weight is usually made up of something that is dense yet can mould to the shape of your dog: bags of rice, bags of damp sand and/or a soft pack of water (similar to the bladder of a wine cask) are suitable.

To qualify for a pack dog title, the only permissible reduction in pack weight over the duration of the hike is by consumption of food and water by your dog, so making up some of the weight with water for your dog is strongly advised.

Be aware that there are many areas in which you are not permitted to have a dog, including National

Parks, so check before your big excursion that you and your dog won't be breaking any laws just by being there.

Many breed clubs hold several backpacking events each year and anyone with a healthy and fairly fit dog can go along. Contact your State canine association for further information about backpacking with your dog, backpacking events and the working dog title program.

If you are interested in trying your dog out at backpacking visit the Alaskan Malamute Club, Victoria website at [www.amcv.org.au](http://www.amcv.org.au) for more information and details of backpacking events.

Happy Hiking!

## DNA TESTING SERVICE

Using Dogs Queensland for all your DNA requirements is a simple, straightforward process for all members (regardless of computer skills).

Members can easily place an order for DNA Profiling and Parentage and it is entirely managed by Dogs Queensland from posting DNA swab kits to final DNA results.

- DNA Profiling and parentage
- Prompt turnaround

Other testing available:

- Breed specific DNA testing
- Specific Single Breed testing

ONLY  
**\$49.50**

Contact Julana at [julana@dogsqueensland.org.au](mailto:julana@dogsqueensland.org.au) or by phone on 3252 2661 for all your DNA enquiries

## QUEENSLAND NON-SLIP RETRIEVING TRIAL CHAMPIONSHIP JUDGES

### MR P. (Peter) COUSINS

Life for Peter at present, when occasionally interrupted by working for a living, revolves mainly around dogs and horses and, in this respect, he is not sure whether his main function is that of a cook and bottle washer, valet or sanitary engineer.

However, animals — particularly dogs — have been his life's love. He has owned and bred Springers since 1967. Other breeds owned during that time were Pointers, a Weimaraner and a Labrador. He really does not think that there is anything more beautiful than a gun dog working properly and to this end he has shot over and trialled Springers, Pointers, Labradors and a Weimaraner.

He believes judging working gun dogs is the sublime form of enjoyment which one can derive from the sport and he first judged non-slip in 1973 and this will be his fourth championship appointment. Peter looks forward to the high standard of both performance and sportsmanship that has been evidenced in the past.

*Mr P. (Peter) Cousins*

*Mr A. (Amand) Golle*

### MR A. (Amand) GOLLE

Amand has been actively involved in the training and trialling of pure-bred dogs since 1979 and has held several executive positions at club level. He trained his first dog, Kismet Prince Leo, a Border Collie, to UD title at the tender age of 22 months. Since then, he has trained two other dogs to CD titles: R.T. Ch. Wrangham Uruisg, a Springer Spaniel (the first Springer Spaniel to gain a Retrieving Trial Championship in Australia) and R.T. Ch. Justlab Tidal Sweep, a Labrador Retriever.

Amand is qualified to judge obedience to CDX level, Spaniel and Retriever Field Trials to Open and Non-slip Retrieving Trials to Championship. This will be Amand's first State Championship appointment.

# Eukanuba™

**Okie Ch Lurikeen To Glam T Give A Damn** – owned by Ashlea Stanton and Julie Harris

## ‘THE FUTURE LOOKS BRIGHT’

*I have been showing since 9 years old and in 2001 purchased my first Shetland Sheepdog.*

I now share the prefix Lurikeen with my mother Julie and together we have campaigned 3 Supreme Champions, Neuter Grand Champion and multiple Australian Champions, including breeding an International Champion. These dogs have won multiple awards from Best Exhibit in Show's, Amish Challenge Awards and Western Australia's prestige Contest of Winners.

We have been feeding Eukanuba for over three years. At the time, we had a young puppy who was struggling, unable to maintain her weight and our vet recommended we change her diet so we decided to try her on a bag of Eukanuba we had won. This was the best thing we did for her. Not only did she put on weight, but she managed to maintain it and, in the process, grew an amazing coat. We are well known for our dogs having beautiful coats, but we hadn't had a puppy with a coat like this before.

We made the decision to change the whole team over to Eukanuba Premium Performance Sport and Eukanuba Puppy and our dogs' coats and overall health have never been better. The future looks bright for our up and coming youngsters, they are thriving, our sensitive stomach dogs have changed over with no issues and the results speak for themselves within our show team.

**20% OFF ALL EUKANUBA™ PUPPY FOOD\***
