President's Message

“Every week across the state, our affiliated clubs conduct numerous events. These range from conformation shows to various dog sport events, fun days and promotional activities. Our clubs are run by volunteers who undertake to fulfil a range of duties and activities for the benefit of their breed and the dog world in general.

Being a volunteer for any club or organisation can bring great enjoyment and reward but also means taking on significant responsibility.

I, along with my fellow Directors and Dogs Queensland Office staff, receive numerous queries from members in relation to the management of our affiliated clubs. Members should remember, all Dogs Queensland club meetings and events are covered as part of our Code of Conduct and behaviour at these events should be acceptable within the scope of that Code.

The first place we always refer back to when addressing a query, is the Club's constitution. This is the governing document and forms the basis for all decisions relating to the conducting of meetings and procedures within the club. Generally, clubs should follow the basic agenda process and the general rules of debate when conducting meetings.

As with most clubs and organisations, members may have differing views on certain topics. Sensible debate is always expected and one would hope, when all views are tabled, decisions are voted upon and implemented.

Being a member of a club, especially an executive member of the committee, comes with certain responsibilities. A Club Administration booklet is available here:

https://dogsqueensland.org.au/media/51999/dq_club_administration_booklet.pdf

This is an excellent guide to the roles and responsibilities associated with each position and club administration in general.

Certain duties and responsibilities are also imposed on club officials of Incorporated Associations by law.

The Management Committee have a duty to:

- carry out their functions in the best interests of the association, with due care and diligence.

- prevent the association from incurring a debt if there are reasonable grounds to expect that the association is insolvent or will become insolvent if the debt is incurred.

A committee member or officer of an incorporated association must not use their position – or information obtained from their position – to:

- gain a benefit or material advantage for themselves or another person.
- cause detriment to the association.

Club officials should always act in the best interests of the club. There should never be a situation where the club or club funds are used for personal gain of individual members. Everyone must act with integrity and honesty at all times. Members may be subject to disciplinary action as a result of conduct which leads to a breach of the Code of Conduct and/or Code of Ethics.

Annual reports to be completed by all affiliated clubs and submitted to Dogs Queensland. This is a condition of affiliation. The Club Annual Report forms can be found here: <https://dogsqueensland.org.au/media/52275/club-annual-report-forms.pdf>

Many clubs are now due or overdue to provide their next annual report. Please check that your club is up to date. Your club may be contacted in the near future if your club has not provided a current report. These reports are important to allow Dogs Queensland to have oversight of the Club's position and to maintain a record of the Executive of the Club should contact be required.

So please be appreciative of those who do take the time to be part of affiliated clubs and take on these responsibilities. This can take an enormous amount of time and expertise as well as fund raising efforts to pull these events together. Please thank those volunteers when you next have the opportunity to do so. Without these volunteers, clubs cannot continue to operate and conduct the events we all enjoy.”

Carolyn Ryan

Dogs Queensland President

Board Notes – October 2024

RULES AND REGULATIONS FOR HERDING TRIALS – BREEDS ELIGIBLE FOR HERDING PROGRAM UPDATED

In accordance with a decision from the 2012 Herding Committee rule review meeting where all Group 5 (Working Dog) breeds are eligible for the Herding Program, the listing noted in the Rules and Regulations for Herding Trials has been updated to include the following recognised breeds:

- Beauceron
- Icelandic Sheepdog
- Miniature American Shepherd
- Mudi
- Tatra Shepherd Dog

These breeds are eligible to compete in trials immediately.

The Dogs Australia website has been updated with the amended rules and can be viewed at:

[Updated Breeds Eligible For Herding Program](#)

ANKC/CDA CANINE DISC AGREEMENT

As a result of the decision at the June 2024 Special Board meeting (refer Item 4.2) the agreement between ANKC Ltd and Canine Disc Australia was endorsed, and the sport of Canine Disc is now an ANKC Ltd recognised discipline effective from 1 January 2025.

The signed Agreement and Title Recognition Procedure can be viewed by clicking the following links: [ANKC/CDA Agreement](#)

[ANKC/CDA Title Recognition Procedure](#)

In addition the Title Recognition Procedure appears on pages 18 through to 20.

DOGS QUEENSLAND CANINE GROOMING COMMITTEE

The Dogs Australia Board of Directors has recently resolved that a National Canine Grooming Committee be formed to conduct FCI Grooming Competitions.

To help facilitate this, the Dogs Queensland Board of Directors has agreed that they in turn will form the Dogs Queensland Canine Grooming Committee.

Expressions of interest are called for those interested in joining this newly formed Committee.

Any and all EOIs should be received no later than

16 October 2024 and directed to rob@dogsqueensland.org.au, the Board of Directors will then finalise the make up of the Committee at the Board Meeting on 22 October 2024.

It is vital that Committee Members should be team players and be available to attend Meetings and Events conducted by the relevant Committee.

Applicants may wish to send a resume of their past experiences that will demonstrate their commitment to this particular area of interest.

MEMBERSHIP RENEWALS 2025

The Board discussed the Membership/Prefix Fees for 2025 at the Board Meeting on Tuesday 23 July 2024 and agreed that the 2025 Membership/Prefix Fees would have a very moderate increase.

Membership and Prefix Fees for 2025 are as follows;

- Single Membership - \$84
- Joint Membership - \$128
- Prefix Maintenance - \$54

However in recognition of our Members ongoing loyalty, the following Early Bird Renewal prices will be offered to Members;

- Single Membership - \$80
- Joint Membership - \$120
- Prefix Maintenance - \$50

The Early Bird Membership Rate will be available to Members from launch in mid October until midnight on Monday 9 December 2024, after which the prices will revert to the new rate. Members should note that for the 2025 Director Elections, the Voter Roll will be prepared in early January so it is important to get your 2025 Renewal done as early as possible.

In addition to these discounts, Members renewing prior to midnight on Monday 9 December 2024 will go into a draw to win the cost of their Membership back. Those draws will be held weekly plus a special draw once the discount period has closed will be held where all Members who have renewed could win the cost of their Membership back plus a \$100 voucher to spend in the DQ Office.

The Dogs Queensland Board has also reviewed its Judges Fees for 2025. In order to continue to offer the highest standard of training for all Judges, the levy on all Conformation Judges will remain at \$20, thus keeping the Conformation Judges Renewal for 2025, \$80. The levy on Dog Sports and RAFT Judges will also remain at \$20, so the Dog Sports and RAFT

Judges Renewal will also be \$80. The levies will be utilised to provide further Seminars and support for remote Judges.

Junior Handler Judges will remain free of charge.

Further details on the Renewal process will be provided in due course.

NEW RULE BOOK

Members are advised of a number of changes to the Rule Book which appear on the following pages. Please note that the new Rule 40.2 should be read together with the whole of Rule 40 (which appears below).

40 – IN-GROUP AND IN-SHOW PLACING SYSTEM

(Optional for Shows that only offer Best Puppy in Group/Show and Best Exhibit in Group/Show)

40.1 Breed Judging

- (1) Breed judging shall be conducted in the same manner as the existing system to select Best of Breed, Best Puppy of Breed and Best Baby Puppy of Breed;
- (2) As Runner-Up to Best Exhibit In Show and Runner-Up to Best Exhibit In Group will no longer be judged, the Runner-Up to Best of Breed awards may be at the discretion of the Show Committee.

40.2 Group/Show Judging

- (1) Runner-Up to Best Exhibit In Show, Runner-up to Best Neuter in Show, Runner-Up to Best Exhibit In Group and Runner-up to Best Neuter in Group will no longer be judged;
- (2) Only Best Baby Puppy In Group and Best Puppy In Group awards will be offered. Therefore, only exhibits that have won Best Baby Puppy and Best Puppy of Breed are eligible to compete for Best Baby Puppy and Best Puppy In Group;
- (3) Only Best Baby Puppy and Best Puppy In Show awards will be offered. Therefore, only Best Baby Puppy and Best Puppy In Group winners are eligible to compete for Best Baby Puppy and Best Puppy In Show;
- (4) Only exhibits that have won Best of Breed awards are eligible to compete for Best Exhibit In Group awards 1st, 2nd, 3rd and 4th;
- (5) Only exhibits which have won Best Exhibit In Group shall be eligible to compete for Best Exhibit In Show awards 1st and 2nd;
- (6) The sequence of judging Best Exhibit In Group and Best Exhibit In Show awards shall be in the following order:
 - (i) Best Exhibit In Group, placed in the order of 4th, 3rd, 2nd, 1st;
 - (ii) Best Baby Puppy In Group;
 - (iii) Best Puppy In Group;
 - (iv) Best Exhibit In Show, placed in the order of 4th, 3rd, 2nd, 1st;
 - (v) Best Baby Puppy In Show;
 - (vi) Best Puppy In Show;
 - (vii) Best Neuter in Show (if offered).
- (7) Where a puppy is awarded a Best in Group/Best in Show placing in accordance with 40.2(6) (ii) or (iv), the highest placed puppy shall be awarded Best Puppy in Group/Best Puppy in Show and there shall be no elimination.

NEW RULE BOOK

The following changes (effective 1 September 2024) have been made to the Dogs Queensland [RULE BOOK](#). Changes relate to: Rules 20.2(3)ii, 28.1, 40.2, 44.9, 44.11(1), 49.1, 49.7, 49.8, 71, 79.1 and Appendices 6, 7 and 11. ***All amendments are effective from 1 September 2024.***

| | | | |
|-------|----------------|--|--------|
| V3.15 | Rule 20.2(3)ii | <p>Outdated wording altered to below;</p> <p>20.2 A litter shall be eligible for registration on the Register which is maintained under these Rules if:</p> <p>(ii) it is the progeny of a sire not registered in the General Register for Queensland but which is registered in the Register of the a Canine Controlling Body, recognised by the CCCQ Ltd, in the State/Territory in which its owner resides and of a dam registered in the General Register for Queensland, provided that the breeder shall deliver a copy of the registered pedigree of such sire, to the CCCQ Ltd;</p> | 1/9/24 |
| V3.15 | Rule 28.1 | <p>Updated wording around microchip transfer;</p> <p>28.1 Upon the sale, exchange, gift, lease, change of domicile, or other disposition of a dog or of any interest in a dog registered in the Registers of the CCCQ Ltd, an application for registration of a transfer shall be lodged by the registered owner/s with the Office of the CCCQ Ltd within thirty (30) days of the change. Such application shall be accompanied by the appropriate fee as set out in the scale of charges and must be signed personally by all partners in the ownership of the dog prior to the change. The name of the transferor is not to be shown as a part-owner of the dog unless the Application for Transfer is accompanied by an agreement to that effect, signed by the new owner. Only official CCCQ Ltd Partnership Agreement Forms are to be used. In the case of a Limited Register dog an Official CCCQ Ltd Limited Register Agreement statement that the purchaser understands the effect of the Limited Register is to be provided.</p> <p>The transferor (the original owner) shall update the microchip details with the new owner's details in the relevant recognised Australian register.</p> | 1/9/24 |

The provision of certificates in electronic format is at the discretion of the affiliate. Refer to the relevant Dogs Australia rules for each dog sport for the relevant qualifying criteria for each discipline</p> | 1/9/24 |
| V3.15 | Rule 71 | <p>A number of clauses have been updated for clarification purposes;</p> <p>71.1 If, within the precincts of any CCCQ Ltd recognised event, including all handling and training events sanctioned by the CCCQ Ltd, a dog demonstrates or is reported to have demonstrated any unprovoked aggressive behaviour where an injury has occurred or is likely to occur toward any person or any other exhibit or livestock, it shall be the duty and obligation of any Judge, Steward, Club or Show Official or any other member of the CCCQ Ltd or any Controlling Body to report in writing to the Event Manager (as defined) any and all such incidents on the day of the Exhibition before the closing of the Exhibition. Where the incident occurs in the ring, the Judge may at any time, at their discretion, order that the exhibit concerned be removed from the judging ring and withdrawn from further competition. Having ordered removal/withdrawal of an exhibit, the Judge is to record the incident on the bottom of the Ring Steward's Graph or Judging Sheets and submit a</p> | 1/9/24 |
| | | <p>written report to the Event Manager. Having received such a report, the Event Manager is to;</p> <p>(2) Arrange a meeting of the appropriate Committee to be held on the day of the incident when practical, or within fourteen (14) days of the incident in other cases, however the dog is suspended from Exhibition and all activities covered by the Rules until such meeting takes place (see Appendices 6 and 7); and,</p> <p>(3) Advise the owner and/or handler of the reported dog that he/she may make written submissions and attend the Committee meeting to be held on this matter. The owner and/or handler may be accompanied by a support person to provide support at the meeting however, the support person cannot participate in the meeting. Any failure of the owner and/or handler of a dog to take advantage of the hearing or to provide statements is not to delay or invalidate the procedure. No member who has an interest in the dog may be appointed to the Committee conducting the hearing.</p> | |

| | | | |
|-------|------------------------------|--|--------|
| | | <p>71.2 The Committee is to consider the report/s and/or oral statements at that meeting and if the complaint is considered to be proven, the following applies:</p> <p>(2) In extreme cases where a serious attack has occurred causing injury, the dog concerned should be disqualified from Exhibition, breeding, and all other activities defined under these rules, for life at the discretion of the Board of Directors of the CCCQ Ltd. A dog disqualified under these circumstances cannot be in the precincts of any Exhibition. There shall be no appeal to a disqualification in these circumstances;</p> <p>71.9 Incidents involving members which occur at Exhibitions or Club activities of any kind are to be reported to the Event Manager or Club official (President, Vice President or Secretary) immediately. All details of the incident are to be noted and forwarded in a report submitted to the Secretary of the CCCQ Ltd with the Event Manager's Report (where applicable) within five (5) working days.</p> <p>In cases where the member / non member wishes to lodge a formal complaint, a Notice of Intention to Lodge a Complaint form must be completed on the day of the Exhibition and handed to the Event Manager. The Event Manager shall include the form with Event Manager's Report submitted to the CCCQ Ltd. The member then has fourteen (14) days from the date of the Exhibition to lodge the complaint in accord with the Dogs Queensland Complaints Procedure. Failure to lodge a complaint within that period will cause the complaint to lapse (see Appendix 5).</p> | |
| V3.15 | Rule 79.1 | <p>Amendment clarifies attendance at an exhibition;</p> <p>79.1 Any person suspended or disqualified by the CCCQ Ltd or any other controlling body affiliated with the Dogs Australia, or otherwise ineligible to take part in Exhibitions held under CCCQ Ltd Rules shall, during the period of such suspension, disqualification or ineligibility, be not eligible to become or remain a member of any body affiliated with the CCCQ Ltd. If any such person is found to be within the precinct (as defined) of any Exhibition held under the CCCQ Ltd Rules, the CCCQ Ltd shall have power to increase the period of suspension, disqualification or ineligibility from the date of the infraction and/or notification of such infraction.</p> | 1/9/24 |
| V3.15 | Update to Appendices 6 and 7 | <p>Appendices 6 (Incident Reporting Procedure) and 7 updated (Event Manager's Checklist: Incidents Involving Aggressive Dogs) in line with changes to Rule 71</p> | 1/9/24 |
| V3.15 | Update to Appendix 11 | <p>Appendix 11 Heat and Extreme Weather Policy updated to include special provisions - Lure Coursing and SprintDog.</p> | 1/9/24 |

INTENTION TO LODGE A COMPLAINT

All Members are reminded of the following Rule in regards to Shows.

71.9 Incidents involving members which occur at Exhibitions or Club activities of any kind are to be reported to the Event Manager or Club official (President or Secretary) immediately. All details of the incident are to be noted and forwarded in a report submitted to the Secretary of the CCCQ Ltd with the Event Manager's Report within five (5) working days.

In cases where the member / non member wishes to lodge a formal complaint, a Notice of Intention to Lodge a Complaint form must be completed on the day of the Exhibition and forwarded with the Event Manager's Report. The member then has fourteen (14) days from the date of the Exhibition to lodge the complaint in accord with the Dogs Queensland Complaints Procedure. Failure to lodge a complaint within that period will cause the complaint to lapse (see Appendix 5 – page 85 RULE BOOK).

[INTENTION TO LODGE A COMPLAINT FORM](#)

USAGE OF NON-AUTHORISED IMAGES/GRAPHICS ON ALL MEDIA PLATFORMS

Members are asked to be mindful of submitting or using images/graphics taken from the web to promote your breed or any event. These are protected by copyright and to do so, without the appropriate licence or express permission from the owner, could potentially result in legal action and damages.

Dogs Queensland accepts images/graphics submitted or uploaded to our social media platforms in good faith and on the basis that all relevant approvals have been sought. Before submitting images for publication on any platform, please ensure that you have permission to use the image for this purpose.

DOGS QUEENSLAND SPECIALIST MEMBER LIST

As per the Constitution, the appointment of Members to the Dogs Queensland Specialist Member List, that will in turn form part of the Appeals Panel and also Breaches Panel, is approved on a yearly basis.

Under the terms of the Constitution, all Members will need to be nominated by an Affiliated Club and then approved by the Board of Directors. It is hoped that this process can be completed shortly and it is requested that Clubs provide any nominations they have to the Dogs Queensland Office no later than 16 October 2024 by email to rob@dogsqueensland.org.au. All current Members of the panel have been contacted to ascertain whether they wish to continue and to contact their nominating Club.

Reproduced below are the sections of the CCC(Q) Ltd Constitution that deal with the formation of the Panel under this Constitution, and it is noted that this Panel will also form an Appeal Panel under the terms of Clause 18.

18 Appeal to the Appeal Panel regarding a decision to reject, suspend, disqualify or terminate membership

18.1 Each year, the Board of Directors shall appoint:

(1) a Legal Chairperson List which shall comprise persons who are lawyers of more than ten (10) years post admission experience, including retired eminent lawyers or other person deemed by the Board of Directors to have comparable experience, who may or may not have a current or former association with the CCCQ Ltd; and

(2) a Dogs Queensland Specialist Member List which comprises persons with specialist knowledge of one or more of the CCCQ Ltd discipline areas and / or canine matters more generally but will not include current Members of the Board. Each year, the Executive of each of the Clubs affiliated with the CCCQ Ltd shall be requested to nominate Members of the CCCQ Ltd to be appointed to this list. The final composition of this list will be determined by the Board.

18.2 A person whose application for membership has been rejected or whose membership has been suspended, disqualified or terminated (Appellant) may give the Secretary written notice of the person's intention to appeal the decision.

18.3 A notice of intention to appeal must be given to the Secretary:

(1) in the prescribed form; and

(2) within fourteen (14) days of being notified of the decision to reject, suspend, disqualify or terminate the person's membership.

18.4 The Appellant must lodge a formal appeal in accord with the Dogs Queensland Appeal Procedure within fourteen (14) days of the notice of intention to appeal. Then, the Secretary must appoint an Appeal Panel.

18.5 The Appeal Panel will comprise one (1) person from the Legal Chairperson List and two (2) persons from the Dogs Queensland Specialist Member List. The three (3) persons comprising this Panel will have a decision-making role. In each appeal instance, the Secretary must nominate the next person on the Legal Chairperson list and the next two (2) persons from the Dogs Queensland Specialist Member List. If a potential conflict of interest is identified, or the person is excused for another reason, the next person on the relevant list is to be nominated by the Secretary.

18.6 Within seven (7) days of nominating the Appeal Panel, the Secretary must notify the Appellant of the persons comprising the Appeal Panel. Within seven (7) days of receiving notice from the Secretary, the Appellant may have the initial and once only right to reject any or all Members of the Appeal Panel, in which event the Secretary must appoint the next person or persons on the relevant list and within seven (7) days, notify the Appellant of the revised Appeal Panel.

18.7 Before the appeal is determined, the Appellant must be given a full and fair opportunity to submit evidence to the Appeal Panel. Thereafter, the Respondent be provided with such evidence and may submit rebuttal evidence detailing reasons for the decision to reject, suspend, disqualify or terminate membership. The Appeal Panel will be guided by the principles of procedural fairness and natural justice in determining the appeal.

18.8 The decision of the Appeal Panel shall be final except where the Board of Directors is advised and subsequently determine the decision of the Appeal Panel is unconstitutional, wrong in law or a denial of natural justice, then such decision of the Appeal Panel will be vacated and the matter determined de novo.

18.9 The Secretary shall advise the Appellant in writing of the decision of the Appeal Panel as soon as practicable.

CANINE CONTROL COUNCIL (QUEENSLAND) LIMITED (DOGS QUEENSLAND) 2025 ELECTION NOTICE

2nd September 2024

Dear Member,

Vero Voting has been contracted by Canine Control Council (Qld) Limited to conduct an election for Six (6) Directors. Nominations open Friday 8th November 2024, and close at 5pm AEST on Friday 6th December 2024.

Background

Vero Voting, an independent voting service, has been engaged to manage your Nominations and Election. Vero Voting have been appointed by Canine Control Council (Queensland) Limited to protect your privacy and ensure a fair and equitable vote result. All votes submitted will be confidential and anonymous.

The Six (6) Retiring Board Directors are:

- Mrs Netta Bainbridge – Zone 1
- Ms Elisa McCutcheon – Zone 1
- Miss Carolyn Ryan – Zone 1
- Ms Mandy Schelbach – Zone 1
- Mrs Vicki Schneider – Zone 1
- Mr David Weil – Zone 1

Please note, subject to compliance with clause 27.5 of the Canine Control Council (Qld) Limited Constitution, retiring Board Directors will be eligible for re-election. The qualifications required to hold Office as a Director are listed within the Canine Control Council (Qld) Limited Constitution, which is available on the Dogs Queensland website or is available by request from the Dogs Queensland Office.

Next Steps

Step 1: Complete a nomination form along with the candidate statement/ résumé.

Step 2: Lodge the completed form as per the instructions below.

NOMINATIONS, which can be made from Friday 8th November 2024 must be in writing and comply with the constitution. In accordance with 29.3 of the Constitution, nominations shall be in writing, and signed by the nominee and two (2) other members supporting the nomination, and shall include class of membership, status, place of residence and a brief résumé by the nominee. Nominations must reach Greg Mitchell from Vero Voting by no later than 5pm AEST, Friday 6th December 2024.

NOMINATION FORMS may be downloaded from the Dogs Queensland website or by contacting the Returning Officer from 7th October 2024.

CANDIDATE/NOMINEE RESUME: Candidates may submit a résumé not exceeding 200 words setting out their capabilities and skills and a profile picture, which will be distributed to members, if a ballot is required. This should be submitted with the Nomination form. To ensure accuracy of your information it is strongly recommended that you submit the statement and picture in an electronic format (Microsoft Word & JPEG) to the Returning Officer at email: greg@verovoting.com.au. These details should also be forwarded to the Dogs Queensland Office

to allow the résumés and photos of all nominees to be prepared for publication on Monday 9th December, 2024.

FUTHER REQUIREMENTS

Candidates are asked to note that prior to any appointment at the March 2025 AGM, all potential Directors must have a **Director ID number**. The fastest and easiest way to do this is to apply online with your phone via the myGovID app. Candidates must also have a valid **Blue Card** at the time of nomination, details of how to apply are provided on the attached 'Applying for Blue Card Sheet'

HOW TO LODGE NOMINATIONS

By email: A properly completed nomination form including all necessary signatures and attachments may be scanned and submitted as a pdf file to greg@verovoting.com.au

By post: Vero Voting, Unit 5, 100 Railway Road, Daglish, WA 6008

BALLOT: If a ballot is necessary, voting will be conducted primarily using Internet Voting. Instruction Sheet/Password Advices will be emailed to the email address listed with Dogs Queensland. However, for those members who wish to cast their vote via Postal Voting, other than those without a listed email address, will need to contact the Secretary of Dogs Queensland, before the close of Nominations (5pm AEST 6th December, 2024), to request a Postal Voting pack be mailed to your Postal Address. Similarly, if you have not previously provided your email address and you wish to vote via the internet, you can also notify the Dogs Queensland Office no later than 5pm AEST 6th December 2024.

The ballot will open on Friday 17th January 2025, and close at 5:00pm AEST on Monday, 17th February 2025.

How Internet Voting Works: Just prior to the Ballot opening, you will receive communication from Vero Voting. You will be given a unique login that is linked to your membership. Once logged into the voting portal you can following the on-screen instructions to lodge your vote.

Should you require any assistance please contact Greg Mitchell (Returning Officer) on 1300 702 898 or greg@verovoting.com.au.

Yours faithfully,

Mr Greg Mitchell
Independent Returning Officer

Vero Engagement & Voting Solutions Pty Ltd

ANKC/CDA Title Recognition Procedure

Canine Disc Title Recognition Procedure For ANKC Member Body Use

Canine Disc Title Application Procedure for ANKC Member Bodies

The Australian National Kennel Council (ANKC) and Canine Disc Australia Ltd (CDA) reached an agreement whereby the ANKC will recognise CDA titles achieved in the sport of Canine Disc, provided the dog and handler meet the requirements for an ANKC title application. For the ANKC Member Bodies to fulfil their end of the agreement, the Member Bodies will accept applications from members for Canine Disc titles, upon receipt of

- CDA title certificate, along with the
- Member Body's usual title application and
- payment requirements.

For titles to be recognised members must have been a financial member of the ANKC at the time the title was achieved, Member Body staff will need to check the date on the CDA title certificate to ensure that the dog was ANKC registered and the owner was a financial member of a ANKC Member Body on that date.

Under Section 10 of CDA's rules and regulations, CDA recognises the following titles.

Their abbreviations are provided in brackets.

10.3 Throw & Catch Titles

- 10.3.1 Canine Disc Junior – (CDJ)
- 10.3.2 Canine Disc Beginner – (CDB)
- 10.3.3 Canine Disc Excellent – (CDE)
- 10.3.4 Canine Disc Open – (CDO)
- 10.3.5 Canine Disc Master – (CDM)
- 10.3.6 Elite Disc Dog – (EDD)
- 10.3.7 Ultimate Disc Dog – (UDD)

10.4 Freestyle Titles

10.4.1 Freestyle Skills

- 10.4.1.1 Freestyle Skills Beginner- (FSB)
- 10.4.1.2 Freestyle Skills Excellent – (FSE)
- 10.4.1.3 Freestyle Skills Open – (FSO)
- 10.4.1.4 Freestyle Skills Master– (FSM)

10.4.2 Freestyle

- 10.4.2.1 Freestyle Beginner – (FRB)
- 10.4.2.2 Freestyle Excellent – (FRE)
- 10.4.2.3 Freestyle Open – (FRO)
- 10.4.2.4 Freestyle Master– (FRM)
- 10.4.2.5 Elite Freestyle Dog – (EFD)
- 10.4.2.6 Ultimate Freestyle Dog – (UFD)

10.5 Games Dog Titles

- 10.5.1 Games Dog Beginner – (GDB)
- 10.5.2 Games Dog Excellent – (GDE)
- 10.5.3 Games Dog Open – (GDO)
- 10.5.4 Games Dog Master – (GDM)

10.6 Competitive Merit Titles

- 10.6.1 Canine Disc Superior – (CDS)
- 10.6.2 Freestyle Dog Superior – (FDS)
- 10.6.3 Games Dog Superior – (GDS)

10.1.3 Multiple Achievements

A number of Titles provide scope for multiple achievements. CDA will receive applications for the Title suffixed with the multiple of achievement (eg CDM2, CDM3, CDM4 etc) after the name of each Dog which has already been awarded the Title and which shall have subsequently again gained all of the Qualifying Certificates for the Title. Only Titles that specify multiple achievements are eligible.

The following titles are recognised with Multiple Achievements

Their abbreviations are provided in brackets.

10.3 Throw & Catch Titles

10.3.5 Canine Disc Master – (CDM2, 3, 4, 5 etc)

10.3.6 Elite Disc Dog – (EDD2, 3, 4, 5 etc)

10.3.7 Ultimate Disc Dog – (UDD2, 3, 4, 5 etc)

10.4 Freestyle Titles

10.4.1 Freestyle Skills

10.4.1.4 Freestyle Skills Master– (FSM2, 3, 4, 5 etc)

10.4.2 Freestyle

10.4.2.4 Freestyle Master– (FRM2, 3, 4, 5 etc)

10.4.2.5 Elite Freestyle Dog – (EFD2, 3, 4, 5 etc)

10.4.2.6 Ultimate Freestyle Dog – (UFD2, 3, 4, 5 etc)

10.5 Games Dog Titles

10.5.4 Games Dog Master – (GDM2, 3, 4, 5 etc)

10.6 Competitive Merit Titles

10.6.1 Canine Disc Superior – (CDS2, 3, 4, 5 & 6)

10.6.2 Freestyle Dog Superior – (FDS2, 3, 4, 5 & 6)

10.6.3 Games Dog Superior – (GDS2, 3, 4, 5 & 6)

All Canine Disc titles are suffix titles and are to be included on the end of the dog's name.

If you require more information regarding the title application process or Canine Disc in general, please contact the Convenor of the ANKC / Canine Disc agreement, Allison Britton at dunwurknbc@gmail.com

SAMOYED

The Samoyed is a beautiful and affectionate and captivating breed with a rich history and a bright personality. From their origins in the Siberian tundras to their modern-day roles as beloved family pets, Samoyeds have proven themselves as loyal companions, hard workers, and gentle protectors.

– *Helen Chen*

THE MAJESTIC SAMOYED: A HISTORY OF WORK, PLAY, AND LOYALTY

The Samoyed is a breed that captivates dog lovers worldwide with its iconic "Sammy smile", fluffy white coat, and friendly disposition. But there's much more to this breed than meets the eye. With a long history of working alongside humans in the harsh climates of Siberia, the Samoyed has become known not only for its beauty but also for its loyalty, intelligence, and resilience. This article explores the history, temperament, care requirements, and grooming needs of the Samoyed, offering insight into whether this breed is the right fit for you.

A BRIEF HISTORY OF THE SAMOYED

The Samoyed was developed centuries ago by the peaceful Nomadic Samoyed People of Siberia. The Samoyed dog was used for herding, guarding, reindeer and for sled hauling. Although the Samoyed was a strong, tough outdoor worker they were also very much a family dog, taking their place in the family's tents, enjoying, and thriving on its human's companionship. The dogs developed a great understanding of humankind and quickly became the guardians of the children. To this day the Samoyed remains a delightful playmate and faithful protector of children. In the 19th century and into the early 20th century the Samoyeds were brought out of Siberia to pull sleds on the arctic and Antarctic expeditions.

As Arctic exploration gained momentum for the breed outside of Siberia in the 19th and early 20th centuries, Samoyeds were brought on polar expeditions by explorers like Fridtjof Nansen, Ernest Shackleton, and Ronald Amundsen. The explorers praised the Samoyed dogs for their hard-working yet friendly temperament. All the pioneers of polar exploration used Samoyeds to some degree.

It is true, the Samoyed couldn't compete with the Siberian

Husky when it came to speed and didn't possess the power of the Alaskan Malamute, but the breed nonetheless had its place as a sled dog – including a superior ability to navigate over the difficult terrain that often slowed down other breeds and work tirelessly for long hours. In 1911, a Samoyed from Amundsen's expedition is believed to have been the first non-native creature to set paw on the South Pole.

The breed first appeared in England in the late 1800s, thanks to explorer Earnest Kilburn-Scott, who brought a Samoyed puppy back as a gift for his wife. Kilburn-Scott played a pivotal role in popularizing the breed, and by 1909, he had founded the first Samoyed club in England. The breed was officially recognized by the American Kennel Club in 1906, and since then, the Samoyed has gained a dedicated following worldwide.

GENERAL APPEARANCE AND BREED HALLMARKS

With its fluffy white with silver shimmer coat, striking smile, and curled tail, the Samoyed is a breed that immediately grabs attention. But beneath this stunning exterior is a well-built, muscular dog designed for hard work. The Samoyed's double coat is thick and weather-resistant, perfect for the harsh conditions of Siberia. The dense undercoat provides insulation, while the harsher outer coat repels dirt and moisture, and is often referred to as "Teflon dogs".

This combination not only makes the Samoyed well-suited to cold weather but also surprisingly easy to keep clean, as dirt often falls off or can be easily brushed away.

Samoyeds are medium-sized dogs, with males standing 51-56 cm (20-22 inches) at the shoulder and females measuring 46-51 cm (18-20 inches). Their bodies are strong yet graceful, designed for endurance and agility. The characteristic "Samoyed Smile" is not just an adorable feature – it was a functional aspect that allowed the dogs to live in freezing temperatures without the risk of their mouths becoming frozen shut by their saliva, drool coming out of their mouths. The smile also reflects the breed's friendly and outgoing personality. Their tails, which curl over their backs, were historically used to keep their noses warm by covering and filtering icy air temperatures when they curled up to sleep in the snow.

Temperament: *Friendly, Loyal, and Independent*

Samoyeds are known for their friendly and personable nature. They are intelligent dogs with an independent streak – a trait inherited from their ancient ancestors, the wolves. Samoyeds are one of the 14 most ancient dog breeds still in existence, and their genetic link to wolves gives them a unique combination of intelligence and independence.

Bred to live in close quarters with their families, Samoyeds are highly social dogs that thrive on human companionship. They love being part of the family and will often follow their owners from room to room, making them known as "velcro dogs." This strong bond with their humans makes them excellent family pets, especially in homes with children. They are protective of their family members, particularly children, and are gentle playmates who enjoy interacting with kids.

Although Samoyeds are excellent watchdogs – they will bark to alert you of strangers – they are not aggressive guard dogs. Once they've sounded the alarm, they are more likely to greet a visitor with a wagging tail and a friendly smile. Their amiable personality means they are not suited for guarding duties, but they are vigilant and will let you know if something is amiss.

Given their history as working dogs, Samoyeds have a lot of energy and require regular physical and mental stimulation. Daily walks, playtime, and challenging activities are essential to keep them happy and healthy. Without sufficient exercise, they can become bored and develop destructive habits or nuisance barking.

Despite their playful nature, Samoyeds have an instinctive prey drive that can lead to chasing smaller animals. They can live peacefully with

other pets, such as cats and birds. But it is best to raise them together, and it is vital to set boundaries and provide clear training around other animal family members from the start. Samoyeds will thrive with clear rules and boundaries.

GROOMING: A BEAUTIFUL COAT THAT REQUIRES COMMITMENT

The Samoyed's stunning double coat is one of its most defining features, but it comes with a responsibility of upkeep and maintenance. Regular grooming is essential to keep their coat healthy and free of mats and tangles, particularly during shedding season, which occurs once or twice a year.

During shedding season, owners should brush their Samoyed at least twice a week using a comb, rake, and pin brush to remove loose fur and prevent tangles. Outside of shedding season, daily brushing is recommended to keep their coat in top condition. This may sound like a lot, but consistent grooming makes the job easier in the long run, as it prevents mats from forming. Talking with a breeder about grooming is highly recommended so that any grooming training can start from day one of a puppy joining a family. Establishing a regular and enjoyable grooming routine with a Samoyed is vital for success for both the Samoyed and their owners. Additionally, finding a professional groomer

that is experienced with double coated breeds can provide a deeper grooming to ensure your Samoyed maintains their impressive coat.

Importantly, a Samoyed's coat should never be clipped or shaved unless medically necessary. Their double coat serves as insulation against both cold and heat, helping regulate their body temperature. In warmer weather, the Samoyed's coat reflects sunlight, and they are surprisingly good at coping with heat as long as they have access to fresh water, shade, and are kept well-groomed. Clipping their coat removes this protective layer and can expose them to sunburn or heatstroke.

In addition to brushing, regular checks and care of their ears, teeth, and nails are important. Keeping their nails trimmed and their teeth clean ensures that your Samoyed remains comfortable and healthy. Grooming should be a time to bond with your dog, and handling them regularly helps make tasks like nail clipping or giving medications easier over time.

Many owners are surprised to find that despite the Samoyed's white coat, they tend to stay relatively clean. Thanks to the nature of their coat, dirt often falls away as it dries. A quick brush or the use of a force dryer can help maintain their appearance after a muddy or damp walk.

HEALTH AND CARE

Samoyeds are generally a healthy breed, but like all dogs, they can be prone to certain health issues. Prospective owners should ensure they are buying puppies from reputable breeders who conduct health screenings, particularly for hip and elbow dysplasia and eye conditions such as progressive retinal atrophy. It is appropriate to request the results of potential puppy's results from a breeder for peace of mind.

A well-balanced diet is also crucial for maintaining the health of a Samoyed. Owners should consult their breeder on what food the puppy has been fed and consider continuing with that diet initially. Transitioning from puppy food to adult food at around one year of age is recommended. Some Samoyeds are prone to food allergies, so it's important to monitor their diet and avoid ingredients that may trigger a reaction. A diet based on high-quality proteins such as lamb, rice, or poultry is often a good choice, and the absence of chemical preservatives is preferred.

Another thing to be mindful of is a Samoyed's tendency to ingest foreign objects. Some Samoyeds have a habit of eating things they should not, such as socks or small fabric items, which can lead to intestinal blockages and costly vet visits. It's important to keep an eye on them and provide plenty of safe, appropriate chew toys

to satisfy their chewing instincts. Providing your Samoyed with a safe area when left unattended is ideal – either a specific dog run, area of the home without small items of risk and investing in crate training your Samoyed can reduce the risk and worry for owners.

Lastly, ensuring your Samoyed has access to fresh water always is essential, especially in warmer months or climates. While they are adapted to handle various climates, hydration is key to keeping them healthy and happy.

CONCLUSION

The Samoyed is a beautiful and affectionate and captivating breed with a rich history and a bright personality. From their origins in the Siberian tundras to their modern-day roles as beloved family pets, Samoyeds have proven themselves as loyal companions, hard workers, and gentle protectors. However, owning a Samoyed requires dedication, particularly in terms of grooming, training and exercise.

If you're willing to invest the time and effort into caring for this magnificent breed, a Samoyed will reward you with years of companionship, joy, happiness and love. Their iconic smile, fluffy coat, and friendly demeanour make them a breed like no other, and for the right owner, they are a truly wonderful addition to the family.

"Spring is Sprung"

"Spring is Sprung, the grass is riz..." along with the snakes, lizards, spiders and bugs

– Elisa McCutcheon, Chair Canine Health Committee

Spring is a season which is typically associated with growth, new life and visions of fields of flowers. I always approach Spring with mixed feelings which more closely resemble trepidation and dread. Spring is when some of the Australian wildlife becomes more active. So, for those of us with dogs, particularly those on property rather than inner suburbia, Spring and then Summer involve additional risk of encounters with some of the native wildlife.

These are some of the things we have to look forward to:

Snakes!

Clearly, snakes are best avoided at all times, particularly those that are highly venomous. And Australia has some of the most venomous snakes in the world. While snakes are typically shy, they will bite when attacked, cornered or threatened.

Some symptoms of snake bite include:

- Weakness/collapse
- Vomiting
- Laboured breathing
- Shaking
- Twitching
- Loss of bladder and bowel control

Pixabay

In the case of a venomous snake bite, restrict movement (do not allow the dog to walk). Urgent veterinary treatment is required. Do not delay. The longer the delay, the less likely the prospects of survival. If possible, call ahead to let them know that you are on your way with a snake bite victim.

Avoid long grass in bushland and other areas where snakes are likely to reside such as woodpiles. If you are in such areas, keep your dog on a lead.

Precautionary measures such as snake mesh may be required to protect kennels and dog yards.

With snakes becoming more active, it's good to know that the majority of the time snakes get inside homes is through open doors or open unscreened windows. Simply keeping these closed will go a long way in preventing them from getting inside.

Lizards

Lizards encounters are also problematic. Dogs love hunting lizards and skinks. However, this is best avoided. Apart from the risk of a bite, lizards may carry bacteria including salmonella, giardia and cryptosporidium. Lizard encounters are to be discouraged and "lizard counselling" (pictured below) may be required to deter future encounters.

Unfortunately, some dogs are determined lizard hunters, particularly those with high prey drive.

Spiders

Spiders are a problem all year round. However, we might as well include arachnids for good measure.

Dogs will often try to catch or play with spiders. Any crawling target seems fun to play with, particularly for puppies. Spiders will also bite when threatened or attacked. Given that dogs are inquisitive, bites will usually be on the paw, nose

or mouth. Spider bites are tricky. As a spider is not likely to hang around and will crawl away and hide, this may be difficult to diagnose and/or identify what type of spider.

Symptoms may include:

- Soreness
- Swelling
- Respiratory difficulty

If a spider bite is suspected, watch carefully for swelling and any difficulty breathing. In this case, urgent veterinary attention will be required.

Bees & Wasps

Bees and wasps can give nasty stings which are likely to end in a trip to the vet, particularly as these are likely to be on the face or mouth.

Cane toads

Cane toads are also dangerous and appealing to dogs. Cane toad toxin is highly poisonous.

They can cause toxic illness or death if venom is ingested or if their venom enters the eye.

Symptoms include:

- Accelerated heartbeat
- Shortness of breath
- Excess salivation

The toxin can be quite addictive. Cane toads also transmit diseases including salmonella.

Garden Snails & Slugs

These may pose a life threatening risk to both dogs and humans. They carry rat lung worm. Rat lung worm is endemic in tropical and warm areas of Australia, particularly in urban areas. This parasite can cause significant damage if ingested. Lungworm larvae can be released into the slime produced by these creatures. A dog may be infected simply by ingesting the slime. So, it is not necessary to ingest the entire snail or slug to be at risk. The larvae migrate from the gastrointestinal tract to the spinal cord.

Early detection is key. Symptoms include:

- Respiratory problems including a cough (although a cough may not always occur)
- Depression, lethargy, seizures
- Loss of weight/appetite, vomiting or diarrhoea
- Poor blood clotting eg. Bleeding, eg nose bleeds, bleeding into the eyes
- Pale eyes and gums – possible anaemia

As all of these symptoms can be caused by other diseases, it is important to seek veterinary attention if a dog has any of these symptoms, as this parasite may be fatal if untreated. Treatment is available and, in most cases, the dog will make a full recovery provided that treatment occurs early enough.

Preventing snails and slugs in the garden can be difficult as snail bait is also poisonous to dogs, if ingested. Keep vegetable gardens sectioned off and clean dog bowls on a regular basis.

Wildlife avoidance training

Wildlife avoidance is not instinctive. This has to be learned. Good recall is essential. Recall is a key skill and it is best to start training your dog as early as possible as this may be life saving. There are some wildlife avoidance training sessions and these can be useful to learn the basics.

More advanced training is also available from certain trainers. In some cases, real snakes are used to “correct” the behaviour. Not something I would be game to try. A word of warning that some trainers utilise methods such as use e-collars which are not legal in Queensland.

RULE 21 – OBLIGATION TO REGISTER

- 21.1 A member who breeds a litter of dogs, the parents of which are registered or eligible for registration with the CCCQ Ltd or other recognised canine controlling body must:
- (1) Register such litter, including all of the living progeny in such litter at one (1) and the same time within eighteen (18) calendar months of the date of whelping or prior to sale or rehoming (see Rule 28). No litter will be registered after twelve (12) months of age without the approval of the CCCQ Ltd;
 - (2) Comply with CCCQ Ltd Rules and correctly complete all forms required by the CCCQ Ltd;
 - (3) Pay such fees as are determined from time to time by the CCCQ Ltd. A standard fee will be set for registrations received by the office on a date within four (4) months of the date of whelping and a higher fee for registrations received by the office on a date between four (4) and six (6) months or between six (6) and twelve (12) months of the date of whelping;
 - (4) Where the breeder wishes to register a puppy with the breeder's name as part owner, an Agreement signed by the purchaser of the puppy is to be attached to the application to register the litter. Only official CCCQ Ltd Partnership Agreement forms are to be used;
 - (5) Where the breeder wishes to register a puppy on the Limited Register, an Official CCCQ Ltd Limited Register Agreement statement from the purchaser stating that the implications of the Limited Register are understood is to be attached to the application; and
 - (6) A breeder may, at time of registration on the General Register, endorse registration "Not to be exported".

Paws for Thought

Courtney Stevens

Dogs Queensland Canine Welfare and Liaison Officer

Courtney's role at Dogs Queensland is to support and provide assistance to members in meeting their obligations as responsible dog owners and breeders based on State and Local regulations and to highlight Dogs Queensland's commitment to animal welfare and helping breeders achieve success.

Courtney can be contacted at courtney@dogsqueensland.org.au

SELF-AUDIT BREEDER CHECKLIST A SUCCESS!

Last month, Dogs Queensland invited all current Prefix holders to participate in a self-audit Breeder Checklist. We had over 400 submissions with 95% of respondents finding the Checklist helpful. We appreciated the enthusiastic participation of members and the responses have provided a great insight into where Dogs Queensland can develop resources to further support our breeding members.

The Breeder Checklist was based on the following Policies and Legislation:

- Dogs Queensland Rules and Code of Ethics
- Queensland Animal Welfare Standards and Guidelines for Breeding Dogs and their Progeny
- Animal Care and Protection Act 2001
- Animal Management (Cats and Dogs) Act 2008
- Queensland Local and State Legislation

Members also took advantage of the opportunity to request a list of dogs currently recorded under their prefix. A great effort was made in this area with 433 Record Update Sheets requested which resulted in 1855 records being updated. The accuracy of the ANKC database is essential for the future of Dogs Queensland by providing correct data for budgeting, events and member support.

We encourage all Prefix holders to review dogs currently listed under their Prefix and update records to reflect the current dogs you own. A list of dogs can be requested at submissions@dogsqueensland.org.au and used to update any records of dogs you no longer own or have passed away in place of the original pedigree certificate. Only dogs born after 1 January 2019 will be required to pay the transfer fee. Over the next 6 months, Dogs Queensland will be working towards getting the ANKC database up to date and accurate for all members.

BREEDER CHECKLIST RESULTS

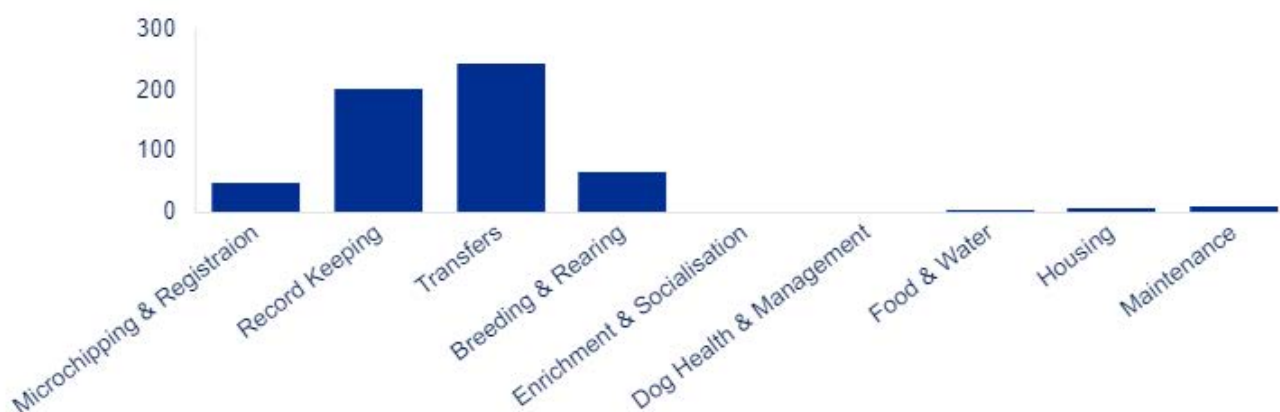

We had a good representation from each of the Zones (See map of Zones below).

- 71% – Zone 1
- 14% – Zone 2
- 15% – Zone 3

Overall, as depicted in the graph below, the main areas identified by members that could benefit from further support were transfers and record keeping.

Breeder Checklist Results

TRANSFERS

The record update process highlighted that transfers were not being completed. Some of the common reasons for transfers not being completed were:

- The dog was going to a pet home
- The new owners didn't want the papers
- The papers were given to the new owners for them to transfer if they wanted the papers

Regardless of the circumstances of re-homing, if the dog leaves your ownership, it is the responsibility of the breeder to carry out the transfer with Dogs Queensland which includes submitting a signed pedigree certificate and paying the transfer fee within 30 days.

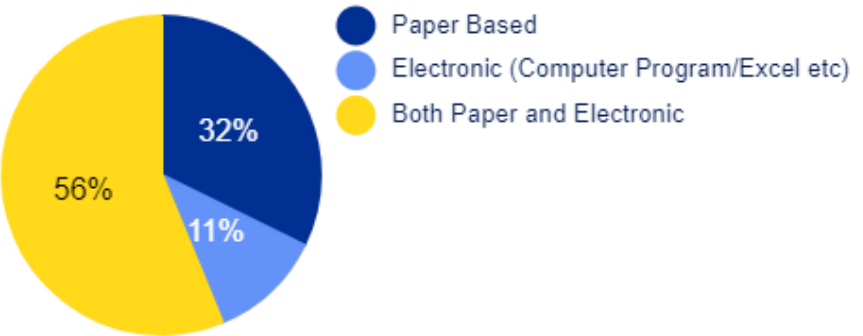

DECEASED DOGS

This can be a hard time for members when their dog passes. Dogs Queensland only needs a copy of the pedigree to be sent in to notify Dogs Queensland within 30 days of the passing of a dog to update the record. This way you can keep the dogs original Pedigree Certificate as a keep sake.

RECORD KEEPING & COMPUTER PROGRAMS

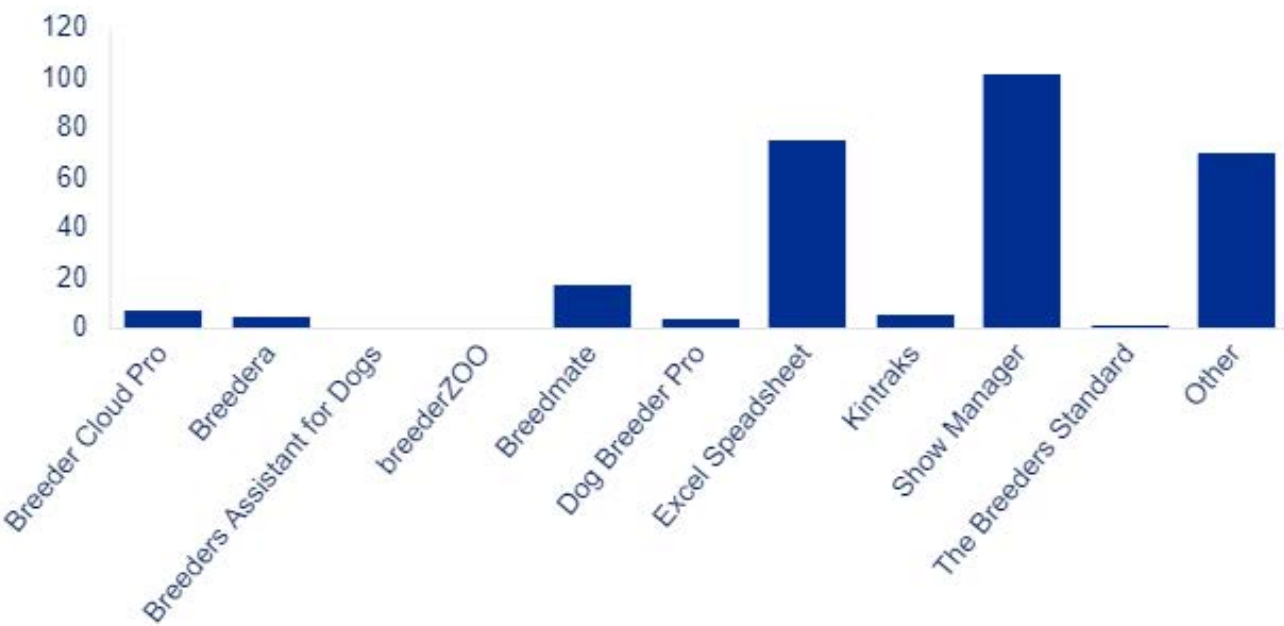

Members used both paper and electronic methods for storing and recording data. There is no set way in which records need to be stored, however, each breeding dog should have a file which records breeding activity and health care. The records also need to be easy to access and be able to locate specific information when needed.

Record Keeping

The most commonly used computer software by members was Show Manager with Excel next in line.

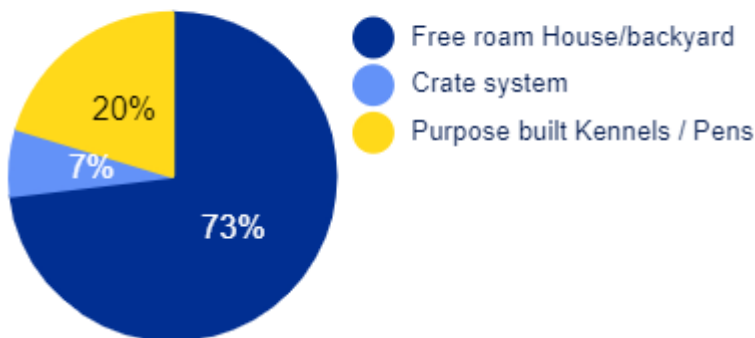

Computer Programs Used

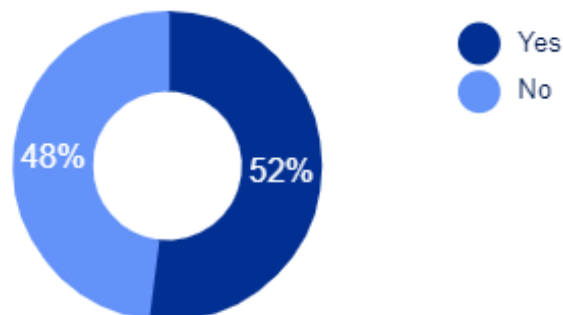

TYPES OF HOUSING

The majority of dogs were kept in a house/backyard environment with 20% members having purpose built kennels to house their dogs and 52% of members hold a Kennel Permit/License for their dog breeding activities.

Types of Housing

Members that have a Kennel Permit/Licence

By incorporating requirements for dog breeders in one checklist members can review how their current practices compare to the standards. By ensuring our members are meeting the standard will provide a pathway for Dogs Queensland to establish a reputation for investing and committing to canine welfare, promoting high standards amongst our members and attracting new members to our community. The

Pet Care Professional Tells all

The secret To Stopping Itchy Skin & Redness

★★★★★

"Day 2 using the mist and cream and almost instant improvement with our dog's skin: not as red and she is happier in herself. She is 10 years old and I have tried everything over the last decade.. you name it I have tried it. Your product is amazing! Thank you!"

Calling All BSD Breed Enthusiasts!

– *Kathy Prentice*

As the Breed Health Coordinator for the Belgian Shepherd Dog Club of Queensland (BSDCQ), I'm conducting research to better understand the behaviour and temperament of our beloved breed.

To do this, I am using the Canine Behavioral Assessment & Research Questionnaire (C-BARQ), a tool that provides invaluable insights into canine behaviour.

Your participation will contribute to the development of a comprehensive BSDCQ health plan for the breed. By participating, you'll help us gain a deeper understanding of common behavioural traits, which will support better breeding and socialisation/training strategies.

TO TAKE PART:

1. Go to www.cbarq.org.
2. If you've used the C-BARQ site before, you can click the "Log In" button to sign in.
3. If you're new to the C-BARQ, you can click the "Sign Up Today" button to create a profile before adding your BSD.
4. Once you are signed in, you can click the "Add a Dog" link to get started.
5. First, choose "Referred by a breeder or breed group" from the list of options.
6. On the next page, select the group BSDCQ.
7. After you've selected the group, enter the group's access code: 554709.
8. When you have finished adding your dog, you will be taken directly to the C-BARQ evaluation.

Once completed you will be able to see your dogs report, which will be collated anonymously to provide an overview for the research outcomes. There's plenty of time to take part as the group will be open until **31 December 2024**.

A copy of the final research paper and the BSDCQ health plan will be made widely available in early 2025.

Please contact me, Kathy Prentice, for further information at belengerebsd@gmail.com.

6TH BORDER COLLIE NATIONAL QUEENSLAND 2024

Elements Photo & Video Productions

Spotlight on the 6th Border Collie National

– *Kylie Leslie, 6th Border Collie National Chairperson*

The 6th Border Collie National, hosted by the Border Collie Club of Queensland, was held from 29 August to 1 September 2024 and set a new breed and national record, with over 1600 entries across all events. This year's event celebrated the exceptional skills and traits of the Border Collie and demonstrated the vibrant and dedicated community surrounding this remarkable breed.

The Dogs Queensland venue at Durack, provided an ideal setting for the National, offering ample space for the diverse range of competitions. The venue's well-maintained grounds were perfect for

highlighting the versatility of Border Collies.

Herding exhibitors were warmly welcomed at Anne Mitchell's property at Postman's Ridge. This picturesque location provided a unique and authentic setting for the herding trials, allowing participants to experience a true pastoral environment, and was ideal for showcasing the Border Collies' herding skills. The trials highlighted the breed's deep-rooted connection to its working heritage, with impressive demonstrations of instinctual talent and effective livestock management.

The warm Queensland weather, though a stark contrast to the challenging rains experienced during the 4th Border Collie National, brought its own set of opportunities and challenges. The sun-drenched days were a welcome change for the Club. However, the intensity of the heat required meticulous planning and creativity to ensure the comfort and safety of all involved.

The opening ceremony of the 6th Border Collie National was a vibrant and moving event that set the tone for the entire competition. Held on Friday evening, the ceremony showcased the spirit and dedication of the Border Collie community commencing with the Judy Vos Memorial Breeders Team Challenge, named in honour of the esteemed breeder and dedicated Border Collie advocate Judy Vos from Clan-Abby. The Memorial Breeders Team Challenge was a highlight and hotly contested event of the National.

The official part of the ceremony began with a heartfelt Welcome to Country, followed by a warm reception from Carolyn Ryan, President of Dogs Queensland, and the National Show Manager. Attendees were then treated to an engaging performance by Kelly Gill and the Wonderdogs, as well as three beautiful renditions of the Australian, South African, and Polish national anthems.

One of the evening's standout moments was undoubtedly the veterans' parade, which brought the event to a poignant close. This part of the night moved many to tears, both among the owners and those watching.

A Celebration of Border Collie Excellence

Despite the weather challenges, the 6th Border Collie National was a resounding success, with Border Collies from across the country showcasing their remarkable abilities. The event featured a range of competitions with 71 classes across all the dog sports:

Agility Trials: The Agility courses were a highlight, featuring a series of challenging obstacles that tested the dogs' speed, precision, and handler communication. The Agility trials were a thrilling display of the Border Collies' athleticism, with several standout performances capturing the crowd's admiration.

Fit Dog Photography

Obedience & Rally Trials: The Obedience events provided a platform for Border Collies to demonstrate their exceptional trainability. Handlers and their dogs performed a series of commands with remarkable accuracy and responsiveness, showcasing the deep bond and understanding between them.

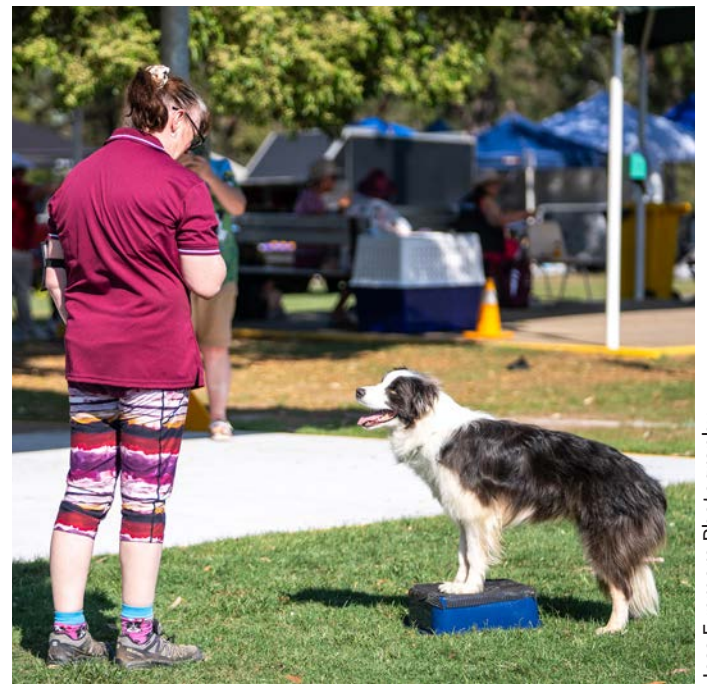

Top Dog Photography

Scent Work Trials: A competitive activity that tests a dog's ability to identify and locate specific scents, has gained increasing popularity in canine sports. Border Collies, renowned for their keen senses and intelligence, are particularly well-suited to this challenging and rewarding discipline. The Scent Work trials at the 6th Border Collie National drew a large entry and provided a fascinating display of the breed's natural tracking and detection skills.

Top Dog Photography

Trick Dog Trials: The Trick Dog trials added a delightful and engaging element to the 6th Border Collie National, offering spectators a chance to see the breed's playful and creative side. The trials were not only entertaining but also inspired many attendees to explore trick training with their own Border Collies, demonstrating the breed's potential for learning and performing a wide range of tricks.

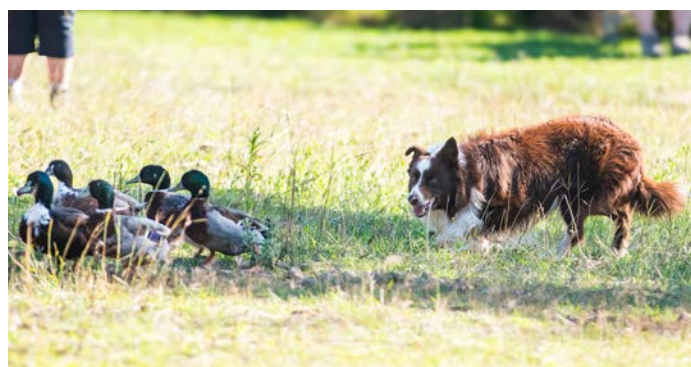

Jess Fynmore Photography

Dances With Dogs: This is a dynamic sport where dogs and their handlers perform choreographed routines set to music. This discipline emphasizes creativity, coordination, and the deep bond between the dog and the handler. It allows participants to showcase their Border Collies' agility and responsiveness in a visually stunning and entertaining format.

B&M Photography

Herding Competitions: Staying true to the breed's origins, the Herding trials allowed Border Collies to display their instinctual skills in managing livestock. The herding events were a testament to the breed's historical role in agriculture, with impressive displays of control and strategy.

Paws n Fun

The Conformation show saw unprecedented numbers in Queensland, with an impressive 323 dogs entered in conformation under Mr. Ron Jukes of Vernon Border Collies (South Africa). Additionally, 256 entries were entered in the property classes, judged by Ms. Iwona Przeworska of Alderaan Border Collies (Poland).

After two days of intense competition with numerous large classes, the winners of the following were:

Jess Fynmore Photography

B&M Photography

Best in Show: The coveted Best in Show was awarded to Supreme Champion NAHROF SINGLE SHOT, owned by R & J McKiernan and J & N Attridge.

Patrik Berger Photography

Runner Best in Show: Was awarded to Supreme Champion SYRYNE REIGN OF THE DRAGON HT, owned by Ms Shiralee Fossey.

Patrik Berger Photography

Beyond the competitions, the 6th Border Collie National also introduced a first for Australia – the Queensland Veterinary Specialist Sips & Studs. This cocktail and networking event provided attendees with the unique opportunity to meet stud dogs from across the country, while also celebrating and connecting with breeders.

After four days of competition, the pinnacle of the event was the presentation dinner held at the Souths Sports Club, Acacia Ridge. Winners were honoured and received their prizes during an evening filled with celebration and friendship.

The 6th Border Collie National event featured two prestigious awards at the dinner, recognising the remarkable versatility of this beautiful breed:

Most Versatile Across Dog Sports: R.CH. O.CH. FS GR CH. HTM.GR.CH. Taylea English Lady HSAs TDX. JD. RM. RAE. SD. SWE HNAs AD. TK.A. UDX. SPDX. SWC SWV GDx. Owned by Rachel Tiah.

Most Versatile Across Dog Sports including Conformation: ETHERIAL HEARTS N DIAMONDS(AI) JD. CD. CCD. TK.S. SWE SWI SWC RE. owned by Sandra Elliott.

Looking Forward

As the 6th Border Collie National concludes, the event has set a new standard for future competitions and breed showcases. The dedication of the participants, the skill of the dogs, and the enthusiasm of the spectators all contributed to a memorable and successful occasion.

The Queensland National has reinforced the Border Collie's reputation as one of the most intelligent and versatile breeds, while also strengthening the bond within the global Border Collie community. As the excitement from this year's event settles, anticipation

is already building for the next National, which will be hosted by the Border Collie Club of SA in 2027. We look forward to even greater achievements and celebrations of this exceptional breed.

With Thanks

An event of this magnitude doesn't come together without tremendous effort and collaboration. The committee extends heartfelt thanks to our judges, stewards, sponsors, competitors, photographers, Elements Live Stream team, and our exceptional MC for contributing to a wonderful four days of competition.

Dogs Queensland Canine Health Committee Presents: **TTouch WORKSHOP: WORKING WITH CANINES**

***Facilitated by Ros Taber, Director and Senior Trainer:
Pawsitive Connection, Dip FBST, CPDT-KA, TTouch Practitioner 1***

When: SUNDAY 3 NOVEMBER 2024

Where: JUDGES TRAINING ROOM, DOGS QLD

Time: 9:00am – 4:00pm

**Cost: WORKING PARTICIPANT & DOG: \$100,
AUDITING PARTICIPANT: \$50.00**

Bookings: via [Show Manager](#)

FURTHER INFORMATION:

- *Refreshments and a light lunch will be provided.*
- *Please bring a crate for your dog, as they will need to rest at different times throughout the day.*
- *One week prior to the workshop you will be sent a questionnaire to complete.*

This exciting workshop will provide an introduction to using the techniques of Tellington Touch and groundwork to influence your dogs behaviour using theory and practical sessions.

Tellington TTouch (often referred to as Tellington Touch) is a gentle, holistic method of training, bodywork, and care for canines. Developed by Linda Tellington-Jones, TTouch is based on specific types of touch and movement. Some of the benefits of TTouch for dogs are:

1. **Stress Reduction:** TTouch is often used to help dogs who are anxious, fearful, or stressed. The gentle touch and bodywork can help them relax.
2. **Improved Behaviour:** By reducing stress and increasing body awareness, TTouch can help improve behavioural issues such as barking, jumping, or fearfulness.
3. **Pain Relief:** Can help alleviate pain or discomfort, particularly in dogs with arthritis or other chronic conditions.
4. **Enhanced Bonding:** TTouch encourages a deeper connection and trust between the dog and the handler, improving communication and the overall relationship.
5. **Support for Aging Dogs:** The techniques can help senior dogs maintain mobility and comfort.

Please contact Kathy Prentice on 0429 905 334 with any queries.

Dogs Queensland Canine Health Committee Webinar:

Chiari Malformation (CM), Syringomyelia (SM) & Primary Secretory Otitis Media (PSOM)

PRESENTED BY: Dr Georgina Child
BVSc DipACVIM (Neurology)
Specialist in Neurology

WHEN: Wednesday 6 November 2024

TIME: 7pm

CONTACT: kasiafeldman@hotmail.com
– with any questions prior to the event.

Those registered will be sent a link to the webinar and, for those unable to make it at that time and date, will receive a recording after the event.

Dr Georgina Child graduated from the University of Sydney in 1980. She completed a residency in neurology and neurosurgery at University of California, Davis Veterinary Medical Teaching Hospital in 1985 and became a Diplomate of the American College of Veterinary Internal Medicine (neurology) in 1987, then from 1986 to 1995 she was a research associate at Colorado State University.

Georgina is one of the only registered specialist neurologists in Australia and has 30 years of experience. Dr. Child is not only extremely talented but is compassionate and understanding and is well known throughout Australia for her excellent management of patients with difficult neurologic problems.

She is also involved in continuing education programs for veterinarians and in teaching veterinary students at the University of Sydney.

2024 Brisbane Ekka In Review

Dogs Queensland would like to congratulate all exhibitors and winners from the 2024 Brisbane Royal Show including those from Dog Sports and Junior Handlers. Together we were able to showcase our wonderful world of pure bred dogs to the wider canine community during the Ekka, over 9 days.

We acknowledge the hard working efforts of volunteers, staff and exhibitors alike and appreciate the support of our sponsors.

Dogs Queensland looks forward to presenting another fabulous canine competition at the 2025 Brisbane Ekka – in both Conformation Showing and Dog Sports. The DQ stand will once again include a selection of breeds on display and be an information hub for both members and the general public.

In the meantime, a selection of images from this year's show appear on pages 50 through to 56. All images are courtesy of Ingrid Matschke Photography and can be purchased by clicking on the following link: www.ingridmatschke.photography/dog-cat-horse/dogs-2024/royal-qld-show-ekka/

Clearly written and easy to comprehend, this book provides an up-to-date one-stop reference for both breeders and all those who really care for their dogs.

To purchase your copy, visit Dogs Queensland, phone the office on 3252 2661 or email pina@dogsqueensland.org.au. The Dog Owner's Manual is priced at only \$50.00 plus postage.

SCENT WORK NEW CLASS IS ULTIMATE FUN

– Kim Dawson

Scent Work is an extremely popular sport in Queensland, with officially sanctioned events being held from 2021 onwards. In 2024, the first rule review was completed and a new class, the “Ultimate” class was offered with the rules coming into force on 1 July 2024. The Dogs Queensland Scent Work Subcommittee offered a Double Ultimate Class Trial at Oxley State School on Tuesday 2 July 2024, and it was extremely well attended by eligible competitors from Queensland and New South Wales. Subsequent trials have been held at Burnside State High School, a venue secured by and shared with an ACSW event with our sincere thanks, and at Woodridge State High School.

Ultimate Class offers a more challenging, integrated search with an area between 200m² and 500m². This includes interior and exterior spaces and one or both containers and vehicles mixed in to form a continuous multi-element search. An unknown number of hides (between 3 and 10) are hidden within the area and dogs are set a time limit of between 7 and 15 minutes to discover them all. To increase the challenge level, between 4 and 6 hidden and visible intentional distractors are placed within the search area such as food, toys or a person, and dogs must work past these distractors.

This new class tests the dog’s working ability and stamina in addition to testing the communication and strategy of the dog and handler team. It offers an exciting, fast paced challenge to the Masters-level Scent Work competitors that rewards skilled and thorough work on the part of the teams.

WYSIWYG ITS A BREW TIFUL DAY SWE SWV SWC
(Golden Retriever), handled by Stephanie Yoon.

Of the four trials offered in Queensland to date, several teams have been fortunate enough to qualify:

Trial 1 (02/07/24) – Judge: Kim Dawson (QLD)

Breeder Alert – Puppy Scam Websites

Dogs Queensland has become increasingly aware of Puppy Scam Websites using legitimate Dogs Queensland Registration and Queensland Breeder Identification (BIN) Numbers to sell puppies. Dogs Queensland Registration Numbers are obtained from legitimate websites such as Dogs Queensland or DogzOnline, where they are displayed as required by the Queensland Government.

Please see the [Queensland Dog Breeder Fact Sheets](#) for regulations and guidelines for Queensland Dog Breeders.

An example of a typical scam is:

- A Dogs Queensland Membership number is lifted from current advertising on the internet.
- The scammer researches and obtains personal details of the breeder including name, suburb, prefix.
- A domain name similar to the Kennel prefix is registered on an offshore registry.
- Once the breeder has ceased advertising the litter of puppies a new website is published.
- No physical address or phone numbers are advertised on the website.
- The seller avoids permitting you to physically see the cyber puppy and only sends non genuine pictures.
- The seller insists on only accepting payment by a crypto currency or a funds transfer.

As a breeder what can you do to avoid being an unknowing victim of a Puppy Scam:

- Regularly Google search the internet for websites using a similar Domain Name as your Prefix.
- Put a warning notification in your online advertising to alert buyers to check any website they are looking at is legitimate.
- Encourage puppy buyers to verify breeder information with Dogs Queensland and make direct in-person contact with you.
- Ensure puppy buyers check communications are made with verified contact details.
- Encourage puppy buyers to meet the puppy and breeder before handing over payments.

As a buyer what can you do to avoid being a victim of a Puppy Scam:

- Verify breeder information with Dogs Queensland.
- Ensure communications are made to verified contact details.
- Meet the puppy and breeder before handing over payments.
- If paying online, use a credit card or PayPal where you have a degree of buyer protection.
- Check website is an established site with a website security certificate.
- Avoid websites without physical address or phone numbers.
- Ask for proof, including ANKC registration papers and veterinary health records for any puppy.

Importantly you should report any suspect sites or advertising to the [ACCC ScamWatch](#) website. Please let us know about any suspect websites too by contacting Dogs Queensland on 3252 2661 or by email at info@dogsqueensland.org.au.

DNA TESTING SERVICE

Using Dogs Queensland for all your DNA requirements is a simple, straightforward process for all members (regardless of computer skills).

Members can easily place an order for DNA Profiling and Parentage and it is entirely managed by Dogs Queensland from posting DNA swab kits to final DNA results.

- DNA Profiling and parentage
- Prompt turnaround

Other testing available:

- Breed specific DNA testing
- Specific Single Breed testing

**ONLY
\$49.50**

Contact Julana at julana@dogsqueensland.org.au
or by phone on 3252 2661 for all your DNA enquiries

Show Dates: Saturday 23 November and Sunday 24 November 2024

Entries Close: Tuesday 19 November 2024

THE ULTIMATE DOG GROOMING BRUSHES IN THE WORLD.

15MM
NATURAL
WOODEN
PINS

WOODEN PIN BRUSH

A brilliant grooming brush for **all coat types & a favourite for puppies**. 100% anti-static natural wooden pins smooth the coat and prevent flyaways. They delicately loosen knots and reduce pulling on the coat to prevent breakage while massaging the skin to revitalise natural lustre.

REGULAR PIN BRUSH

Ideal for grooming **all coat types**. Perfect for most coats that require a pin brush for drying, refreshing a coat or maintenance brushing. Ideal for blow-drying and particularly necessary on coated breeds.

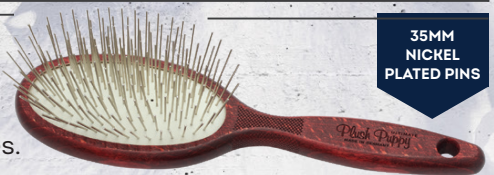

21MM
NICKEL
PLATED PINS

27MM
NICKEL
PLATED PINS

LONG PIN BRUSH

Popular grooming brush for **many full coated or longer coated breeds** that require a slightly longer pin length to enable efficiency and ease of brushing and drying. An ideal brush for blow-drying many breeds.

35MM
NICKEL
PLATED PINS

EXTRA LONG PIN BRUSH

A brush specifically designed for dogs with that **extra-long coat length** and ideal for **very long flowing coated breeds**. The 35mm rounded polished pins enable ease of brushing and drying of extra-long coat types.

20MM
NICKEL
PLATED PINS

THICK PIN BRUSH

A pin brush with thicker pins for those **thick, dense, and hard to get through coats**. Many breeds have coats that don't allow a "normal" pin brush to efficiently brush and dry. This thick pin allows the pins to penetrate these coats to ensure the coat roots to coat tips are correctly and thoroughly brushed.

PURE BOAR
CHEST &
DIALON
BRISTLES

ANTI-STATIC PORCUPINE BRUSH

A finishing/styling brush for **softer to a lighter density double coats**. Porcupine pins will remove tangles and loose coat. Dialon pins easily get through the coat while the 100% black boar bristles have a gentle yet **smoothing effect of the coat**. The perfect finishing brush to use on $\frac{3}{4}$ dry coats, maximising contact with the coat to finish to the dry style and result you require. This brush has the ability to **flatten, straighten and reduce wave to coats** when drying.

PURE BOAR
CHEST
BRISTLES

100% PURE BRISTLE BRUSH

This is your **soft, delicate and silky coat type** brush, yet also perfect using on **shorter coated breeds for a smoothing and polishing**. Suitable for **all breeds** and essential for smooth or short coated breeds. The best brush for gentle finishing.

SOFT SLICKER BRUSH

Our Ultimate Soft Slicker is brilliant in abolishing loose hair, de-matting and individualising **all coats of various types and lengths**. It can easily get through the densest of coats with a resulting finish and hair separation to the coat is like no other slicker.

The softness of this slicker allows the perfect finish when drying or brushing on multiple coat types. The very best slicker on the market. Used & trusted by top winning show dog's owners and handlers worldwide.
