# President's Message

---

“I hope everyone had a great Christmas break and we are now well and truly into 2026.

Over the last few months we have had some events that make us all sit back and consider our own circumstances in life and just how lucky we are to be alive.

We have had the sad loss of one of our much loved members, Lindy Ryan. I would like to extend my condolences to Lindy's family and friends. I would also like to thank those members who assisted on the evening when Lindy fell ill. We owe our gratitude to these members who step up in these difficult circumstances to give their expertise and assistance.

Moving into 2026, I hope members show consideration and understanding towards their fellow members, exhibitors, competitors and volunteers. With more and more events having limited entry numbers and some requiring a ballot, I do hope members consider the prospects of actually being able to attend the event before finalising their entry. We all understand that there will be circumstances that make it impossible to

attend an event, but double entering shows and trials for example, when an exhibitor can't possibly be in two places at one time, is something that should be avoided.

We had a very successful meeting with members on 20 December 2025. This gave the members an opportunity to raise issues directly with the Board of Directors. We are working on finding solutions to the problems identified. We have agreed to have these meetings in all three Zones across the State and hold them every quarter. Thank you to those members who attended and contributed to the success of the meeting.

Our next major event is our final of Puppy, Neuter and Dog of the Year. We have an amazing entry of beautiful qualifiers and look forward to two exciting nights of competition. Thank you to Katrina Santas and her small committee for their work in organising the competition with super support from our sponsors.”

*Carolyn Ryan*

---

## AMENDMENT TO DACHSHUND BREED STANDARD

In accordance with Items 7.5.7 and 7.5.8 of the October 2025 Board meeting minutes, a separate Judges Contract has been created applicable for Australian & New Zealand Judges only with page 4 pertaining to the Judging Declaration for Additional Breeds being removed. These changes are effective immediately and the form (with and without the digital signature feature) can be accessed from our website at: <https://dogsaustralia.org.au/about-dogs-australia/forms-guidelines-listings-and-procedures/>

## AMENDMENT TO BRITISH BULLDOG BREED STANDARD EXTENSION

The National Breed Standards Coordination Group Chairperson, Marie Merchant has confirmed the Group has reviewed and agreed to a request from the National British Bulldog Council (Australia) to update the breed standard extension for this breed.

The Dogs Queensland website has been updated accordingly.

<https://dogsaustralia.org.au/members/breeds/breed-standards/British-Bulldog>

## RULES FOR THE CONDUCT OF OBEDIENCE TRIALS: EFFECTIVE 1 JANUARY 2026 – CORRECTIONS

The National Obedience & Tracking Committee has confirmed the following required corrections on pages 34, 35 and 42 to the abovementioned rules has been identified by the committee. Dogs Australia have arranged for the updated rules to be made available from their website at: <https://dogsaustralia.org.au/members/rule-regulations/rules/>

### PAGE 34 – UTILITY CLASS

#### 6. MOVING POSITIONS Maximum Points 25 Description of Exercise:

*Paragraph currently reads:*

Orders for the positions will be the same for each dog and will be selected by the Judge. The Judge will then order the position naming the position with the orders 'Moving Sit', 'Moving Stand', 'Moving Down', 'About Turn, collect your dog', 'Halt',

'Exercise Finished'.

*Amend paragraph to read:*

Orders for the positions will be the same for each dog and will be selected by the Judge.

### PAGE 35 – UTILITY CLASS

#### 7. GROUP EXAMINATION Maximum Points: 10

*Currently reads:*

If there are insufficient competitors, the Judge will ask the Steward to furnish stand in dogs to make up a Group. These dogs will not be examined and may be left on lead with their Handlers.

*Amend to read:*

If there are insufficient competitors, the Judge will ask the Steward to furnish stand-in dogs to make up a Group. These dogs will not be examined and must be left on lead with their Handlers.

### PAGE 42 – UDX

#### 7. GROUP EXAMINATION Maximum Points: 10

*Currently reads:*

If there are insufficient competitors, the Judge will ask the Steward to furnish stand in dogs to make up a Group. These dogs will not be examined and may be left on lead with their Handlers.

*Amend to read:*

If there are insufficient competitors, the Judge will ask the Steward to furnish stand in dogs to make up a Group. These dogs will not be examined and must be left on lead with their Handlers.

## REGULATIONS PART 2 – JUDGES, CLAUSE 3.7 AMENDMENT: EFFECTIVE 1 JANUARY 2026

In accordance with Item 7.5.10 of the October 2025 Dogs Australia Board minutes, the following amendment has been made to Regulations Part 2 – Judges, Clause 3.7 which will be effective from 1 January 2026.

*Currently reads:*

3.7 Only All Breeds Judges shall judge General Specials at All Breed Championship Shows.  
(Amended 10/13 – 5.6.4)

*Amend to read:*

3.7 All Breeds Judges or Judges with a minimum of

6 Groups at Championship Level may judge General Specials at All Breeds Championship Shows. Those Judges that are not all Breeds Judges must also be currently listed as a Trainee Judge within their State.

The Dogs Australia website has been updated with the amended regulations and can be viewed at: <https://dogsaustralia.org.au/members/rule-regulations/regulations/>

### **REGULATIONS PART 3 – JUDGES TRAINING & EXAMINATION PROGRAM**

#### **CLAUSES 7.2 & 9.8 AMENDMENTS**

In accordance with Items 6.20 and 7.5.18 of the October 2025 Dogs Australia Board minutes, the following amendments have been made to Regulations Part 3 – Judges Training & Examination Program. These amendments are effective from the start of the commencement of each Member Bodies Judges Training Scheme in 2027.

To continue reading the amendments in full, click on the following link:

<https://www.dogsqueensland.org.au/media/55086/regulations-part-3.pdf>

### **REGULATIONS PART 3L FOR THE CONDUCT OF LURE COURSING COMPETITIONS**

#### **ENCOMPASSING LURE COURSING SANCTIONED EVENTS & LURE PURSUIT SANCTIONED EVENTS JUDGES TRAINING & ASSESSMENT PROGRAM: EFFECTIVE 1 JANUARY 2026**

In accordance with Item 6.14 of the October 2025 Dogs Australia Board meeting the amended Regulations Part 3L – Regulations for the conduct of Lure Coursing Competitions (Encompassing Lure Coursing Sanctioned Events & Lure Pursuit Sanctioned Events) Judges Training & Assessment Program is available from the Dogs Australia website at: <https://dogsaustralia.org.au/members/rule-regulations/regulations/> and marked as effective from 1 January 2026.

### **REGULATIONS PART 5 – CONFORMATION SHOW AMENDMENTS: EFFECTIVE 1 JANUARY 2026**

Regulations Part 5 – Conformation Show has been amended in accordance with decisions from the June 2025 Dogs Australia Special Board meeting and the October 2025 Dogs Australia Board

meeting, all of which will be effective from 1 January 2026.

To view the amendments to Regulations Part 5 – Conformation Show, click on the following link.

#### **[REGULATIONS PART 5 – CONFORMATION SHOW AMENDMENTS](#)**

### **REGULATIONS PART 6 – THE REGISTER & REGISTRATIONS AMENDMENTS: EFFECTIVE 1 JANUARY 2026**

In accordance with Item 4.3 from the June 2025 Special Board meeting, the following amendments have been made to Regulations Part 6 – The Register & Registration and are effective from 1 January 2026.

*Currently reads:*

8.8.4 For all German Shepherd litters born from 1 January 2017:-

- a. Both parents of every litter must be screened for Hip Dysplasia through an official Hip Dysplasia Control Scheme. Where the parents have been born after the 30th June 2015, they must record a score of no more than eight (8) on either hip, with no more than three (3) in any one area, or in the case of imported dogs, a grading that is deemed to be acceptable for breeding in their country of origin.
- b. Both parents of every litter must be screened for Elbow Dysplasia through an official Elbow Dysplasia Control Scheme. Where the parents have been born after the 30th June 2015, they must record a grading of Normal, Near Normal or Grade One on both elbows, and must be free from the condition of UAP (Ununited Anconeal Process).
- c. Breeders of litters whelped on or after 1st January, 2017, will be required to comply with the requirements as a prerequisite to registration of any litter on the Dogs Australia Main Register. Dogs must be positively identified by microchip, and/or tattoo prior to being x-rayed. Litters which do not meet the above requirements will only be able to be placed on the Limited Register and will be

flagged not to be upgraded. (03/16)

*Amend to read:*

8.8.4 For all German Shepherd litters born from 1 January 2017:-

- a. Both parents of every litter must be screened for hip dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) and/ or the GSDCA Hip and Elbow Dysplasia Breed Improvement Schemes or in the case of an imported dog through a recognised hip dysplasia screening scheme if the dog has been screened before arrival in Australia. Where the parents have been born after the 30th June 2015, they must record a score of no more than eight (8) on either hip, with no more than three (3) in any one area, or in the case of imported dogs, a grading that is deemed to be acceptable for breeding in their country of origin.
- b. Both parents of every litter must be screened for elbow dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) and/or the GSDCA Hip and Elbow Dysplasia Breed Improvement Schemes or in the case of an imported dog through a recognised elbow dysplasia screening scheme if the dog has been screened before arriving in Australia. Where the parents have been born after the 30th June 2015, they must record a grading of Normal, Near Normal or Grade One on both elbows, and must be free from the condition of UAP (Ununited Anconeal Process).

Subclause (c) remains unchanged.

- c. Breeders of litters whelped on or after 1st January, 2017, will be required to comply with the requirements as a prerequisite to registration of any litter on the Dogs Australia Main Register. Dogs must be positively identified by microchip, and/or tattoo prior to being x-rayed. Litters which do not meet the above requirements will only be able to be

placed on the Limited Register and will be flagged not to be upgraded. (03/16)

8.9 Rottweiler

- 8.9.1 For litters of Rottweilers born where the parents have been born after 1.1.97, these parents must show results of X-rays for hips and elbows. (Amended 10/13 – 5.6.4)

*Amend to read:*

8.9 Rottweiler

- 8.9.1 For litters of Rottweilers born where the parents have been born after 1.1.97, these parents must be screened for hip and elbow dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) or in the case of an imported dog through a recognised hip and elbow dysplasia screening scheme if the dog has been screened before arriving in Australia. (Amended 10/13 – 5.6.4)

Current Regulation:

8.11 Australian Shepherd

- 8.11.1 All Australian Shepherd litters, where the parents have been born after 1st July, 2001, these parents must be radiographed and assessed for Hip Dysplasia as a prerequisite to registration of any litters. (05/01) (Amended 10/13 – 5.6.4)

*Amend to read:*

8.11 Australian Shepherd

- 8.11.1 All Australian Shepherd litters, where the parents have been born after 1st July, 2001, these parents must be screened for Hip Dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) or in the case of an imported dog through a recognised hip dysplasia screening scheme if the dog has been screened before arriving in Australia as a prerequisite to registration of any litters. (05/01) (Amended 10/13 – 5.6.4)

Current Regulation:

8.12 Labrador Retriever

- 8.12.1 Breeders will now be required to have parents of all litters radiographed and assessed for the diseases (hip and elbow

dysplasia) as a prerequisite to registration of any litter. Any parent whelped before October 1st, 1997 may be excluded. (05/03, Amended 10/13 – 5.6.4)

*Amend to read:*

#### 8.12 Labrador Retriever

8.12.1 Breeders will now be required to have parents of all litters screened for hip and elbow dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) or in the case of an imported dog through a recognised hip and elbow dysplasia screening scheme if the dog has been screened before arriving in Australia as a prerequisite to registration of any litter. Any parent whelped before October 1st, 1997 may be excluded. (05/03, Amended 10/13 – 5.6.4)

Current Regulation:

#### 8.13 Golden Retriever

8.13.1 Breeders will be required to have parents of all litters, where the parents themselves were whelped on or after 1st January, 2002, radiographed and assessed for Hip Dysplasia as a prerequisite to registration of any litter. (10/01)

8.13.2 Effective from 1 January 2021 both parents of every litter must be screened after the age of 12 months for Elbow Dysplasia through an official Elbow Dysplasia Control Scheme, where the parents have been born after the 1st January 2020. (Added EM#183, 08/20)

*Amend to read:*

#### 8.13 Golden Retriever

8.13.1 Breeders will be required to have parents of all litters, where the parents themselves were whelped on or after 1st January, 2002, screened for hip dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) or in the case of an imported dog through a recognised hip dysplasia screening scheme if the dog has been screened before arrival in Australia as a prerequisite to registration of any litter. (Added EM#183, 08/20),

Current Regulation:

8.14.2 For all Bullmastiff litters born after 1 January 2013 the following will apply:

- a. Both parents of every litter must be screened for Hip Dysplasia through an official Hip Dysplasia Control Scheme where the parents have been born after 1 June 2011.
- b. Both parents of every litter must be screened for Elbow Dysplasia through an official Elbow Dysplasia Control Scheme where the parents have been born after 1 June 2011.

*Amend to read:*

#### 8.14 Bullmastiff

8.14.2 For all Bullmastiff litters born after 1 January 2013 the following will apply:

- a. Both parents of every litter must be screened for hip dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) or in the case of an imported dog through a recognised hip dysplasia screening scheme if the dog has been screened before arrival in Australia must be screened for Hip Dysplasia where the parents have been born after 1 June 2011.
- b. Both parents of every litter must be screened for elbow dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) or in the case of an imported dog through a recognised elbow dysplasia screening scheme if the dog has been screened before arrival in Australia where the parents have been born after 1 June 2011.

Current Regulation:

- 8.15 Flat Coated Retriever – effective from 1 March 2009
- 8.15.3 Hip Dysplasia to be designated as a problem in the breed and for Litter Registration Limitations to apply requiring that both parents have been radio graphed and assessed for Hip Dysplasia.
- 8.15.4 Elbow Dysplasia to be designated as a problem in the breed and for Litter Registration Limitations to apply requiring that both parents have been radio graphed and assessed for Elbow Dysplasia.

*Amend to read:*

- 8.15 Flat Coated Retriever – effective from 1 March 2009
- 8.15.3 Hip Dysplasia to be designated as a problem in the breed and for Litter Registration Limitations to apply requiring that both parents be screened for hip dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) or in the case of an imported dog through a recognised hip dysplasia screening scheme if the dog has been screened before arrival in Australia.
- 8.15.4 Elbow Dysplasia to be designated as a problem in the breed and for Litter Registration Limitations to apply requiring that both parents be screened for elbow dysplasia through the Dogs Australia Canine Hip & Elbow Dysplasia Scheme (CHEDS) or in the case of an imported dog through a recognised elbow dysplasia screening scheme if the dog has been screened before arrival in Australia.

The dogs Australia website has been updated with the amended regulations and can be viewed at: <https://dogsaustralia.org.au/members/rule-regulations/regulations/>

### **RULES AND REGULATIONS FOR HERDING TRIALS AMENDMENT: EFFECTIVE 1 JANUARY 2026**

In accordance with Item 7.5.17 of the October 2025 Board minutes the Rules and Regulations for Herding Trials has been amended by adding the Spanish Water Dog to the breeds eligible for

Herding in Chapter 8. This amendment will be effective from 1 January 2026.

The Dogs Australia website has been updated with the amended rules and can be viewed at: <https://dogsaustralia.org.au/members/rule-regulations/rules/>

### **UPDATED AGILITY RULES: EFFECTIVE 1 JANUARY 2026**

The following updated rules are now available from the Dogs Australia website at: <https://dogsaustralia.org.au/members/rule-regulations/rules/> and are marked as effective from 1 January 2026.

- Rules for the conduct of Agility Trials & Games
- Rules for the conduct of Agility Teams Events

### **AMENDED AGILITY RULES**

### **RULES FOR THE CONDUCT OF LURE COURSING COMPETITIONS (ENCOMPASSING LURE COURSING SANCTIONED EVENTS & LURE PURSUIT SANCTIONED EVENTS) – EFFECTIVE 1 JANUARY 2026: CORRECTION**

The National Lure Coursing Committee has identified an administrative error involving the placement of a title within the rules. In the version of the rules distributed this morning, the prerequisite title for the Lure Pursuit Champion was incorrectly listed as the LPM title. The correct prerequisite title is the LPX title.

This oversight has now been rectified, and the revised version of the rules appears in the following link.

### **RULES FOR THE CONDUCT OF LURE COURSING COMPETITIONS**

Please note the Dogs Australia website has also been amended accordingly. <https://dogsaustralia.org.au/members/rule-regulations/rules/>

### **RAMP BREED LISTING AMENDMENTS**

In accordance with Item 6.3.2 and 7.5.6 of the October 2025 Dogs Australia Board minutes the following amendments have been made to the Ramp Breed Listing which is referenced in Regulations Part 5 – Conformation Show.

- Remove Harriers from the list of Ramp breeds to Ground breeds – effective immediately

- Skye Terrier be given the option of Ramp or Table  
– effective 1 January 2026

As the effective date for the both are different, there are two copies of the amended listing under Regulations Part 5 on the Dogs Australia website at: <https://dogsaustralia.org.au/members/rule-regulations/regulations/> and these are marked accordingly.

### **JUNIORS AT DURACK COMMITTEE AND JUNIOR KENNEL CLUB**

At the most recent Board Meeting, discussion took place regarding the provision of events and activities for Junior Members.

It was agreed to progress this in two ways:

- Expand the remit of the current Junior Handlers Committee; and
- Reinvigorate the Junior Kennel Club.

The provision of handling and competition events, along with support services for Juniors, was identified as a strategic priority. It was also noted that mentors will be required to assist in the development and delivery of these initiatives.

Accordingly, Expressions of Interest are sought from Members who are willing to be involved in the Junior Kennel Club and assist with organising dog-related activities and events for Junior Members.

Any and all Expressions of Interest (EOIs) are to be received via email at [rob@dogsqueensland.org.au](mailto:rob@dogsqueensland.org.au) by no later than Friday 20 February 2026.

### **DOGS AUSTRALIA - NEW ADMINISTRATOR ANNOUNCEMENT**

Dogs Australia is pleased to announce the appointment of Ms Emma Ford as the new Administrator and Company Secretary of the Australian National Kennel Council Ltd (ANKC).

In her current position as Head of Business Services and Governance at a not-for-profit organisation, Ms Ford brings extensive expertise in executive administration, governance, and stakeholder management.

Commencing on Friday 20 February 2026, she will be based in Hobart, operating from an established home office.

Ms Ford will succeed the current Administrator, Ms Tracey Barry, who will retire effective 31 March 2026 after 23 years of dedicated service in the role.

### **UPDATED DOGS QUEENSLAND RULE BOOK**

Members are advised the Dogs Queensland Rule Book has been updated and can be viewed by clicking on the link below.

#### **[DOGS QUEENSLAND RULE BOOK](#)**

### **GOVERNMENT & BUSINESS EMAIL ADDRESSES**

Dogs Queensland has become aware that some members are not receiving electronic communications from DQ, including announcements, newsletters, and membership renewal notifications.

This may occur when a government or business email address is used, as firewalls or security settings can restrict or block incoming emails.

To ensure you continue to receive all digital correspondence from Dogs Queensland, affected members are encouraged to provide an alternative email address. Please contact [info@dogsqueensland.org.au](mailto:info@dogsqueensland.org.au) to update your details.

### **INTENTION TO LODGE A COMPLAINT**

All Members are reminded of the following Rule in regards to Shows.

71.9 Incidents involving members which occur at Exhibitions or Club activities of any kind are to be reported to the Event Manager or Club official (President or Secretary) immediately. All details of the incident are to be noted and forwarded in a report submitted to the Secretary of the CCCQ Ltd with the Event Manager's Report within five (5) working days.

In cases where the member / non member wishes to lodge a formal complaint, a Notice of Intention to Lodge a Complaint form must be completed on the day of the Exhibition and forwarded with the Event Manager's Report. The member then has fourteen (14) days from the date of the Exhibition to lodge the complaint in accord with the Dogs Queensland Complaints Procedure. Failure to lodge a complaint within that period will cause the complaint to lapse (see Appendix 5 – page 90 [RULE BOOK](#)).

# Welcome to the Biggest Night in K9 Queensland!

TAK Photography

– **Katrina Santas**  
**Chair, Events Committee**

Welcome to the 2025 Dog, Puppy and Neuter of the Year Final for 2025. This year, like last, is being held on the first weekend in February. Puppy of the Year will be on Friday evening 6 February 2026 with Dog and Neuter of the Year on Saturday 7 February 2026.

Both nights will commence with attendance acknowledgement an hour before the start time in preparation for the head to head event. The welcome parade and reveal of judges will take place 15 minutes prior to the start and announcement of the draw too.

- **Puppy will start at 6:30pm on Friday evening.**
- **Neuter will start at 5pm on Saturday afternoon.**
- **Dog will start at 7pm on Saturday evening.**

This event is not just for the exhibitors, but for all of the canine world to come together to celebrate, so make sure you come and cheer your friends on, see the best of the best in Queensland and just enjoy the biggest social night on our calendar here in Queensland.

There will be some fun things happening at this years' event, which will include (but not limited to):

- A lucky exhibit sweeps in all three categories – fingers crossed you draw the winning or runner up exhibit number to win;
- A Queensland Maroon and White colour dress theme to go with the prestige of the night – be sure to be wearing at least one of these colours on the night;
- Best dressed marquee front (both nights – dress up your gazebo to celebrate);
- Commemorative certificates to all participating exhibits;
- Commemorative podium photos for every dog (taken by and purchased through TAK Photography);
- A monster raffle with multiple draws (tickets will be on sale through Show Manager and on the night); and
- A parade of “Fashions on the Field” Best Dressed handlers and supporters competition each night!

The competition will be held with:

- Head to head heats of two dogs competing against each other with the winner

progressing to the next round;

- Three all breeds judges will be announced on the night and will be presiding in three separate areas of the ring so there will be no conferring;
- Judges placing their progressing exhibit into a hat for the ring manager to announce;
- All progressing dogs will be re-drawn at each round level; and
- The Winner and Runner Up being awarded in the final round.

There will be an array of great prizes for the event with every competitor entered (and in attendance on the night and competing) receiving a fabulous qualifying showbag full of great items that you will not want to miss out on, but your dog must be presented in the parade and exhibited to receive your bag.

So just bring your chairs and tables and set yourself up for a great night ringside and cheer on your favourite dog which may be yours, your canine bestie's or the one you drew in the sweeps.

There will be limited catering through Wagz Café on the night and prepaid orders will be available too – hot and cold savoury boxes as well as a sweets box too – pre ordered through Show Manager.

I'd like to thank our many sponsors that are coming together for the event and all the hard work of the Dogs Queensland Office and the Events Committee thus far for their efforts to get the event up and running for this year.

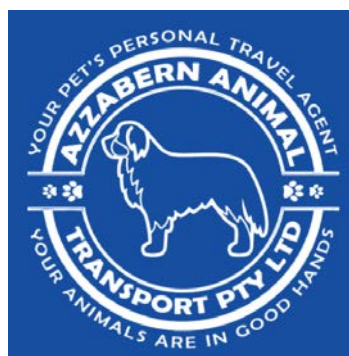

As Dog, Puppy and Neuter of the Year are such prestigious events for Queensland, I'd like to reiterate that no committee members or their immediate family shall be entering dogs that are registered in their name nor exhibiting dogs at this event. The committee do look forward to ensuring the nights are spectacular events and are working hard to ensure a great couple of evenings for all.

Congratulations to all the qualifiers and good luck on the night. We look forward to having you all at the 2025 Dog, Puppy and Neuter of the Year this month. Bring out your best cheers and enjoy this fantastic night together!

Scent Work Bar and  
Double Split Rings.

Current pricing is: Judges Badges – with or without loops \$7.00 each, Discipline Sporting Bars – \$5.00 each and Double Split Rings – 20c each.

To order your badges simply email [accounts@dogsqueensland.org.au](mailto:accounts@dogsqueensland.org.au) no later than the last Wednesday of each month. Badges can be collected from the DQ Office during business hours or posted for an additional cost.

# Dogs Queensland Canine Health Committee

## ***TCI VS Surgical AI Myths & Facts***

*Synopsis: In this webinar, Dr Stuart Mason will discuss and outline the procedures of endoscopic assisted and surgical insemination of canines. Stuart will discuss the benefits and problems of each procedure and explain what is the truth behind publications associated with these procedures, to help dog breeders better understand each insemination process.*

**Dr Stuart Mason BVSc (Hons) MANZCVS DACT, Registered  
Specialist in Animal Reproduction –Small Animal**

**When: Wednesday 25 February 2026**

**Time: 7pm Start**

**Webinar Cost: \$20**

**Webinar Only: Via Zoom**

**Registration Will Be Via: [Show Manager](#)**

Stuart grew up on a small farm in Kilmore one hour North of Melbourne in Victoria, Australia. Stuart graduated with a Bachelor of Veterinary Science from the University of Melbourne in 1999. After graduation, Stuart worked in mixed practice for 2 years before moving to a small animal only practice in 2002. His small animal practice exposed him to canine reproduction work notably canine and feline breeding and parturition management. Stuart developed a keen interest in the field of small animal reproduction and undertook training with the American College of Theriogenologists to become a Diplomate in 2012. In 2012 Stuart also became a member of the Australian and New Zealand College of Veterinary Scientists via examination in Animal Reproduction.

In 2014 Stuart published a landmark paper in small animal reproduction. The paper entitled: 'Comparison of endoscopic-assisted transcervical and laparotomy insemination with frozen-thawed dog semen: A retrospective clinical study' was published in Theriogenology, an esteemed animal reproduction scientific journal. The study showed that Stuart had achieved a 20% higher pregnancy rate using transcervical insemination (TCI) of frozen semen in bitches, when compared to insemination via surgery under an anaesthetic. This study was the first of its kind and a landmark study as it showed that the TCI method of insemination is more successful and has cemented Stuart as one of the leaders in his field worldwide.

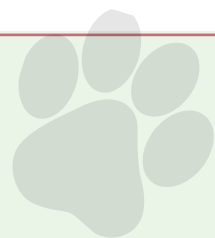

Stuart has published many scientific papers and spoken at many veterinary conferences in Australia and overseas.

Stuart is the owner and Director of Doncaster Veterinary Hospital in Melbourne's Eastern Suburbs, a general practice small animal clinic with a specialist reproduction department. Stuart is a registered specialist in Animal Reproduction – Small Animal.

# SPRINTDOG™

Patrik Berger Photography

*The biggest draw of SprintDog™ is the sheer fun it brings to dogs and their owners. It's not about competing for the fastest time but about celebrating each dog doing its best and enjoying itself.*

# SPRINTDOG™ – A FUN AND INCLUSIVE CANINE SPORT FOR ALL

*Words: Jennifer Nicolopoulos*

SprintDog™ is an exciting new sport designed for dogs and their owners, focusing on enjoyment, community and safety. SprintDog™ emphasises fun and inclusivity, making it a fantastic activity for dogs of all breeds, sizes and skill levels.

## WHAT IS SPRINTDOG™?

SprintDog™ is all about dogs having the freedom to run and play in a safe, controlled environment. The activity takes place on a flat surface, ensuring safety and preventing injuries. Dogs are encouraged to chase a moving lure, but they can also do a recall with the lure kept stationary. The team running the SprintDog™ Trial, will do whatever it takes to get dogs to cross the finish line and earn a well-deserved reward. Whether it's a Pomeranian, Pug, Terrier, or a larger sighthound like a Borzoi or Greyhound, SprintDog™ welcomes all.

VERO FOJT Photography

## WHY DO SPRINTDOG™?

The biggest draw of SprintDog™ is the sheer fun it brings to dogs and their owners. It's not about competing for the fastest time but about celebrating each dog doing its best and enjoying itself. The atmosphere is community-focused and supportive, where participants cheer each other on. Even novice participants can jump right in without formal training in the sport (just make sure you read the rules).

## HOW DOES A SPRINTDOG™ RUN WORK?

Each SprintDog™ run involves two handlers: one at the start line and one at the finish. The Releaser holds the dog, waiting for the Sprint Marshall's call of "Tally Ho!"— which signals the beginning of the run. As the lure begins to move, the dog is released to run after it or directly towards the Catcher at the finish line.

The way a dog finishes the race isn't what matters; crossing the line within 60 seconds does.

## GETTING STARTED WITH SPRINTDOG™

To participate, your dog must be a member of Dogs Queensland (or other ANKC Member Body). Handlers should be prepared with a flat collar and two slip leads—one for the releaser to walk the dog into the Start Box and another for the catcher in the catching pen. A flirt pole can be a useful training tool for dogs that need motivation or practice.

## WHAT TO EXPECT AT AN EVENT

SprintDog™ events are well-organised with safety protocols and proper separation between dogs. This ensures a relaxed atmosphere where participants can focus on having fun. Events are held across various locations, not limited to Sydney. The sport welcomes everyone, including volunteers who want to learn and support the community.

## A PLACE FOR EVERY DOG

SprintDog™ prides itself on being inclusive. It's embedded in the sport's ethos that all dogs, regardless of background or limitations, are

welcome. As long the dog is able to complete the 100m run in under 60 seconds, they can compete in SprintDog™. The spirit of inclusion of all dogs and their owners, defines SprintDog™. Crossing

the finish line within 60 seconds can earn a dog a qualification, and each achievement is celebrated with the team and spectators.

*Those interested in trying SprintDog™ or volunteering can attend events, mock trials, and training sessions. Beginners receive guidance, ensuring their dogs can safely participate.*

*SprintDog™ is more than just a sport, it's a bridge between different canine activities, from show dogs to family pets, offering a chance to bond, play, and grow within a supportive community. Join the fun, get involved, and share unforgettable moments with your dog at SprintDog™.*

# TIMING OFFICIALS – SIMPLIFIED DUTIES AND RULES

## GENERAL RULES

- Timing Officials must not discuss times with each other or exhibitors.
- Timing Sheets are handed to the Trial Secretary.
- Timing Officials must note if a handler enters the Sprint Area.
- Timing Officials must note if a dog is excused or disqualified.
- A Timing Official whose dog is running cannot officiate for that run and must be replaced temporarily.
- If a Manual Official cannot see the line or Flag Official clearly, they must report it immediately once the Sprint Area is clear so it can be fixed.

## ELECTRONIC TIMING (BREAK-THE-BEAM)

- If electronic timers trigger at both start and finish, that electronic time is official.
- If one or both electronic triggers fail, use manual times instead.
- Only one Manual Timing Official is required where break-the-beam timers are used they record the time manually.

## ELECTRONIC TIMING OFFICIAL:

- Operates the Electronic Timing System.
- May be positioned where most appropriate to receive signal from the Electronic Timers.
- Records times and resets the system.
- Must not discuss times with any other Timing Official or Exhibitors.

## FLAG TIMING OFFICIAL:

- Must be positioned at the Start or Finish Line.
- Must give a clear visual signal when the moment the dog's nose crosses the vertical plane of the line.
- Must be visible to Manual Timing Officials.

## MANUAL TIMING OFFICIALS:

- Must be positioned at the Start or Finish Line

(opposite end to Flag Timing Official).

- (When positioned at the Start Line) Must start the stopwatch the moment the dog's nose crosses the vertical plane of the Start Line and stop the stopwatch on the signal from the Flag Timing Official.
- (When positioned at the Finish Line) Must start the stopwatch on the signal from the Flag Timing Official and stop the stopwatch the moment the dog's nose crosses the vertical plane of the Finish Line.
- Must record all times captured.

## MANUAL TIMING (NO BREAK-THE-BEAM)

- Two Manual Timing Officials must sit opposite each other outside the Sprint Area.
- Manual Officials start/stop stopwatches when the Flag Official signals the dog has crossed the line.
- Times must be recorded to 1/100th of a second.
- The official time is the average of the times from each Manual Timing Official.

# SPRINTDOG™ TRIAL TIPS

- For 100 dogs, allow approx. 2 hours to complete Run 1.
- Approx 15 – 30 minute break in between runs.
- Approx 1.5hrs for Run 2 (allowing for less dogs than Run 1).
- Ensure Releaser & Catcher both have printed numbers for the dog/s as well as a lead each.
- Read the rules.
- Understand what equipment you can and cannot use.
- If you're unsure about anything, contact the club hosting the event.
- Wear closed in shoes.
- No person or dog to enter the Exclusion Zone.
- Make sure you are able to keep your dog secured unless running.

- Keep an eye on the number of the dog running so that you have adequate time.

## FOR ENTIRE BITCHES:

- Must not be in season.
- Must be vetted prior to the start of the Trial.
- Cannot compete if they have been mated within the last four weeks.
- Cannot compete whilst in whelp.
- Cannot compete until a minimum of 12 weeks post whelp.

Please do not bring your dog/s to check in unless it needs to be vetted or measured. This is for the safety of your dog and others.

Please do not bring your dog/s to presentation.

Most of all, bring your fun and enthusiasm and enjoy the time spent with your dog and friends.

## TRIAL SECRETARY - SIMPLIFIED DUTIES

### PRE-TRIAL DAY

- Receive, record, and collate entries before the trial.
- Prepare catalogues, gate sheets, check-in sheets, vetting sheets, and timing sheets.
- When possible, arrange the catalogue so handlers with multiple dogs have enough time between runs.
- Email catalogues to exhibitors at least 24 hours before the trial. Catalogues must meet Member Body requirements.
- Timing sheets should include only: number and breed.

The Pre-Trial paperwork for the Trial Secretary is significant and may require anywhere from 5 – 12 hours work per trial. This is not a role for the feint hearted!

### TRIAL DAY

- Mark scratches/absences on the check-in, gate, and timing sheets.

- Work with the judge and officials to remove anyone who wilfully interferes; file a report with the Member Body.
- Record and report any injuries or incidents to the Member Body (if no Representative is present).
- Collect completed timing sheets.
- Calculate and record each dog's speed (km/h) from its time.
- Convert speed and handicap into points and record them.

### POST DAY

- Keep permanent trial records for the Affiliate.
- Compile and submit results and required documents to the Member Body.
- Provide qualifying exhibitors with a certificate showing only: average time, average speed, and points.
- If publishing results, publish only average time and average speed.

# SPRINT MARSHALL - SIMPLIFIED DUTIES

## PRIMARY RESPONSIBILITIES

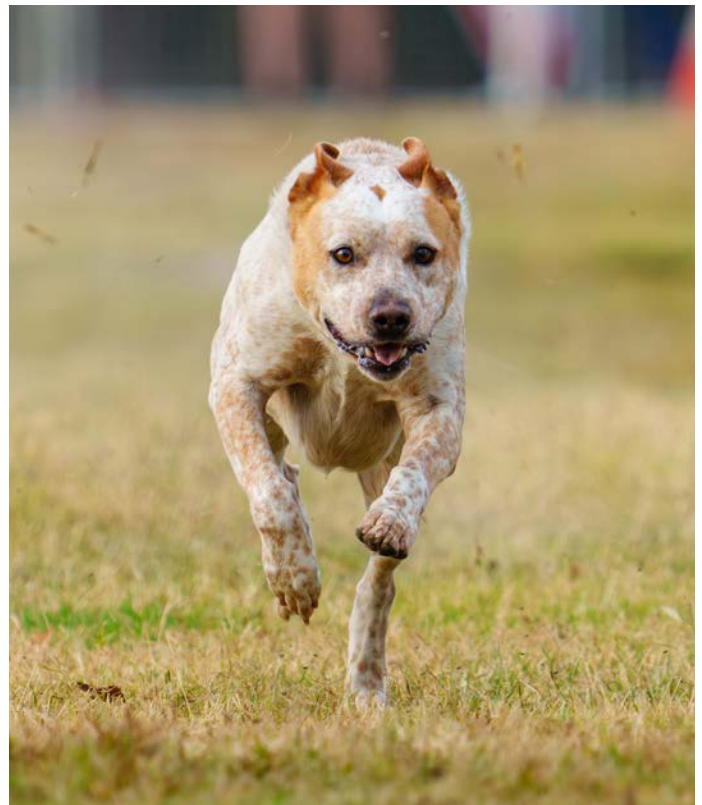

- Safety: Ensure releasers, their equipment, and dogs are clear of the lure string in the Start Box.
- Compliance: Confirm dogs' front feet are ahead of the Start Box back line before release.
- Communication and control:
- Check Catcher, Timing Officials, and Lure Operator are ready.
- Advise Releaser to not release until the "T" in "Tally Ho" and ask if they are ready.
- Signal the Lure Operator to start; call "Tally Ho" when the lure is at a safe distance so the Releaser can release the dog.
- Signal the Lure Operator where to stop the lure on return and adjust as needed.
- Start Box control:
- Control the Start Box and Sprint Area once the dog is inside.
- If the dog hasn't crossed the Start Line within 30 seconds of "Tally Ho," instruct the

Releaser to retrieve the dog.

- Stop or Retrieve:
- You may order retrieval if a dog fails to run at "Tally Ho," attempts to escape, fouls the area, repeatedly fails to start within 30 seconds, or doesn't finish 100m within 60 seconds.
- You may signal the Lure Operator to stop immediately if a dog becomes entangled or a dangerous situation arises.
- Safety Checks and Reporting:
- Ensure correct equipment and report any unsafe equipment or hazards immediately.
- If you witness any rule breaches or aggression, notify officials and stop the trial if required.

## QUICK REMINDERS

- Call "Tally Ho" loudly and clearly.
- Stand on the opposite side of the fencing from the Start Box for safety.
- Only one handler may release the dog per run.

# CATCHING PEN STEWARD - SIMPLIFIED DUTIES

## PRIMARY RESPONSIBILITIES

- Notify Catchers when their dog is about to run and ask them to enter the Catch Pen before the run.
- Open and close the Catch Pen gate.
- Keep officials informed.
- Tell officials when a catcher is present and ready, when the catcher enters the pen, when the dog is on lead and under control, and when the catcher leaves the pen.
- Advise Gate Steward in advance if no catcher is available for upcoming dogs.
- Enforce safety rules.
- Ensure catchers wear enclosed shoes, are at least 16 years old, and carry no prohibited items into the pen.
- Ensure dogs are caught quickly at the end of each run.
- Inspect each dog visually after its run and immediately report any injuries or collisions to officials and the catcher.
- If a dog collides with fencing or barriers, stop the trial immediately; officials will assess and must report the incident to Dogs Queensland.
- Allow only the Catcher inside the Catch Pen while the dog is running. If the catcher cannot catch the dog, radio Gate Steward to have the owner recall it.
- Allow Catchers to call the dog at any time.
- Use toys; (food may be restricted by club rules for safety/allergies.)
- Report any behavior that could lead to disqualification (per Rule 5.9) or any aggressionwials immediately.

### Catching Pen Steward Checklist

- Always carry a two-way radio.
- Keep the running order and a pen/pencil to track changes.
- Confirm Catcher has a lead before the run.

- When dog is on lead and leaving, radio: "Dog (exhibit no.) is on lead and leaving the Catching Pen."
- When catcher enters, radio: "Catcher (exhibit no.) has entered the Catch Pen."
- Prevent any dog running without a Catcher present; if a Catcher is missing (after three calls), notify the Gate Steward immediately.
- Report rule breaches (e.g., unauthorised people in exclusion zones, catchers entering Sprint Area early).
- Wear appropriate weather gear and comfortable, enclosed footwear.

## QUICK REMINDERS

- Use the dog's call name if the Catcher does not know the dog's number.
- Confirm next catcher is ready with the Gate Steward.
- Only correct leads or collars in the Sprint Zone.
- Radio the dog number for any dog that escapes or fouls the Sprint Zone.
- Open and close the gate for competitors.

Clear, efficient communication between Catching Pen and Gate Stewards keeps the trial running smoothly.

# GATE STEWARD - SIMPLIFIED DUTIES

## PRIMARY RESPONSIBILITIES

- Notify Releasers when their dog is due and instruct them to enter the Start Box.
- Open and close the Start Box gate and keep enough distance between the next dog and the running dog to minimise distractions.
- Coordinate with officials and the Catching Pen Steward.
- Confirm Releasers / Catchers are ready for the next dog.
- Notify the Catching Pen Steward when the Releaser enters the Start Box.
- Enforce safety rules:
- Releasers must wear enclosed shoes and be at least 16 years old.
- Ensure no prohibited items are on the dog when entering the Start Box.
- Report injuries or collisions immediately to officials and the catcher.
- Control the Start Box area.
- Only one Releaser in the Start Box to release the dog.
- Do not allow the next dog into the Start Box

until the previous dog is on lead and leaving the Catching Pen.

- If the dog returns to the Releaser, notify the Catching Pen Steward when it is on lead.
- Report disqualifying behaviour or aggression immediately.

## GATE STEWARD CHECKLIST

- Always carry a two-way radio.
- Keep the running order and a pen/pencil to track changes.
- Check the dog's equipment — remove incorrect gear before opening the gate; if not done promptly, the dog may be moved to the end of the run.
- When the dog is caught and on lead, radio: "Dog (exhibit no.) is coming in," then announce the next dog number.
- Confirm a Catcher is in place before allowing the next dog to run; if the Catcher is missing, do not let the dog in and coordinate with the Catching Pen Steward.
- Report rule breaches (e.g., people in exclusion zones, early entry into the Sprint Area).
- Wear appropriate weather gear and comfortable, enclosed footwear.

## QUICK REMINDERS

- Use the dog's call name if handlers don't respond to number calls.
- After three calls with no releaser, notify the Catching Pen Steward and move the dog to the end of the run.
- Only correct leads or collars in the Sprint Zone.
- Radio the number of any dog that escapes or fouls the Sprint Zone.
- Open and close the gate for competitors.

Clear, timely communication between Gate and Catching Pen Stewards keeps the trial running smoothly.

Patrik Berger Photography

# EXHIBITOR / OWNER / HANDLER ROLES – SIMPLIFIED DUTIES

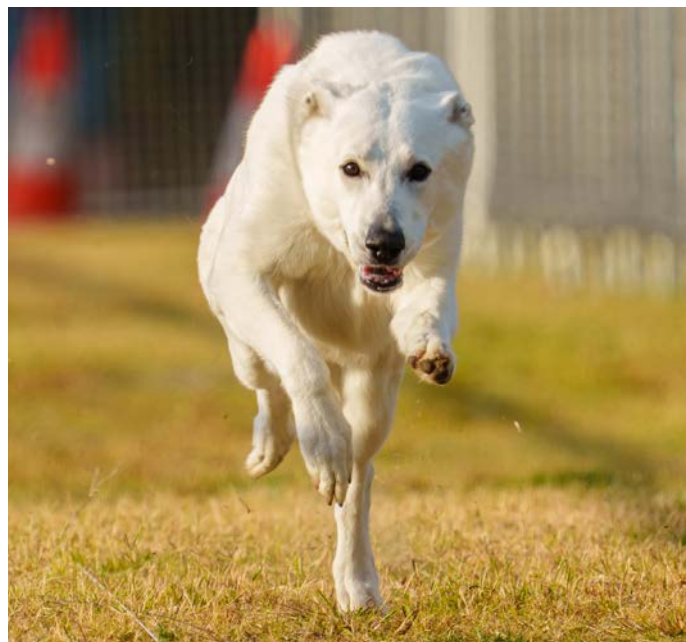

- Follow Officials' directions. Ignoring or challenging officials may lead to removal from the trial.
- The Judge's decision is final.
- Sportsmanship and fun are expected.
- Officials will not be required to handle dogs unfamiliar to them.

## OWNER / EXHIBITOR DUTIES

- Releasers and Catchers must be 16+.
- The Releaser and Catcher nominated by the Owner. Must be able to manage the dog without delaying the trial.
- Releaser: the person who releases the dog in the Start Box.
- Catcher: the person who catches the dog in the Catching Pen.
- All participants must be current financial members of a Member Body.
- Participation is at your own risk; Affiliates and Member Bodies are not liable for injury or damage. By entering, the owner confirms the dog is fit to compete.
- Bring at least two leads so the Releaser and Catcher each have one for the dog.
- Dogs may wear a correctly fitted flat collar; any tags must be taped so they cannot catch.
- Owners/handlers must only use permitted gear.
- Make sure dog has had ample time to warm up or go to the toilet, before running.
- Make sure dog has been sufficiently cooled down post run and has access to clean drinking water.

## HANDLER / RELEASER RULES

- Dogs may have only one Releaser; an assistant may help bring the dog to the Start Box but only one person may release it.

Patrik Berger Photography

- Handlers must not enter or travel down the 100m Sprint Area during runs or immediately before release; doing so will cause the dog to be excused.
- If the Releaser accidentally breaks the beam on the Electronic Timers with either the dog, themselves or equipment, it will not be reset.
- Dogs released before the "T" in "Tally Ho" that catch the lure will be excused.
- Dogs may start up to 3m behind the starting line; clubs must mark the 3m Start Box.
- A dog may be released anywhere inside the Start Box but its front paws must be inside at release.

## CATCHER RULES

- Only the Catcher may be in the Catching Pen during the run.
- Catchers may enter the Catching Pen before a run but not before the previous dog is on lead.
- Catchers may call or encourage the dog only from inside the Catching Pen.
- Retrieve the dog as quickly as possible and exit the Catching Pen promptly.

## New Venue, New Energy: Dog Lovers Festival Returns to Brisbane in 2026

Australia's biggest celebration of our four-legged friends is returning to Brisbane, with the Dog Lovers Festival set to unleash two huge days of shopping, tail-wagging fun, fresh experiences and festival vibes when it bounds to the Brisbane Showgrounds on Saturday 16 and Sunday 17 May, 2026.

After a two-year hiatus, the Brisbane Dog Lovers Festival will bring an expanded festival footprint, new outdoor zones, and a refreshed format that transforms the Brisbane Showgrounds into Queensland's biggest weekend celebration of dogs, joy and pure puppy love.

Relocating to the spacious and centrally located Showgrounds, the 2026 Festival will occupy the Ekka's Showbag Pavilion, Woodchop Arena and Sideshow Alley, giving visitors more room to explore, connect and immerse themselves in

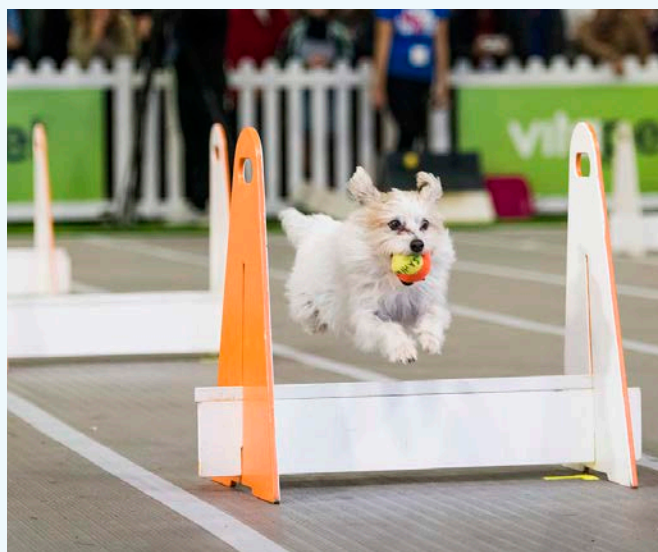

everything dog related. This year's super-sized layout allows the Festival to bring together a record number of breed clubs and adoption groups, and more than 50% more brands on sale – ensuring it will be the biggest celebrations of pooch parenting in Queensland's history!

All the much-loved attractions that have made the Dog Lovers Festival a highlight on the national calendar will return, including the always popular VitaPet Arena, the bustling Dog Expo filled with the latest and greatest in dog products, the curated boutique Marketplace of start-ups, the Breed Showcase, the heartwarming Adoption Zone and the adorable Pat-A-Pooch experience.

All shopping, entertainment and activities are included in the price of admission.

Details of the Festival's full presenter line-up and

programs will be announced soon.

Festival Director, Paul Mathers said the re-invented 2026 Festival format marks an exciting evolution for Brisbane.

*"We're thrilled to bring the Dog Lovers Festival back with a brand-new format that truly harnesses the incredible atmosphere of the Brisbane Showgrounds," Mathers said.*

*"This new site gives us the space to create a real festival environment, one where visitors can wander between indoor and open-air experiences, enjoy fantastic food, and soak up all the exhibitors have to offer."*

*"We wanted 2026 to feel fresh, energetic and immersive, and we can't wait for visitors to experience the most exciting Brisbane Dog Lovers Festival we've ever produced."*

The 2026 Festival is designed to welcome everyone from seasoned dog owners seeking the latest

products and advice, to families looking for a fun, feel-good day out, for animal lovers wanting a weekend of puppy smooches, smiles and shared moments.

Tickets are on sale now with first release tickets available at: [dogloversfestival.com.au/brisbane/](https://dogloversfestival.com.au/brisbane/). Fetch yours today before the prices rise.

#### EVENT DETAILS:

**What:**  
Brisbane Dog Lovers Festival 2026

**When:**  
16–17 May 2026, 9.30am–5pm daily

**Where:**  
Brisbane Showgrounds, Bowen Hills

**Website:**  
[www.dogloversfestival.com.au/brisbane](https://www.dogloversfestival.com.au/brisbane)

# Breeder Alert – Puppy Scam Websites

Dogs Queensland has become increasingly aware of Puppy Scam Websites using legitimate Dogs Queensland Registration and Queensland Breeder Identification (BIN) Numbers to sell puppies. Dogs Queensland Registration Numbers are obtained from legitimate websites such as Dogs Queensland or DogzOnline, where they are displayed as required by the Queensland Government.

Please see the [Queensland Dog Breeder Fact Sheets](#) for regulations and guidelines for Queensland Dog Breeders.

## **An example of a typical scam is:**

- A Dogs Queensland Membership number is lifted from current advertising on the internet.
- The scammer researches and obtains personal details of the breeder including name, suburb, prefix.
- A domain name similar to the Kennel prefix is registered on an offshore registry.
- Once the breeder has ceased advertising the litter of puppies a new website is published.
- No physical address or phone numbers are advertised on the website.
- The seller avoids permitting you to physically see the cyber puppy and only sends non genuine pictures.
- The seller insists on only accepting payment by a crypto currency or a funds transfer.

## **As a breeder what can you do to avoid being an unknowing victim of a Puppy Scam:**

- Regularly Google search the internet for websites using a similar Domain Name as your Prefix.
- Put a warning notification in your online advertising to alert buyers to check any website they are looking at is legitimate.
- Encourage puppy buyers to verify breeder information with Dogs Queensland and make direct in-person contact with you.
- Ensure puppy buyers check communications are made with verified contact details.
- Encourage puppy buyers to meet the puppy and breeder before handing over payments.

## **As a buyer what can you do to avoid being a victim of a Puppy Scam:**

- Verify breeder information with Dogs Queensland.
- Ensure communications are made to verified contact details.
- Meet the puppy and breeder before handing over payments.
- If paying online, use a credit card or PayPal where you have a degree of buyer protection.
- Check website is an established site with a website security certificate.
- Avoid websites without physical address or phone numbers.
- Ask for proof, including ANKC registration papers and veterinary health records for any puppy.

Importantly you should report any suspect sites or advertising to the [ACCC ScamWatch](#) website. Please let us know about any suspect websites too by contacting Dogs Queensland on 3252 2661 or by email at [info@dogsqueensland.org.au](mailto:info@dogsqueensland.org.au).

# Science in Action: Three Studies Shaping the Future of Pet Care

Veterinary medicine is continually evolving, with new discoveries reshaping how we understand and care for animals. Much like in human medicine, research drives this progress—providing the evidence-based insights needed to improve health, wellbeing, and quality of life.

For veterinarians, breeders, and owners alike, continuous learning is essential to making informed, compassionate decisions that truly benefit animals. Ultimately, research and education unite everyone who cares for pets in the shared goal of helping them live healthier, happier lives while advancing the future of both animal and human care.

## Waltham Petcare Science Institute

The Waltham Petcare Science Institute—owned by Mars Petcare—is a globally recognised leader in scientific research and innovation in pet nutrition and health. Based in Melton Mowbray, UK, the institute has been advancing the science of pet care for more than 50 years.

Working in collaboration with leading universities, veterinary professionals, and industry experts, Waltham conducts world-class research to improve the lives of pets around the globe. Its work spans a broad range of fields—including nutrition, behaviour, and the human-animal bond.

Among its many achievements, Waltham has developed growth charts using data from tens of thousands of healthy animals—providing breeders and veterinary professionals with an invaluable tool to assess and monitor puppy and kitten growth.

The institute also leads efforts to promote sustainability in pet nutrition, pioneering the use of microalgae as an alternative, renewable source of omega-3 fatty acids. This innovation helps reduce dependence on fish-based oils while supporting marine ecosystem preservation.

Beyond nutrition, Waltham's research explores the human-animal bond, showing how pets positively influence emotional and physical wellbeing—especially in children. All studies undertaken by Waltham meet rigorous animal welfare, ethical, regulatory, and legal standards.

To bring Waltham's work to life, I've summarised three recent research projects that demonstrate how cutting-edge science is advancing knowledge in nutrition, genetics, and the human-animal bond.

### 1. Real-world diagnostic potential of bacterial biomarkers of canine periodontitis

Periodontal disease is common in dogs but often underdiagnosed, as early stages show few visible signs. Accurate diagnosis typically requires general anaesthesia for dental probing and radiographs.

In this study, researchers investigated the use of specific bacterial biomarkers—bacteria present in the mouth—as diagnostic tools for periodontitis. By analysing saliva or oral swabs, they aimed to detect these biomarkers non-invasively, providing a quicker and less stressful alternative to traditional methods. The findings showed that certain bacterial profiles correlate with both the presence and severity of periodontal disease.

The team analysed plaque samples from 127 dogs undergoing dental procedures, both conscious and anaesthetised. The qPCR assay achieved an accuracy of 77.7–80.9%.

This molecular screening tool could enable earlier detection of periodontal disease in conscious dogs, helping veterinarians identify cases that require further investigation or treatment. By enabling earlier intervention, such tools have the potential to improve both oral health and overall quality of life for dogs.

[Link to article: https://doi.org/10.3389/fvets.2024.1377119](https://doi.org/10.3389/fvets.2024.1377119)

## 2. A splice donor variant in SLAMF1 is associated with canine atopic dermatitis

Canine atopic dermatitis (CAD) is a lifelong inflammatory skin disease causing itching, irritation, and secondary infections. Affecting up to 30% of dogs, CAD arises from a complex interaction between genetics and environment. Using data from more than 28,000 dogs, Waltham scientists conducted a genome-wide association study (GWAS) to uncover genetic risk factors.

Their work revealed a significant variant in the SLAMF1 gene, located on chromosome 38. SLAMF1 encodes an immune system protein involved in cell signalling, and a splice donor mutation was found to disrupt its normal function—potentially doubling the risk of CAD. This variant appeared frequently in French Bulldogs (71%), Boxers (40%), and Labrador Retrievers.

The discovery identifies SLAMF1 as a promising target for future treatments and a potential biomarker for genetic testing. Breeders may eventually use this insight to make informed breeding decisions that reduce CAD prevalence, while maintaining genetic diversity across breeds.

[Link to article: https://doi.org/10.3389/fvets.2025.1550617](https://doi.org/10.3389/fvets.2025.1550617)

## 3. Effects of human-animal interaction on salivary and urinary oxytocin in children and dogs

This study looks at how spending time with dogs affects oxytocin levels, a hormone linked to bonding and social connections, in both children and dogs. Researchers measured oxytocin in saliva and urine during three activities: playing with their pet dog, playing with an unfamiliar dog, and playing alone (control). They also studied how genetic factors, like oxytocin receptor gene methylation (OXTRm), influence behaviour and oxytocin responses.

### Key Findings:

- **Children’s Oxytocin Levels:** Oxytocin was higher when children interacted with dogs compared to playing alone. Looking into their pet dog’s eyes (shared gaze) boosted oxytocin, showing the importance of a close bond.
- **Dogs’ Oxytocin Levels:** Pet dogs had increased oxytocin during play, while unfamiliar dogs showed a decrease. This suggests familiarity plays a role in oxytocin release.
- **Genetic Influence:** Children with higher OXTRm levels released more oxytocin when playing with their pet dog but less during solitary play.

Together, these results show how meaningful human–animal interactions can foster emotional wellbeing and strengthen the human–dog bond. The findings may also have implications for the use of therapy dogs in supporting children’s social and emotional development.

[Link to article: https://doi.org/10.1016/j.psyneuen.2024.107147](https://doi.org/10.1016/j.psyneuen.2024.107147)

**Wisdom DNA testing, developed by Wisdom Health™, unlocks the secrets of a pet’s genetic blueprint, offering invaluable insights into their breed, traits, and potential health risks. For breeders, it’s a game-changer — enabling informed decisions to promote healthier, happier future generations.**

# New Year's Resolutions For Dogs

*As we enter into a new year it's a time that many people pause to reflect on the year they have had and the year they want to have ahead. It's also a perfect time to make small positive changes that improve your dogs wellbeing.*

*Here are some New Year's resolutions worth making on behalf of your dog with a focus on health, happiness, and connection.*

## 1. MOVE MORE

Look at different ways to exercise your dog that fits its health, age and mobility (and yours).

- Short, frequent walks instead of one long outing
- Incorporating sniffing time rather than constant marching (1 sniff can equal 10 minutes of exercise)
- Trying low-impact activities such as swimming

The goal isn't to get your dog exhausted – it's fitness, confidence, and mental wellbeing.

## 2. FOCUS ON MENTAL ENRICHMENT

Mental stimulation is just as important as physical exercise. Dogs that are mentally engaged are often calmer, more settled, and less prone to nuisance behaviours.

Some mental enrichment may include:

- Rotate toys rather than leaving them all out
- Introduce food puzzles or scatter feeding

- Teach a new trick or refine a basic skill
- Let your dog "read the newspaper" by sniffing on walks

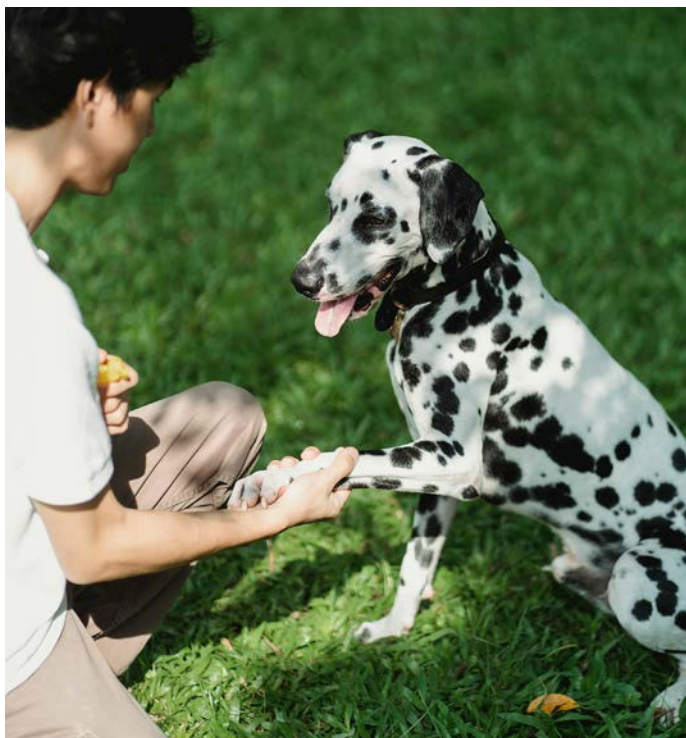

Five minutes of thinking can be as satisfying as a long run.

## 3. REVISIT THE BASICS OF TRAINING

Training isn't just for puppies. Even well-trained adult dogs benefit from revisiting foundations like sitting, recalls, calm greetings or learning a new trick.

A New Year's goal might be:

- Polite lead manners
- A reliable recall in real-world settings
- Calm behaviour around visitors
- Confidence-building for shy or sensitive dogs
- Teaching a shake or wave

Pexels

Short, positive sessions build trust – and remind your dog that learning is fun.

#### 4. PRIORITISE PREVENTIVE HEALTH

Reviewing your dog's health status at the beginning of each year ensures nothing has been missed.

Consider:

- Booking routine veterinary and dental checks, especially for breeding dogs
- Reviewing parasite prevention
- Monitoring body condition and weight
- Paying attention to breathing, mobility, and stamina

Small observations at home can make a big difference long-term.

#### 5. IMPROVE DAILY NUTRITION HABITS

Whether your dog eats dry food, raw, or home-prepared meals, consistency and balance matter.

A realistic resolution could be:

- Measuring meals accurately
- Reducing high-calorie treats
- Using part of daily rations for training

Healthy nutrition supports joints, digestion, coat condition, and overall vitality.

#### 6. MAKE TIME FOR ONE-ON-ONE CONNECTION

In busy households, dogs can sometimes fade into the background of daily life. This year spend intentional time with your dog – without distractions.

That might look like:

- A quiet grooming session
- A solo walk without phones
- Sitting together at the end of the day

Pexels

For dogs, being included often matters more than being entertained.

#### A RESOLUTION THAT LASTS ALL YEAR

The best resolutions aren't dramatic – they're sustainable. You don't need a brand-new routine or expensive equipment. Small, thoughtful changes made consistently will have the greatest impact on your dog's quality of life.

As we welcome a new year, perhaps the most important resolution is this:

*To have a happy dog that is healthy in both mind and body and companionship is reciprocated.*

# DOGS QUEENSLAND SHOW BAGS

DQ Show Bags are exceptional value at only **\$30** each

**Each bag contains the following products:**

- DQ Bag • Nexgard Spectra
- Royal Canin food sachet • Plush Puppy OMG
- EAC Animal Care probiotic • Microfiber Towel
- DQ Poo Holder and bags • DQ Lint / Hair Remover
- DQ Collapsible Water Bowl • DQ Pen
- Rope Toy • Bell & Bone Dental Stick
- Huds & Toke Dog Treat
- Aussie Pet Collective Tug Toy • Loyalty Pet Treat
- Mister Minit Dog Tag & engraving discount voucher
- L'Barkery Puppicino • Eureka Pet Treat.

**Show bags are available for purchase from the DQ office during normal business hours (Monday - Friday, 8am to 4pm), email to [accounts@dogsqueensland.org.au](mailto:accounts@dogsqueensland.org.au) or phone 3252 2661. Postage is an additional charge, if required.**

# Life Membership Nominations

Life Membership may be granted to any member of Dogs Queensland who has rendered outstanding or special services to Dogs Queensland. That person shall retain membership of Dogs Queensland for their life unless otherwise determined by virtue of any exercise of disciplinary proceedings under the CCC(Q) Ltd Rules.

Any Affiliated Kennel Club or Financial Member may nominate any member for Life Membership. That person will have a minimum of fifteen (15) years continuous full membership of Dogs Queensland and must have been a member of a Club or Clubs during that time. Such nominations are to include a citation, which provides the justification for the nomination. Citations for those Life Memberships awarded will be published in the Dog World magazine, and, where possible, presentations will be made at an appropriate function or event. The CCC(Q) Ltd Board of Directors will consider all nominations on their merit and with strict confidentiality.

The Board sees the grant of Life Membership as honouring a member who has been truly outstanding in his or her support of Canine Affairs, particularly beyond that of a single Club.

All nominations for 2026 Dogs Queensland Life Memberships should be addressed to Rob Harrison ([rob@dogsqueensland.org.au](mailto:rob@dogsqueensland.org.au)) and received in the Dogs Queensland Office no later than Friday 27 March 2026.

**Jodie Wilshier – Secretary of KAQ**

The Festive Fiesta shows (which are organised by Kennel Association of Queensland in conjunction with Dogs Queensland) were held from Sunday 28 December to Wednesday 31 December 2025. A total of 6 shows (4 championship and 2 opens shows) were held at this event. Our panel of judges were from New South Wales, Victoria and Queensland.

As a committee, we were more than thrilled with the entries received. We tried a few different events this year, namely a breeder's team sweepstakes and a new exhibitor sweepstakes. Both of these sweepstakes were very well supported, not only with entries but will exhibitors coming to watch the new events. It is hoped these events will be a permanent fixture.

We were lucky to have excellent weather for most of the event. On the last night, New Year's Eve, the heavens opened – but it didn't seem to dampen the spirits of many parties going on around the grounds.

Festive Fiesta has become an event that is known for its fun atmosphere and we hope this continues for years to come. We are very proud of the event and have always tried to give back to the exhibitors. This year we did this in the form of excellent trophies, wonderful sponsor products and our exquisite rosettes for each award given. We also had Best Of Breed prizes for each show, including the open shows.

I would like to give a special mention to our committee and helpers namely – Rob Harrison, Tara-Janelle Payne, Liza Cassidy, Ainslie Carius, Mark Yardley, Shannon Yardley, Andrew Ness and Katrina Santas (Chair of the events committee). We all worked very hard and spent many hours making sure the event went off smoothly. Thanks also to all of the stewards, show managers and general helpers – without you, we don't have an event.

I would also like to acknowledge our sponsors:

- **Brisbane Screen Printing and Displays**
- **Hydra**
- **Wagz Café**
- **Royal Canin**
- **TAK Photography**
- **Azzabern Animal Transport**
- **Orivet**
- **B&M Photography**
- **JB Signature Grooming Range**

We have already started planning for the 2026 edition of Festive Fiesta.

## RULE 21 – OBLIGATION TO REGISTER

- 21.1 A member who breeds a litter of dogs, the parents of which are registered or eligible for registration with the CCCQ Ltd or other recognised canine controlling body must:
- (1) Register such litter, including all of the living progeny in such litter at one (1) and the same time within eighteen (18) calendar months of the date of whelping or prior to sale or rehoming (see Rule 28). No litter will be registered after twelve (12) months of age without the approval of the CCCQ Ltd;
  - (2) Comply with CCCQ Ltd Rules and correctly complete all forms required by the CCCQ Ltd;
  - (3) Pay such fees as are determined from time to time by the CCCQ Ltd. A standard fee will be set for registrations received by the office on a date within four (4) months of the date of whelping and a higher fee for registrations received by the office on a date between four (4) and six (6) months or between six (6) and twelve (12) months of the date of whelping;
  - (4) Where the breeder wishes to register a puppy with the breeder's name as part owner, an Agreement signed by the purchaser of the puppy is to be attached to the application to register the litter. Only official CCCQ Ltd Partnership Agreement forms are to be used;
  - (5) Where the breeder wishes to register a puppy on the Limited Register, an Official CCCQ Ltd Limited Register Agreement statement from the purchaser stating that the implications of the Limited Register are understood is to be attached to the application; and
  - (6) A breeder may, at time of registration on the General Register, endorse registration "Not to be exported".

## Pet Care Professional Tells all

### The secret To Stopping Itchy Skin & Redness

## ***Boonah Christmas Street Parade***

– John Mitchell

I consider myself to be a long-term resident of Boonah now and enjoy being a part of this community that embraces a very positive canine culture in the town. Most of the cafes along the street have water bowls outside the entrance for dogs to have a drink as they're walking past or if they're sitting down with their family to a meal. On any day, you will see a diversity of dogs sitting with their families at tables in the street.

Our town is well known for welcoming all members of the family. The town cat is accepting and will often walk around ignoring the presence of the dogs. Not too long ago, the town cat called *Gerald*, walked bravely along the street amongst the passing by of dogs, allowing them onto his patch. It's a shared space, with boundaries respected by all.

After watching the parade from the sidelines for several years now, I really wanted to be a part of it with my friends that I spend so much time with. I'd decided that it would be great to walk down

the street with my sporting dog and show dog fraternity, promoting who we are and what we like to do. It's not an easy task to organise, especially when the event was held on the Thursday evening which is probably not the easiest time for many that work. After putting out a call to the local community, several people and groups responded and we formed a small nucleus of people and their dogs to participate in the evening. Scooby Doo led the way carrying the Dogs Queensland flag followed by a Santa sleigh with a combination of sled dog breeds, show dogs and sporting dogs. What a wonderful group of people to walk "the magic mile" with so to speak.

The looks on the faces of the families and children as we walked down the street was priceless. So many smiles and sheepish grins could be seen as we strutted our stuff down "High Street" (yes, that's the name of our main street). As we approached the centre of town where the main stage was set up, we were welcomed by the announcer and the cheers and applause from the community could be heard.

Photographers were stationed in all parts of the town recording the event and documenting the moments.

Our dogs were AMAZING! They were rock solid and confident amongst all the different noises, sounds and sights going on around them without hesitation. I have to thank all of the people involved for bringing along their beautiful 4 legged family members!

We were fortunate enough to have booth space allocated to us and given the opportunity to talk with a cross section of people from our local community. Some of my observations from the evening are as follows:

- When I talk about “Dogs Queensland”, no-one knows who we are as a collective group.
- People in the community are not aware of the amazing range of activities that we participate in. I would love to give them the opportunity to grow in different ways with their dogs.
- There is a need for activities and spaces for families to recreate with their dogs. In my town, one of the local community service groups promotes a “Dog Day Out” extravaganza at the Leash Free Park that they built for the community. It is a big day of activities and well supported. I sincerely hope Dogs Queensland can be a part of this in 2026!

We need to be getting out into all of our communities with our dogs and selling ourselves and the Dogs Queensland brand!

My request to you all! We need your help to use your knowledge of your local community.

Have a look around your local area and find out if they have a major event/s that you think Dogs Queensland could be a part of. Make an enquiry for us about who we can contact, and then let us know the details. Maybe Dogs Queensland could support one of our local dog clubs in your area to help foster a positive presence in the community? We would be happy to help if we can. We prefer to be proactive and plan well ahead so the event can be appropriately resourced (a much easier process than the one that we went through this time!). What are the major festivals that you have around you that you think we might be able to tap into? Share them with us please. We value your knowledge.

On behalf of the the Marketing and P.R. Committee, I would like to thank everyone that helped and supported us in our first endeavour to share Dogs Queensland with the broader community. We are very excited to launch our next big event on Sunday 18 April 2026 at Durack: “Dogapalooza”.

We are looking for more breeds clubs to put their hats in the ring and bring your dogs along for the day! We want as many breeds represented on the day as possible so please consider coming along and supporting us.

As a side liner, we will also be looking for people to help us run it on the day – so consider sparing a couple of hours to help out, please please pretty please!!!!

Hope to see you all at Dogapalooza!!!!!!

## JOIN US AT DOGAPALOOZA QUEENSLAND SHOWCASE YOUR CLUB & INSPIRE DOG LOVERS!

Dear Club Secretaries,

Dogs Queensland is excited to invite your club to be part of Dogapalooza Queensland, our biggest celebration of all things canine! This inaugural event will be held on **Sunday, 19 April 2026, at the DQ Sports Grounds, 247 King Ave, Durack** and promises to be an incredible day for dog enthusiasts, families, and the broader community.

We're bringing together dog breed and sporting clubs, vendors, and demonstrations for a full day of fun, education, and inspiration. We'd love for your club to take part by choosing one (or both!) of the following options:

**1. HAVE A STAND:**

Showcase your breed or sport, connect with potential new members, and share your knowledge and passion with the public.

**2. HOST A "COME AND TRY" DEMONSTRATION:**

Give attendees a hands-on experience of your sport or activity! These demos are always a crowd favourite and a fantastic way to encourage newcomers to get involved.

This event is a wonderful opportunity to promote your club, attract new members, and celebrate the joy of dogs with the wider community. We'll provide plenty of support to help make your participation easy and enjoyable.

If your club would like to take part, please contact: Khylie Wood at [khylie.wood@gmail.com](mailto:khylie.wood@gmail.com) by **1 February 2026** to secure your spot.

*We can't wait to see your club at Dogapalooza 2026 and make this the best year yet!*

*Tabitha Young – Celebrating Dogs, Clubs, and Community!*

## ***Beagle Club of Queensland Hosts Successful 2025 Christmas Walk at the Gold Coast Broadwater***

– Tara McNicol

The Beagle Club of Queensland held its annual Christmas Walk on Sunday, 30 November 2025, with a highly successful event that brought together owners and their Beagles in a celebration of the year. Set against the picturesque backdrop of the Gold Coast Broadwater, the walk attracted an impressive attendance of 118 Beagles, reflecting the continued growth and engagement of the club's membership.

All the Beagles assembled at the end of North Street before commencing the walk along the foreshore toward the Broadwater Bridge. The route provided a safe and scenic environment for both dogs and handlers, while also drawing positive attention from members of the public. The large number of Beagles in attendance created a memorable visual display and highlighted the strong presence of the Beagle Club of Queensland within the broader canine community.

Following the walk, there were various activities for the Beagles and their owners to enjoy. Mini markets catering specifically to Beagles were a popular feature, offering a variety of products including treats, accessories, and specialty items.

A sausage sizzle is always a popular spot especially for the Beagles and this didn't disappoint. In addition, the famous Christmas Hampers were well supported, with proceeds contributing to the club's ongoing initiatives and future events.

A key highlight of the day was the appearance of Santa Claus, who was available for photographs with the Beagles. The Santa selfies proved extremely popular, providing owners with lasting keepsakes and adding a festive spirit.

The Christmas Walk also included a significant and reflective component with the club's annual Rainbow Bridge display. This tribute honoured Beagles who had passed away during the previous twelve months. The display offered members a respectful space to remember and acknowledge the lives of their beloved companions and underscored the strong emotional bonds shared within the Beagle community.

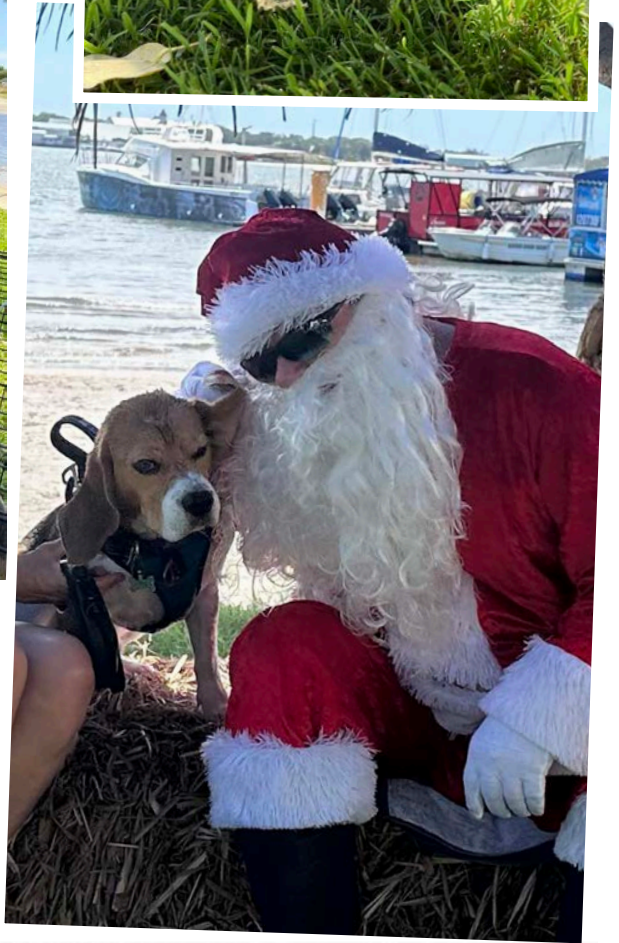

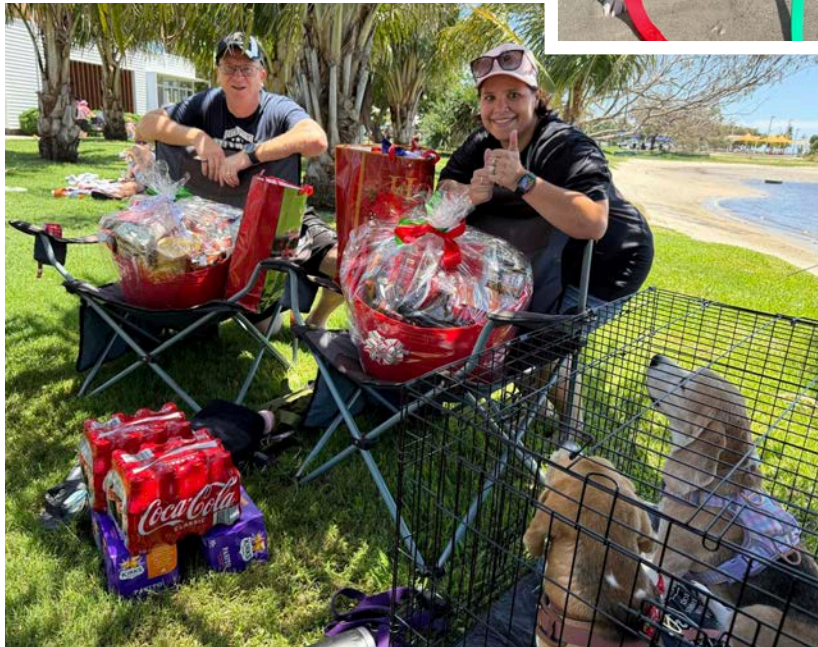

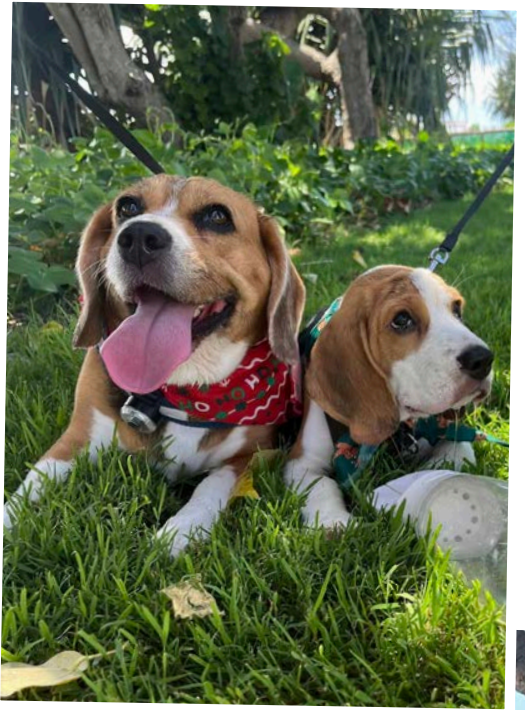

We also had the added surprise of Channel 9 Gold Coast choosing to cover our Christmas event which was a great way to spread the event and also the purebred Beagle and our Club.

Overall, the 2025 Christmas Walk was a highly successful event that combined celebration, remembrance, and community engagement. The Beagle Club of Queensland extends its sincere appreciation to all members, volunteers, sponsors, and attendees whose support ensured the smooth running of the day. The event once again demonstrated the club's commitment to fostering connection among Beagle owners while celebrating the breed in a positive and inclusive environment.

# SMALL BUT MIGHTY!

– Kim Dawson

Tonka the Portuguese Podengo (Small Smooth Haired) might be small in stature, but he is certainly BIG in accomplishments! Together with his owner Wendy Casey, Tonka has attained not one, but TWO sporting Championships within the space of a month. Across multiple sports, Tonka is recognised as a tough, tenacious competitor who refuses to give up and has now achieved recognition for his tireless work ethic.

Introducing Tonka, LP.Ch SW.Ch Alarves Heart On My Sleeve LPM2 RN SPRD.A!

## ***Tonka the Scent Work Champion!***

While Wendy and Tonka are not only the first Portuguese Podengo in Australia to gain their Scent Work Championship title, Tonka is also the first

Penny Parker Photography

“small” dog to attain the Scent Work Champion title. Scent work can be especially challenging for small dogs, as the target “hides” in Scent work Masters and Ultimate classes may be located up to 1.5m from the ground!

To be awarded the title of Scent Work Champion, teams must have achieved their Scent Work Master title in addition to all four Element Titles (44 Qualifications in total) and then achieve their Scent Work Ultimate title – 5 Qualifications under a minimum of three different judges. This title is a huge undertaking, and Tonka is amongst the elite few Australia-wide whom have gained this championship.

***"It's not the size of the dog in the fight, it's the size of the fight in the dog." – Mark Twain***

## ***Tonka the Lure Pursuit Champion!***

Just a few weeks later, Tonka ran his heart out on the lure coursing field at the American Staffordshire Terrier Club of Qld veteran trial to gain the final qualification for his Lure Pursuit Champion title, also gaining his Lure Pursuit Master 2 title (16 passes at Masters level).

Tell Tail Photography

Tonka's breeder – Jenni McKernan – who first introduced Wendy and Tonka to Lure Coursing in 2019, was also there on the day to witness Tonka become the first Portuguese Podengo to attain the Lure Pursuit Championship title.

To be awarded the title of Lure Pursuit Champion, teams must have gained an additional 4 masters-level qualifications of a minimum of 140 points, under 4 different judges and at least 2 different courses.

### **About the Portuguese Podengo**

The Portuguese Podengo is an ancient multi-sensory hound (sight and scent) originating in Portugal. As a breed, the Podengo is divided into three size categories that are not interbred: small

(Pequeno), medium (Médio) and large (Grande). Their coats are either short and 'smooth', or longer and 'wired'. Each variety is suited to different climates, terrain, type of prey and hunting style.

Keen hunting dogs, the Podengo is a versatile hunter and companion that uses all its senses combined with agility, speed and endurance. Each size category traditionally hunts game appropriate to their size and temperament.

## *Vale Dorothy (Dot) Fune Oestreich*

**15/07/1930 – 8/07/2025**

Dot grew up on a dairy farm and was raised by her grandparents in the town of Widgee, Queensland. Her grandfather was instrumental in educating Dot in animal husbandry, and her interest in dogs and breeding was due to growing up with Cattle Dogs and Border Collies that were used on the farm; her favourite one being a bitch called *Flossie*. She also owned German Shepherds and Pomeranians before she became involved in Basenjis.

Dot was competitive and took on challenges in her life. Before gaining an interest in breed conformation, Dot was a champion quarter horse rider, cyclist and competitive squash player. Dot had also told people close to her that for quite a while in her life she could not read and write. But again she took on that challenge and taught herself these important life skills.

Dot's involvement with Basenjis was really started by her son Karl who had seen a Basenji in a book. Karl encouraged Dot to buy a Basenji, which she bought from Delma Clatsworthy of Brisbane. The Basenji was called *Koorabar Makala* born April 1967. As there was no specialist breed club in Queensland at the time Dot joined the newly formed Basenji Club of Victoria, which was established in 1966 and held its first show in 1967. Dot remained a member of the Basenji Club of Victoria for some years, and then joined the Basenji Club of New South Wales shortly after its inception in 1968.

***Dot Oestreich Patroness of BBNQ, Christine Petersen with Ch Nailah Facing The Firebird, and Group Judge Alan Hunt NSW at the presentation of the Dot Oestreich BIS trophy for the inaugural BBNQ Championship show Durack 2015.***

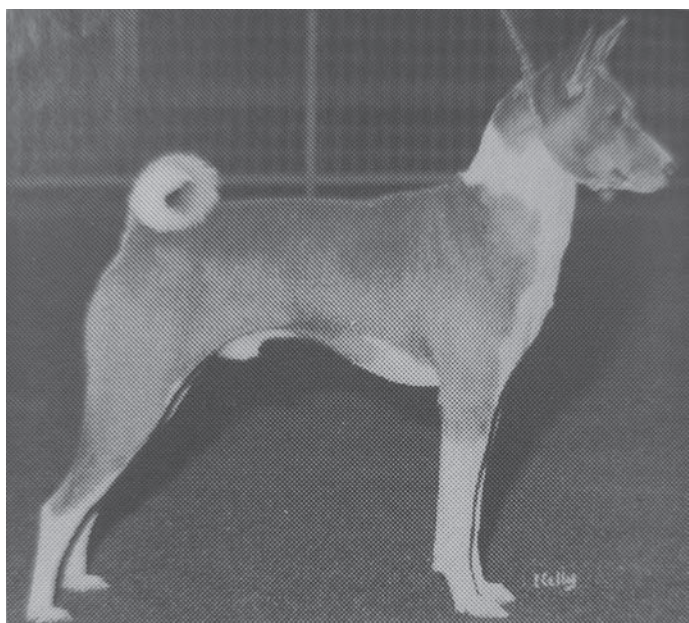

Life handed Dot a hard road to follow with successive personal losses, beginning with the

passing of her son Karl, daughter Marilyn, her ex-husband Clyde, and her close friend Sheila Corbett who died in a tragic accident. The dog world kept Dot going.

Dot took her dog club membership seriously, using every opportunity to support the Basenji Club of NSW. She donated trophies to the Club for their Easter Ribbon Parades, and she also donated her Makala trophies for their championship shows in the memory of her late children Karl and Marilyn.

Whenever possible, Dot made the long trek to Sydney to participate at Sydney Royals, PAL Internationals, Spring Fairs and Championship Shows. Dot was successful at the Sydney Royal winning Challenge Dog 1976 and 1977. Also Challenge Bitch in 1974, 1975, and Challenge Bitch and Best of Breed in 1979 and 1980.

**Ch Makala Eagle Hawk**

She also participated at the Basenji Club of NSW specialities winning Dog Challenge in 1976, and Dog Challenge and Best In Show in 1978 with Champion *Makala Eagle Hawk*. In 1985 she won Reserve Bitch under the prestigious judge Miss Damara Bolte (USA) at the 1st Australian National Basenji Championship Show. Dot served as Patroness of the Basenji Club of NSW circa 1993.

In Queensland Dot won Challenge Dog at the Brisbane Royal in 1970, 1992, and Best of Breed in 1984, Bitch Challenge in 1973 and 1982. Ch. *Makala Eagle Hawk* was the first Basenji to win a Best in Show (BIS) in the metropolitan area in 1976

at Sunshine Coast All Breeds Kennel Club and in 1977 at Beenleigh Kennel. Dot's Basenjis won many other awards in Group and BIS over the years.

Later in Queensland she co-bred with Angela Brown and had great success with *Gr Ch. Sudanka Dream Machine* aka as *Sonny*. Dot and *Sonny* were a great team. Dot's enthusiasm and knowledge of Basenjis led her to present Basenji breed lectures for Dogs Queensland (DQ) aspiring judges. Dot continued to do breed lectures for 20 years.

**Ch Sudanka Enki Bowana**

Dot joined the DQ breed social club Basenji Hound Association Queensland (BHAQ) in 1992. Then many years later she held the position of Patroness for the breed club, Basenji Breed Network Queensland (BBNQ) established in 2013 as a social club, and later in 2015 BBNQ held its first Open and Championship Specialities on 27 and 28 November 2015. Dot's legacy to BBNQ is the Dot Oestreich Best in Show trophy, which was first presented at the BBNQ championship show in 2015.

There are a lot of charming anecdotes that have been shared about Dot.

During those years it had been said that no one could stack a Basenji like Dot. Given Dot and her daughter Marilyn's success in the show ring this comment would not be challenged. Both mother and daughter were excellent handlers.

Anyone could approach Dot and question her on the breed she loved. This is what Dot had to say on type and movement of a Basenji. A person who was new to showing Basenjis asked Dot what is more important, type or movement for a Basenji. Dot's opinion on this was that a Basenji needs to have a good breed type, because otherwise all you have is a dog with good movement. She also often told the story that she learnt from her grandfather who bred champion cattle. Her grandfather use to say, you only need one good bull in your paddock. But Dot said for dog breeding Bitch is King. Keep more excellent bitches in your yard than dogs.

Angela Brown related a story about Dot when she was awarded Canine Control Council Queensland (CCCQ) Life Membership in 2000. Lt. Colonel Ray Underwood president of the CCCQ asked Angela to make sure Dot was in the dog pavilion at lunch break as he was going to award her Life Membership. Well Angela got an endless interrogation from Dot as to why they had to go back to the pavilion. Angela said to Dot that Ray needs your help in the ring. After Dot was presented with a Life Membership badge she was speechless, and for those who knew Dot, it wasn't often she was speechless.

In Queensland Dot held committee member positions in the Hound Club of QLD, Patroness of the Beagle Club of QLD, Committee member and Vice-President of the Maree Kennel Club, Vice-President of the Brisbane Ladies Kennel Club, and a committee member of the CCCQ, and one of her final official positions was Patroness of Basenji

*Circa October 1994. Basenji Education Day at CCCQ grounds Durack. Dot is third from the left.*

Breed Network Queensland 2013 – 2015.

In later years Dot became very involved in Lure Coursing with her Basenjis *Bobi* and *Edge*. *Edge* was the last Basenji that lived with Dot as a companion.

Dot was a very strong woman who loved her Basenjis and loved the dog world. She will be remembered for showcasing and establishing recognition for the Basenji Breed in Queensland.

Dot may you rest in peace in that green paradise you dreamed of for your Basenjis.

## DOG OWNER'S MANUAL ON SALE NOW!

Written by distinguished veterinarian Karen Hedberg, the Dog Owner's Manual takes you through the process of choosing and raising a puppy. It also includes breeding, geriatric care, lists canine ailments and summarises various treatments.

Clearly written and easy to comprehend, this book provides an up-to-date one-stop reference for both breeders and all those who really care for their dogs.

To purchase your copy, visit Dogs Queensland, phone the office on 3252 2661 or email [pina@dogsqueensland.org.au](mailto:pina@dogsqueensland.org.au). The Dog Owner's Manual is priced at only \$50.00 plus postage.

**Show Date: Saturday 11 April 2026**

# HERBAL WHITENING SHAMPOO

## with Ginseng

Delivering Show stopping results in one wash, toning rather than bleaching to restore clarity, depth and gloss to every coat. This rich, corrective formula reduces yellowing, warm hues and sun-fade, bringing natural colour back to life without harsh chemicals or artificial colouring—simply a brighter, cleaner, more vibrant coat worthy of the spotlight.
